HHS Hosts Two Foreign Students In 1968-69 Year

Kiyoko answers a question in Spanish class.

Mr. C. E. Barnhart, Mrs. Barnhart, David, Joe, and Amy, members of Kiyoko's American family, gather around her for a picture.

Leonor poses for a picture with her American family—Wyn, Mrs. Lewis, and Mr. E. J. Lewis.

Highland hosted two foreign students during the 1968-69 school year. Leonor Vodonovic, from Concepcion, Chile, was assigned to Highland through the American Field Service. Kiyoko Kusano volunteered to be the first student to come to Albuquerque from Sasebo, Japan, which is Albuquerque's sister city.

Leonor arrived August 9 for her year long stay with the E. J. Lewis family. Her American family had five members, just as her own does. En route to New Mexico she had visited New York and Miami with other foreign exchange students.

Leonor and her American sister Wyn were both seniors at Highland. Leonor enjoyed choosing her own subjects, for in Chile she was assigned to her classes. Of her five classes, she liked Biology II best.

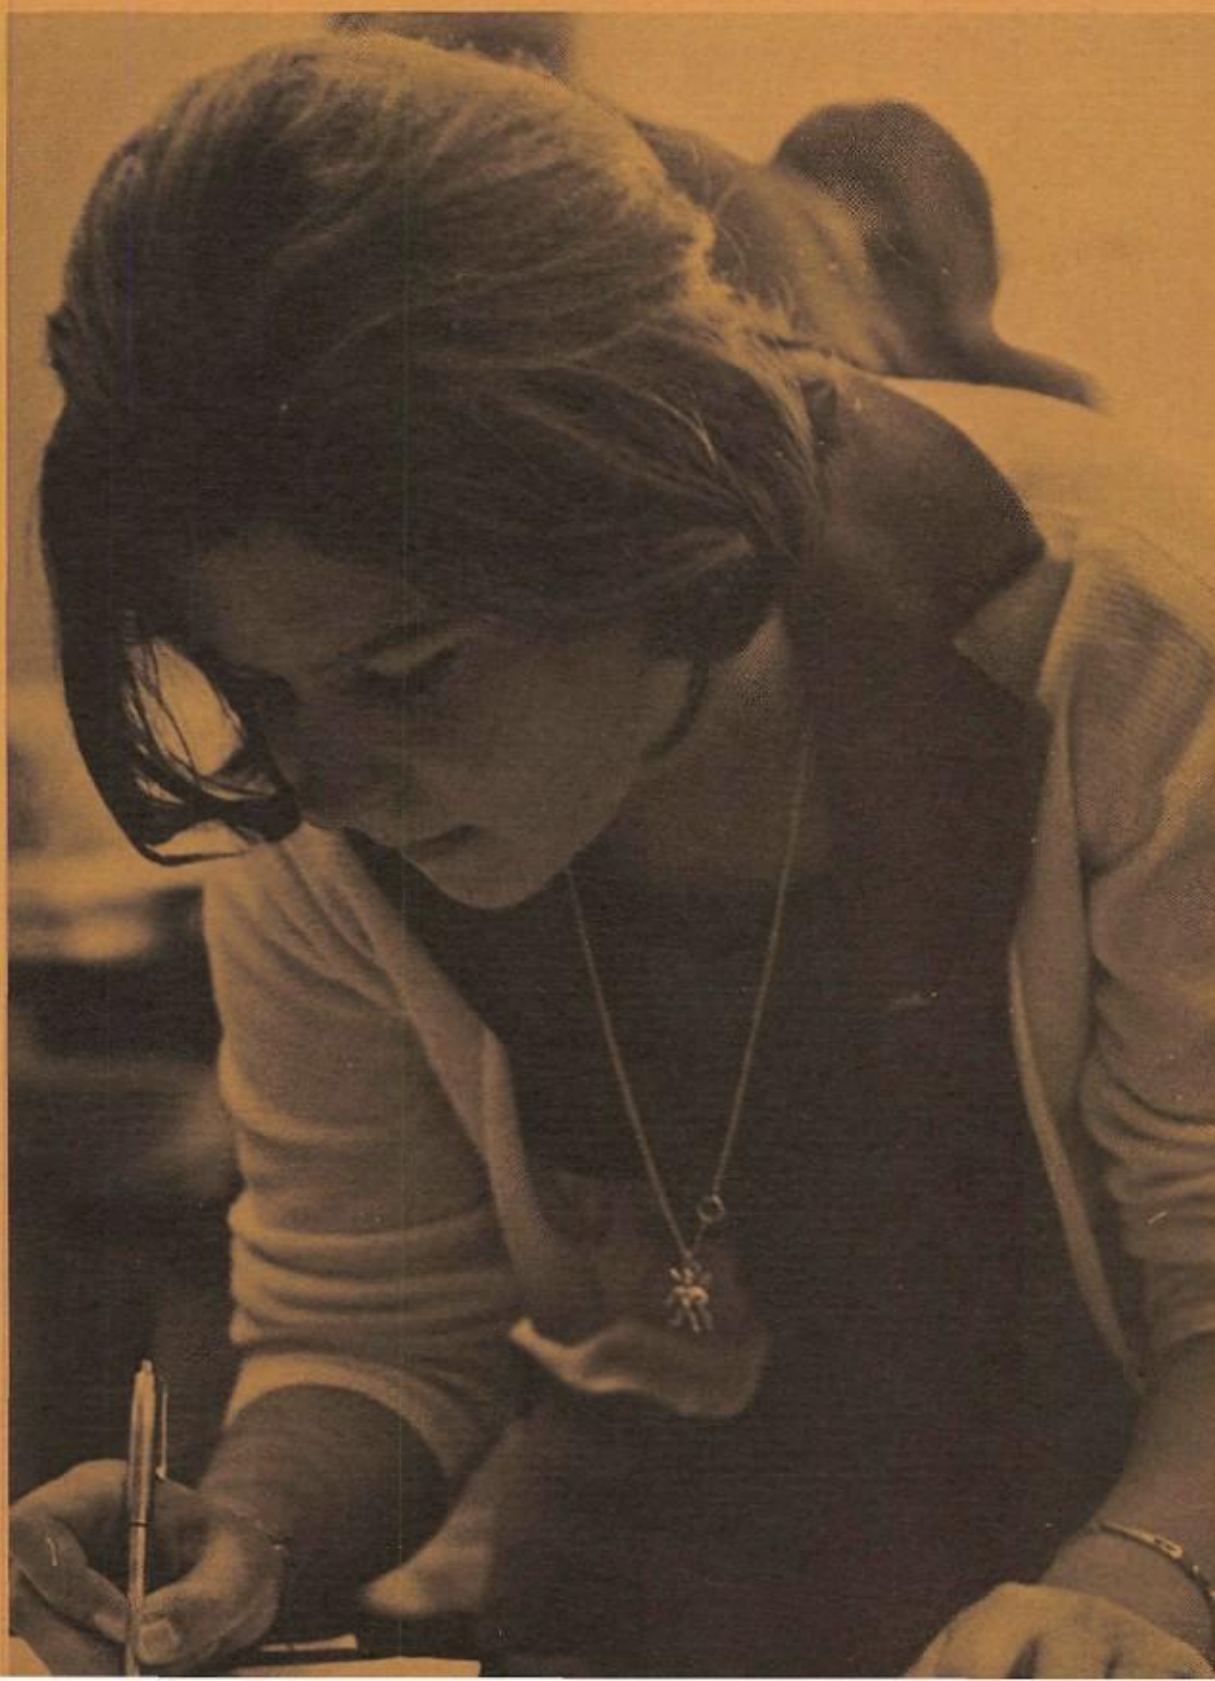

Leonor began her active year at Highland as an honorary member of the Homecoming court. She was also a participant in the American Field Service and Student Council.

Kiyoko arrived in Albuquerque on September 5. Her American family was similar to her own family in that the occupations of her fathers were in the same general field. Her father is a judge in Japan, and Mr. Charles E. Barnhart, with whose family she stayed, is a lawyer.

Kiyoko and her sister Amy were juniors at Highland, where Kiyoko found not wearing uniforms a change from her high school in Japan. Kiyoko who had studied English in Japan, where it was required, added Spanish to her stock of languages. She enjoyed most about school Drama and Art and the fact that there was not as much homework as in Japanese schools.

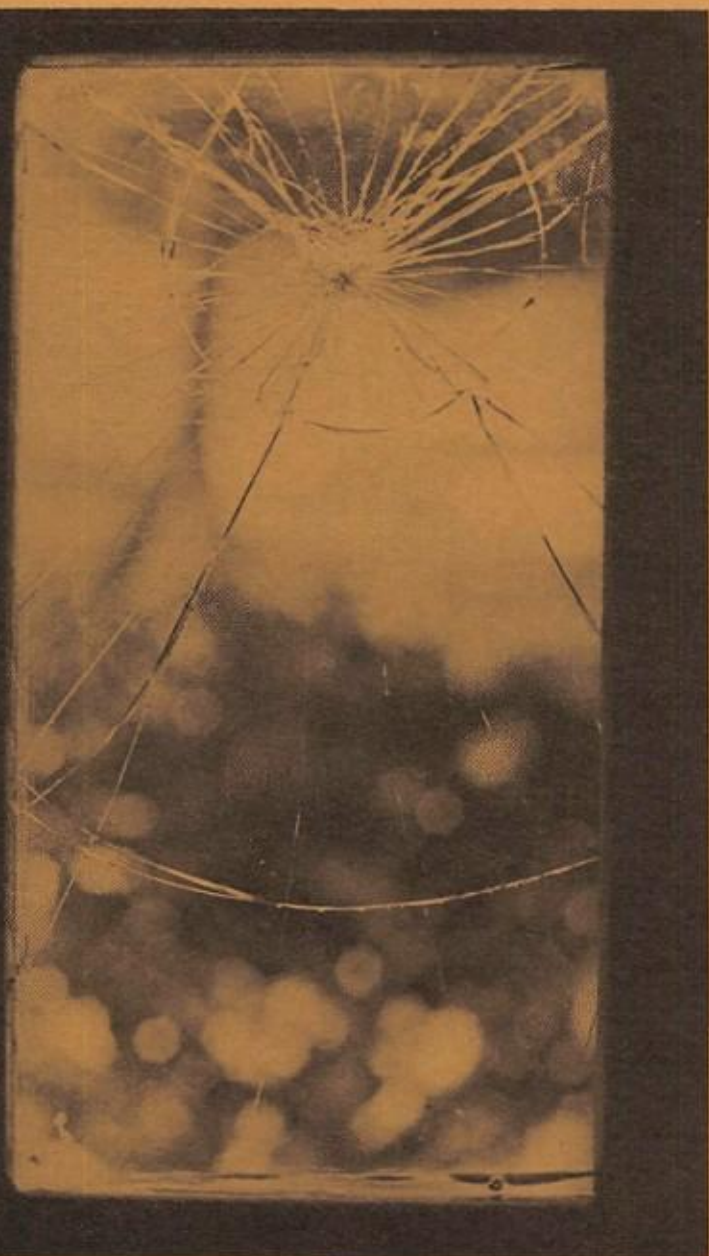

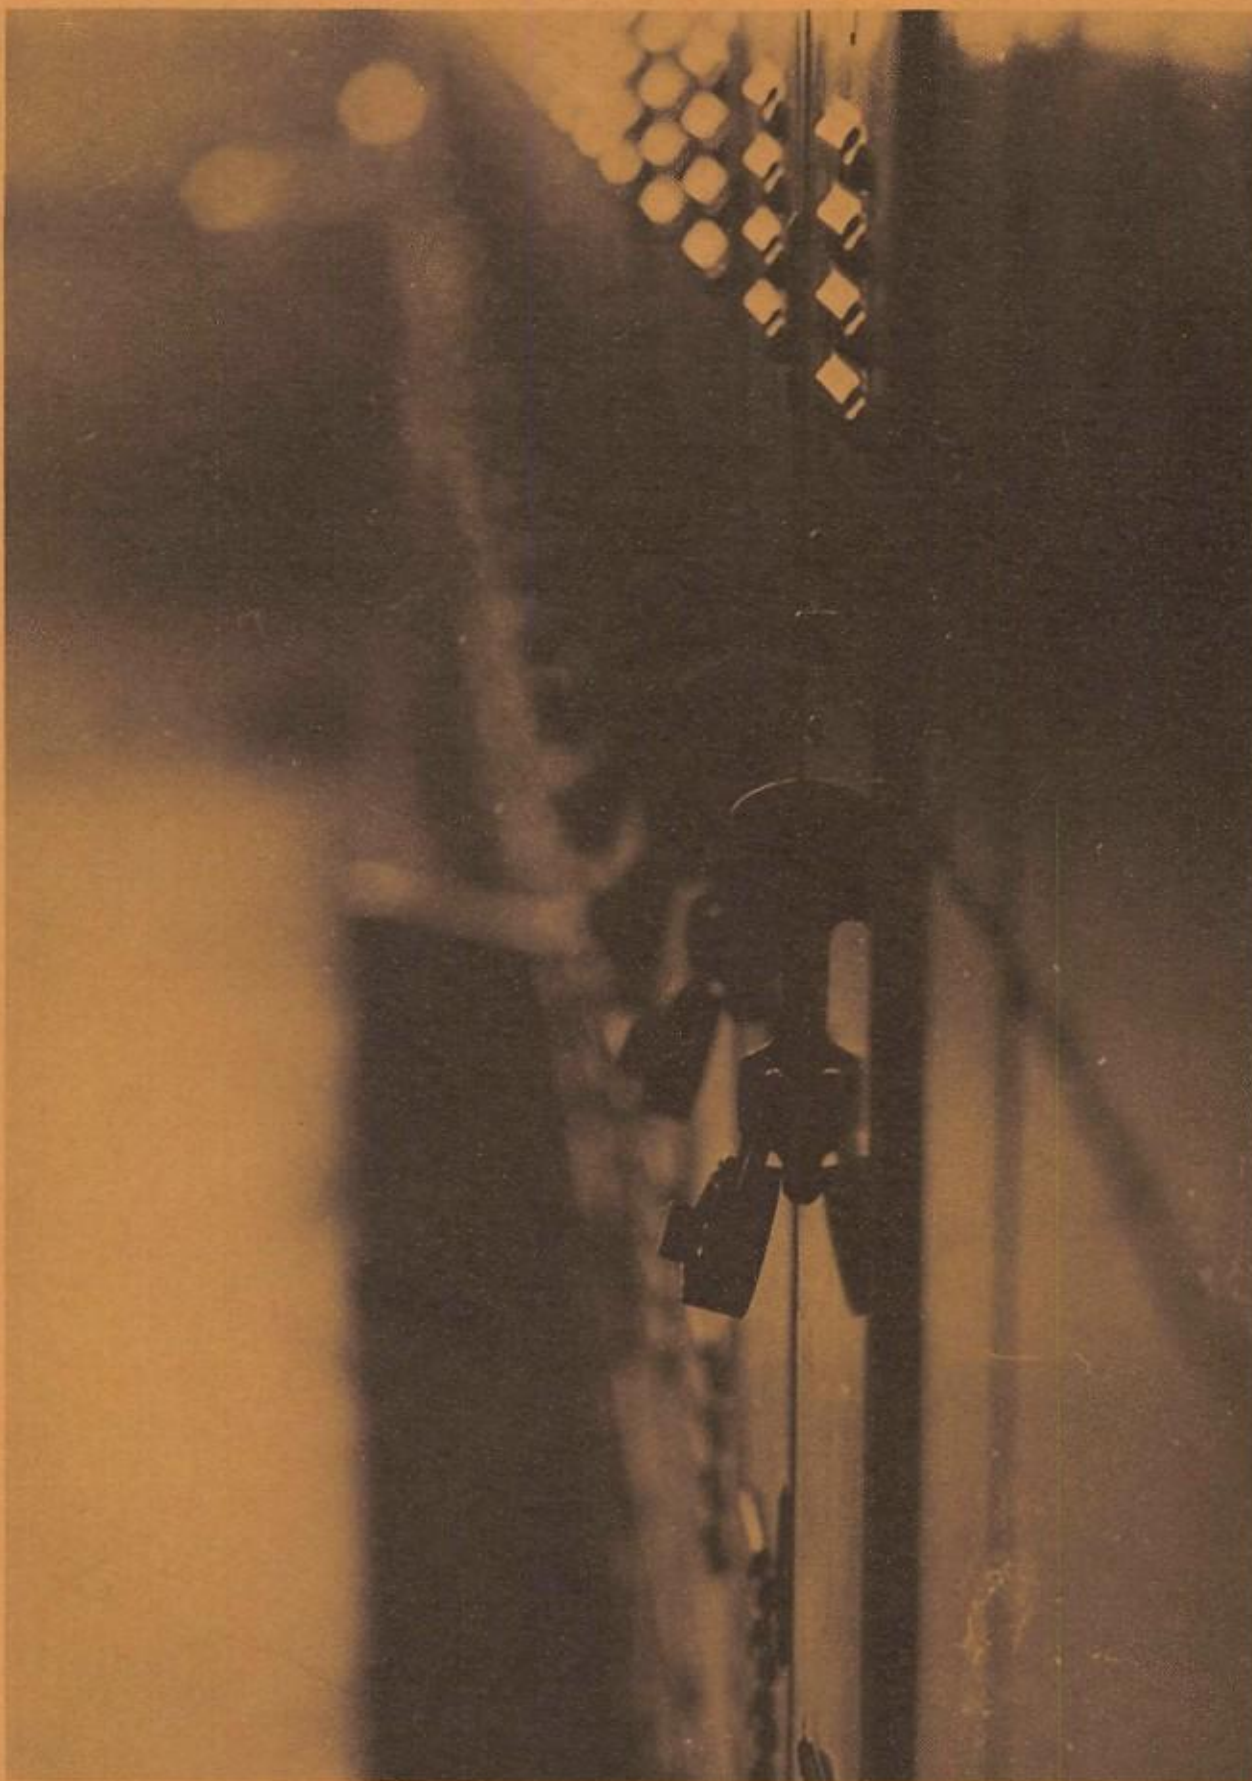

Kiyoko also was an honorary Homecoming court member. On November 4 she participated in an ROTC assembly, in which she thanked Admiral MacPherson for making it possible for her to come to America to attend school. Admiral MacPherson was the initiator of the sister city plan. Kiyoko also participated in other extracurricular activities throughout the year.

Biology II was Leonor's favorite subject. Here she is finishing a lab during the fifth period science class taught by Mr. Floyd.

The 1969 Highlander was printed at Dallas, Texas, by Taylor Publishing Company. With its final deadline on March 7 and delivery date set in late May, the Highlander was the product of almost a year's work by our staff, photographers, and our sponsor, Bill Manire. This year's book was printed on 80 pound florentine mat paper with a 16 page section on special order yellow paper. By using a more modern layout technique and using more color pictures than ever before, we hope that it will have a special meaning to each and every one of its owners and that they will look through its pages often in future years and remember 1969, Highland High School's Twentieth Year.

With Homecoming approaching, the Senior Class gathered to plan and construct a gym "fit for a queen." Helping with the decorations are (below) Joelyn Ringstead, and (right) Dennis Royer.

Presenting queen Jan Colp with a gift and congratulations at the coronation assembly is Highland's queen for 1968, June Barnett.

"Alice In Wonderland" Theme Of Homecoming

As is Highland tradition, each girl in the court presented new Queen Jan Colp with a red rose.

Smiling flowers and queen's hearts surrounded the queen and her court while the luminous Cheshire cat grinned his approval. It was the 1968 Homecoming assembly and the theme was "Alice in Wonderland."

The court was presented during the assembly on October 11 in the gym after being selected by the students. They were chosen from the 55 girls who originally tried out on September 27. Jan Colp was crowned queen, and two foreign exchange students—Leonor Vodonovic and Kiyoka Kusano were in the court. Court members, their escorts, and parents were invited to a reception after the assembly.

A dance was held in the cafeteria on the 11th. Saturday the 12th brought the Homecoming football game with Rio Grande. The queen and her court attended and saw Highland beat Rio Grande at Wilson Stadium.

Following the theme "Alice in Wonderland," crowns were presented to the queen and her two princesses by children dressed for the occasion.

"Leading Lady," A Play Within A Play

On October 16, for the 1968-69 school year, the Thespian club produced its first play, "Leading Lady." "Leading Lady" was a play within a play. It was produced by Miss Ann Shannon, Thespian Club sponsor, and Tony Francis, student director.

With a cast carefully selected, the play had seventeen characters, four of which were major parts. They were, in order of appearance, Norma Temple, played by Candy Horabin; Lanny Scott, Rob Gunter; Herb McIntire, Mark Stevens; and Beverly Rodgers, Debbie Ullrich.

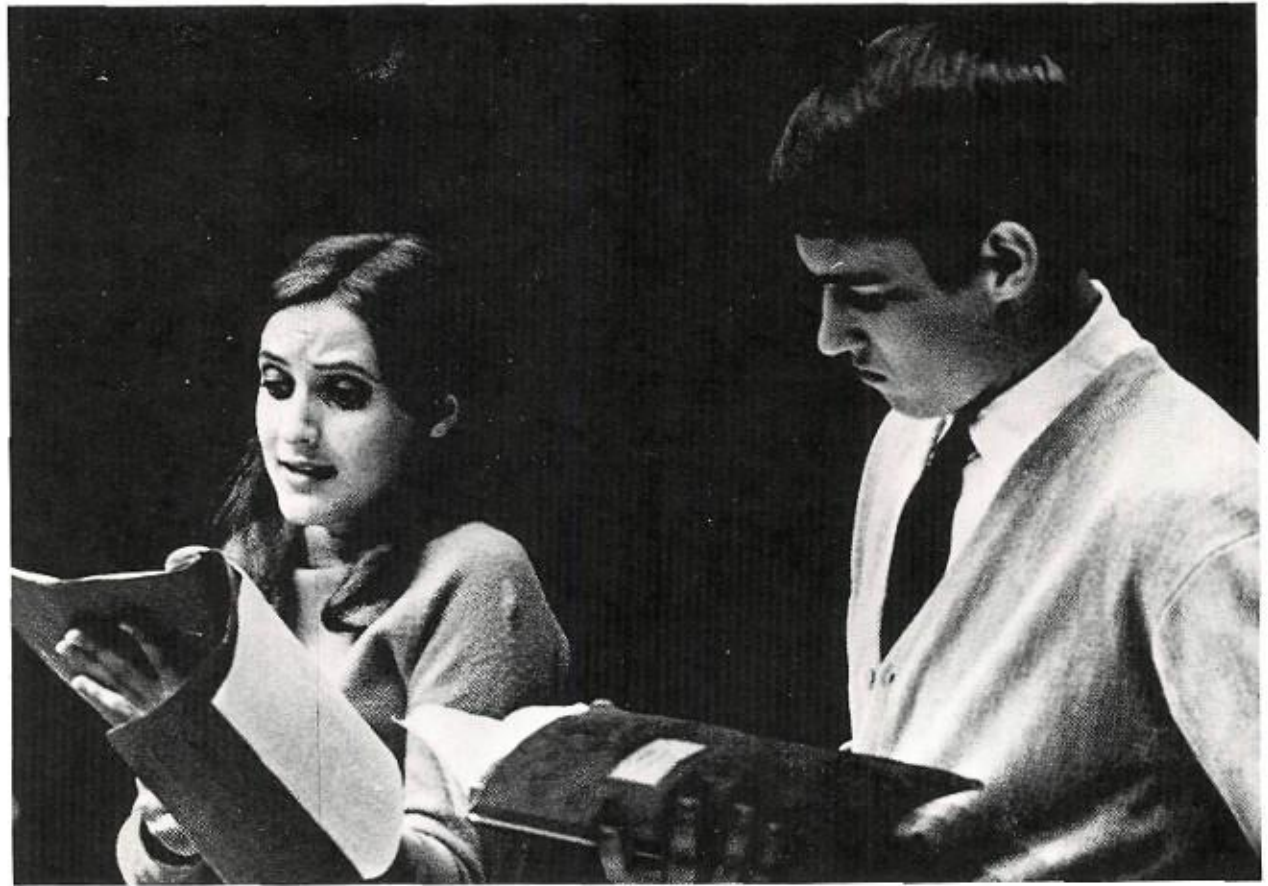

As Norma Temple reminisces to Sue Haller (Roxanne Friedank), and close friend Marie Downs (Mary Dabney), she is reliving her life as a beginning actress seeking stardom. She tells of her three "nearly fatal" romances with Conrad Marlowe (Robin Tawney), Jack Winston (David Leach), and Armando de Cortez (Leonard Natkin), as they appeared with her in various plays, and of how her former producer and present husband, Lanny Scott, brought her to her senses in the nick of time.

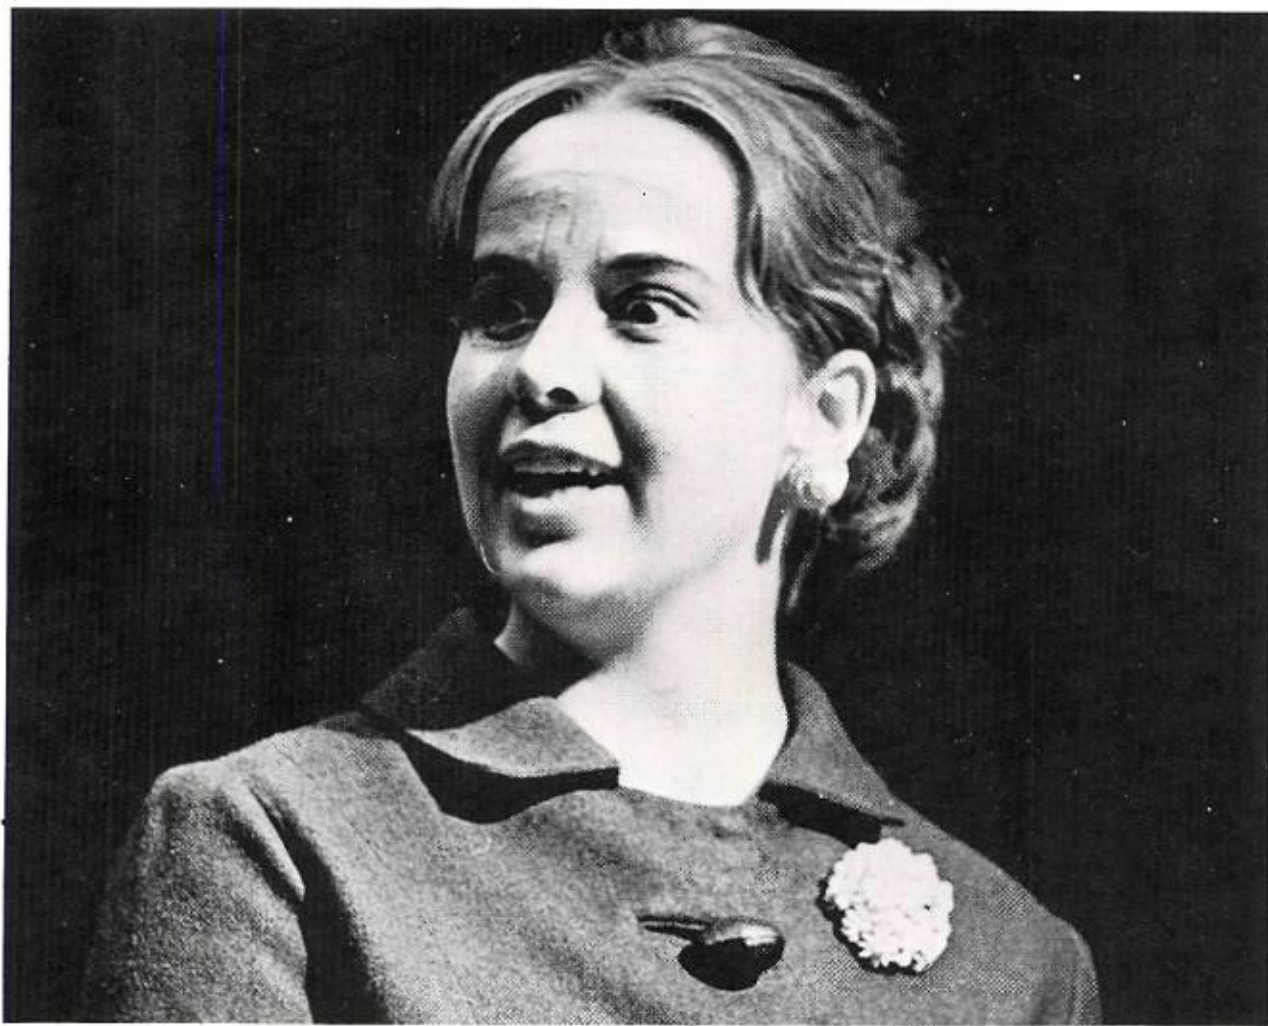

Other characters involved in the play were Esther Pearson, Rebecca Swier; Flo Fletcher, Marsha Fountain; Judith Blaine, Dawn Wagner; and the custodian, Tom, played by Tim Brady.

Running the play from the 16th through the 19th gave many students as well as parents and teachers the opportunity to see it. It was the only play produced by the Thespian Club during the school year.

Trying for a part in the play, Dawn Wagner uses great expression while reading to Mark Stevens.

Confused, impatient, and thoroughly disgusted, Debbie Ullrich asks Mark Stevens (center) and Rob Gunter (far right) what their "glamour" star could possibly want to see them about now.

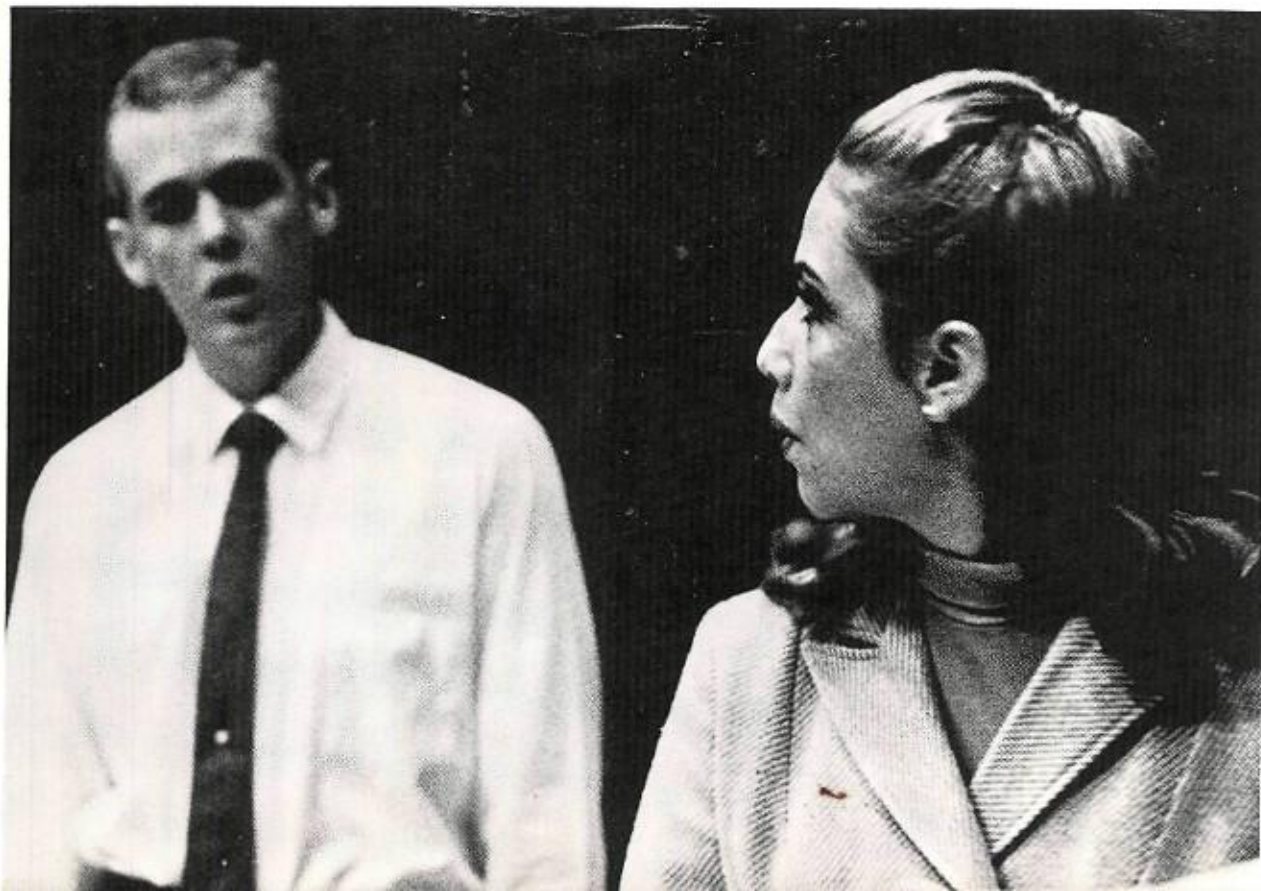

Left: With a look of amazement Marsha Fountain realizes that her worries are now over.

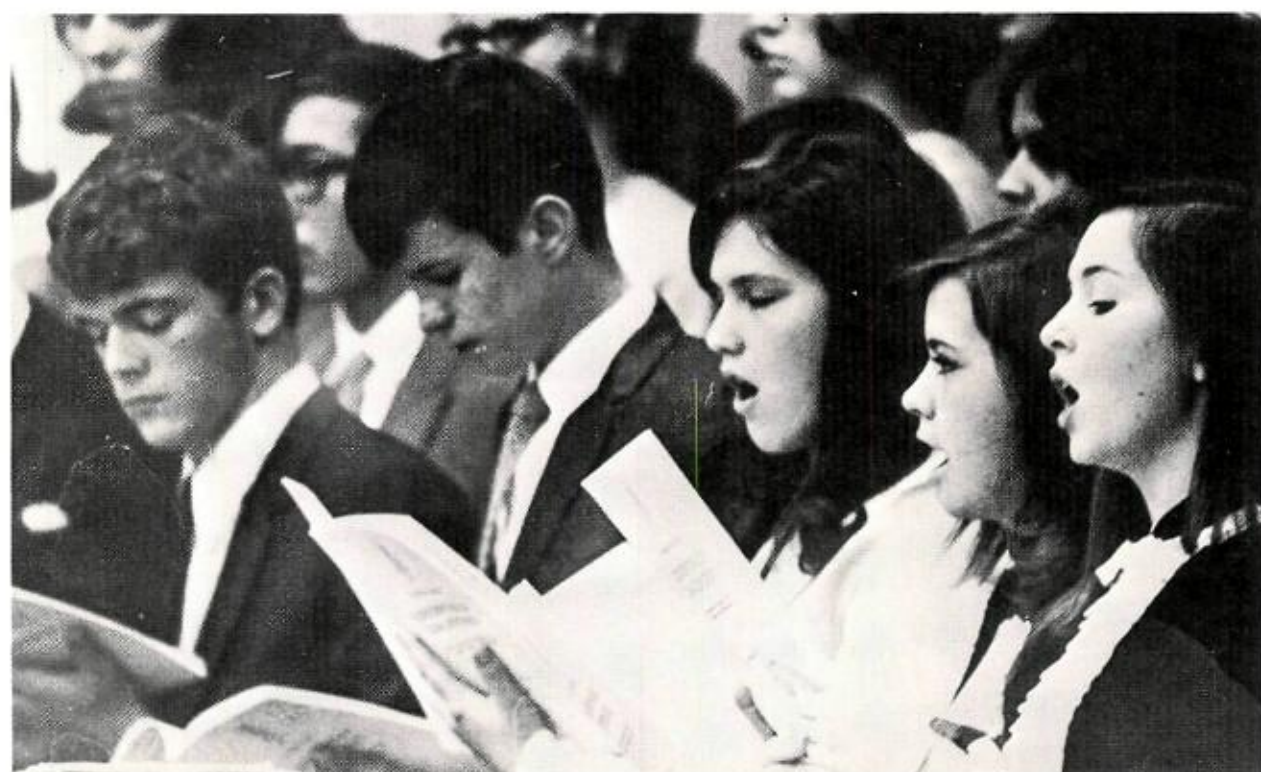

Down: Having just been introduced to Robin Tawney, the male lead in the play, Candy Horabin agrees that they should "get to know each other better."

Above: Members of the cast for the play "Leading Lady," directed and produced by Thespian sponsor Miss Shannon, are Robin Tawney, Marsha Fountain, Roxanne Freidank, Mary Dabney, Candy Horabin, Leonard Natkin, Robert Gunter, David Leach, Debbie Ulrich, Rebecca Swier, Mark Stevens, Tim Brady, and Dawn Wagner.

Rob Gunter patiently hears the "bad" news that they are going bankrupt on their first production from its director, Candy Horabin.

Lack Of Spirit Clouds Over HHS Assemblies

Assemblies at HHS underwent many changes during the school year. The main difference was in the number of assemblies that took place—there was a great reduction. Traditions such as class yells and "Seniors leave First!" were broken, and a lack of spirit was noted. A study hall for those who protested mandatory assemblies was also in the making.

Below: According to the coaches, this year's cheerleaders were the best Highland has ever had.

Right: To raise spirit among Hornets for the first Sandia football game, Coach Gibbs, dressed to fit the song being played—"You're Going to Burn!", entertained many laughing fans.

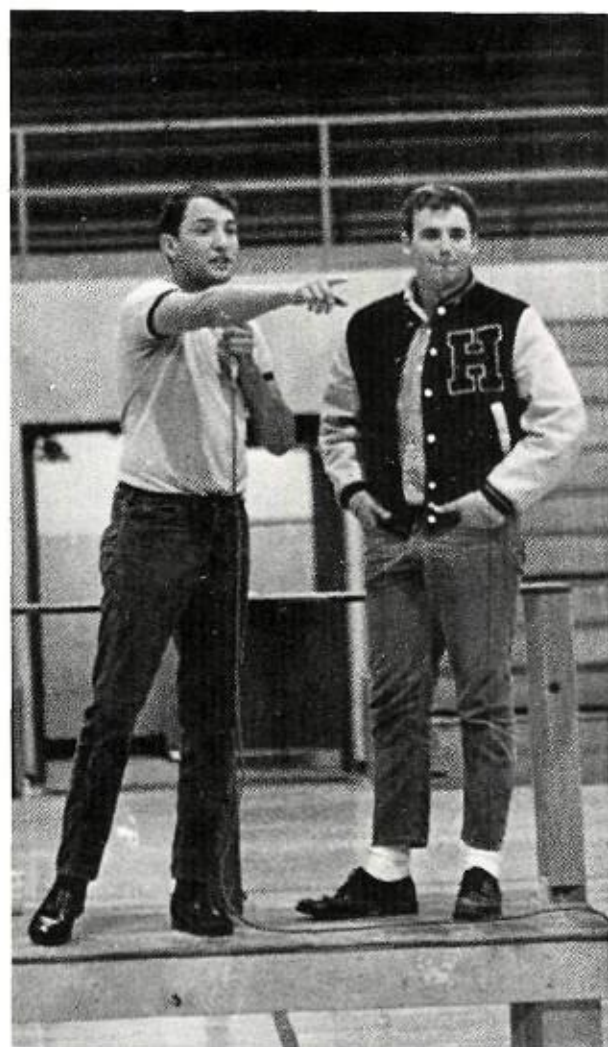

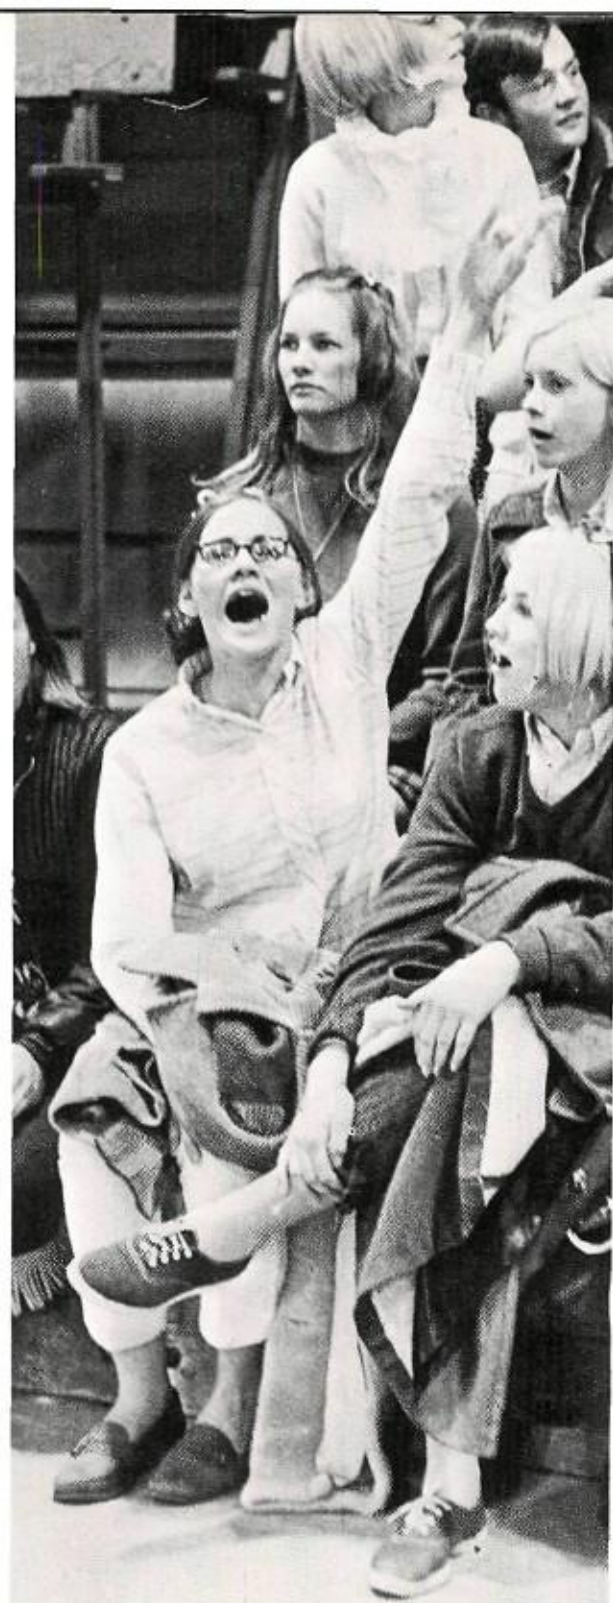

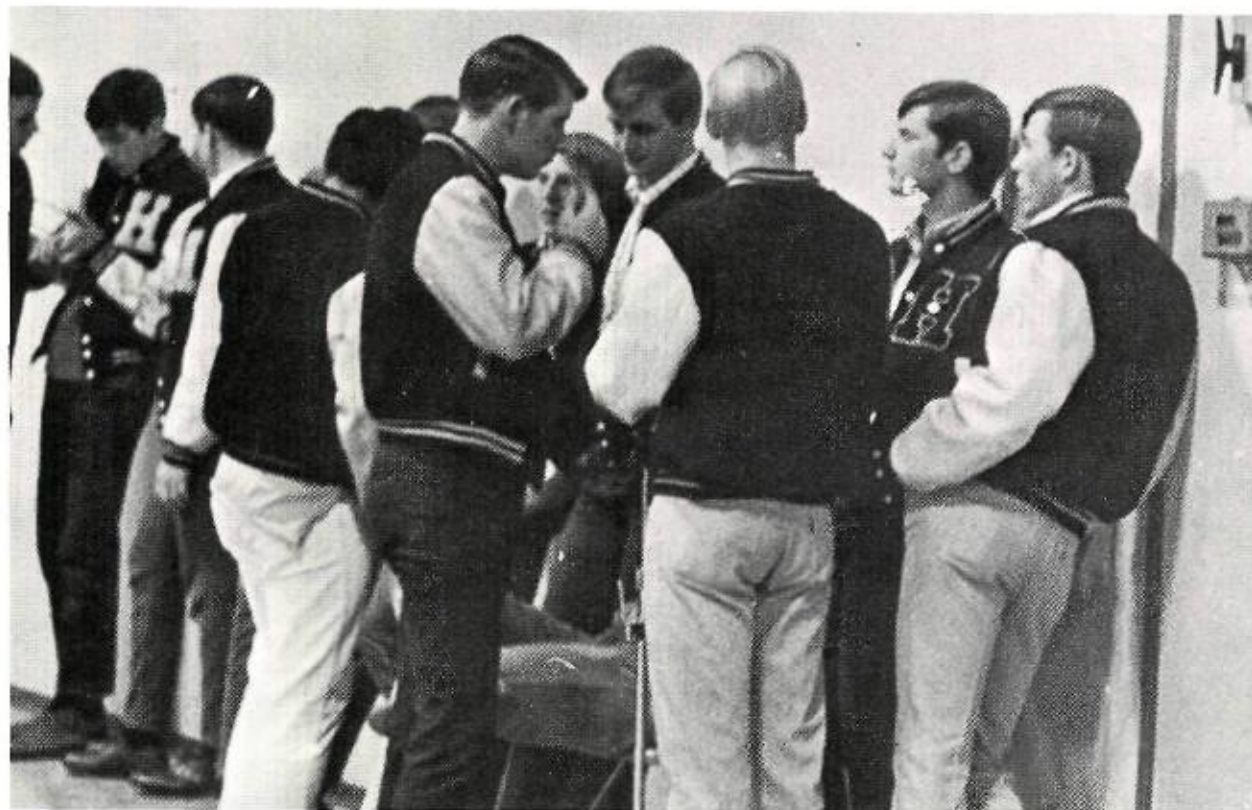

"Going — Going — Gone!" Echo In Gym As Seniors Hold Slave Sale

The Senior Class devised an ingenious money-raising project this year when it decided to have a Slave Sale. Lettermen of HHS volunteered to be slaves and were put on the auction block on Thursday night, February 13. In all, 20 slaves were auctioned off—5 juniors, 1 sophomore, and 14 seniors. The sophomore boy—Tommy

Hinton—brought the most money—\$10.30. That amount was bid by the six varsity cheerleaders.

About \$70 was raised by this fun-filled activity. The slaves had to dress in suitable costumes on Valentine's Day and do the bidding of their "purchasers."

Waiting patiently to be "disgracefully" sold as slaves for Slave Day, are some of the lettermen.

"SOLD!" shouts Barney Botone about Dennis Woods.

Putting her newly acquired slave, Tommy Hinton, on a leash, Gail McNamara gets in a few laughs.

In preparation for the first slave sale at HHS, students met in the gym February 13 to buy slaves, Highland lettermen. In the top three pictures, Kathy Blue, Susie Higdon, and Mary Beth Gernert vigorously bid for their slaves.

Sitting above the crowd on the railing, a student quietly contemplates what is happening.

It's A Sign Of The Times: Fashions!

Tremendous changes have taken place in fashions during the past couple of years. There have been general changes, as well as specific, in men's and women's fashions.

Nehru and Guru shirts, heavy chain necklaces with signs of the past and present, and knee or hip-high boots were worn by both boys and girls. Hemlines went up and jackets lengthened; leather, not sticking to the traditional shoes and purses, was made into skirts, vests, and pants.

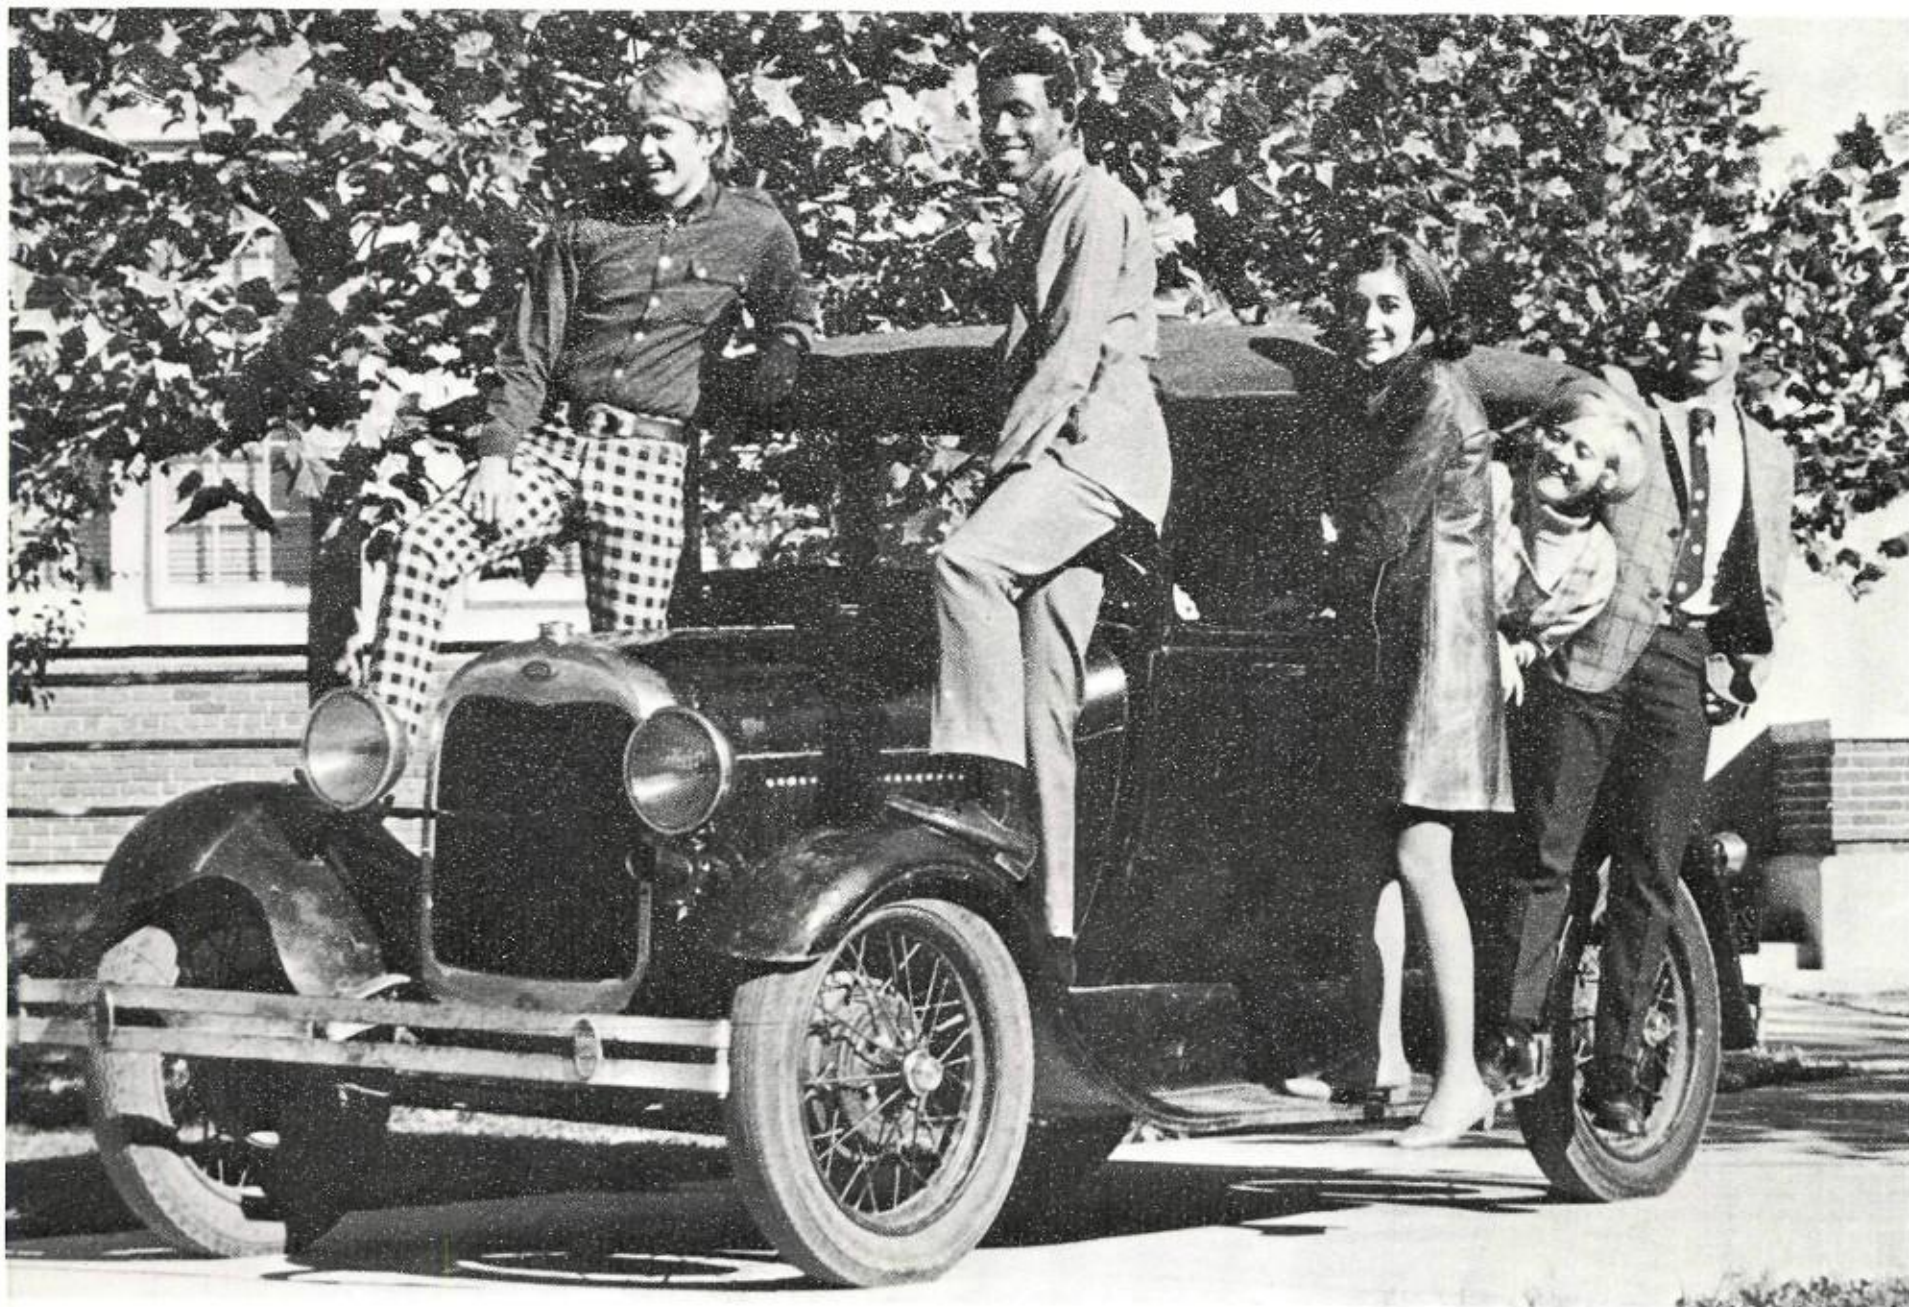

Men's fashions included brightly colored

frilly shirts and bell-bottom pants, coordinated Nehru outfits, and pierced ears. Hair grew longer with the return of sideburns, mustaches, and beards.

Women's fashions went from Nehru to frills, with waistlines coming back into style. Huge, dangling earrings, opaque stockings and hats with matching outfits also seemed to be very popular.

Highland students went into the swing of things as far as the administration and parental restrictions would let them.

Showing some of the fashions while riding on an old Model A are: Larry Alcorn, Michael Lee, Kathy Doherty, Shirley Bivens, and Don Bivens.

Ties and tucked-in shirt tails were commonly seen on Highland boys as shown by Ace Grinsted.

1949-1969: HHS Looks 20 Years Into The Past

Highland High School celebrated its twentieth anniversary with an assembly and "dress up" day on Friday, March 18. Mistress and master of ceremonies were Debbie Ullrich and Rob Gunter. Highland's first principal, Dr. N. G. Tate, spoke as did Mr. Krumm, our present principal. The assembly was highlighted by Cam King's narration of Highland's first year, which was acted out by members of student council. At the end of the assembly Mr. Pipkin, Mr. Neece, Miss Rebord, Mr. Smock, Mr. McDaniel, Mrs. Gilmore, Miss Trammell, and Mr. Loy received awards for their twenty years of service at Highland High. Miss McCulloch also received a twenty year award although she was absent, as she retired earlier in the year. Overall, it was definitely an interesting day.

NJROTC Holds First Military Ball

Highland's cafeteria was gaily decorated for the first NJROTC Military Ball. Held the evening of December 7, the ball was hailed as one of Highland's finest.

Members of the Albuquerque High School Army ROTC were invited. The cadets and their dates danced to the music of the Dave Wolfe Quintet from 8 P.M. to 11 P.M.

HHS Invitational Tournament A Success

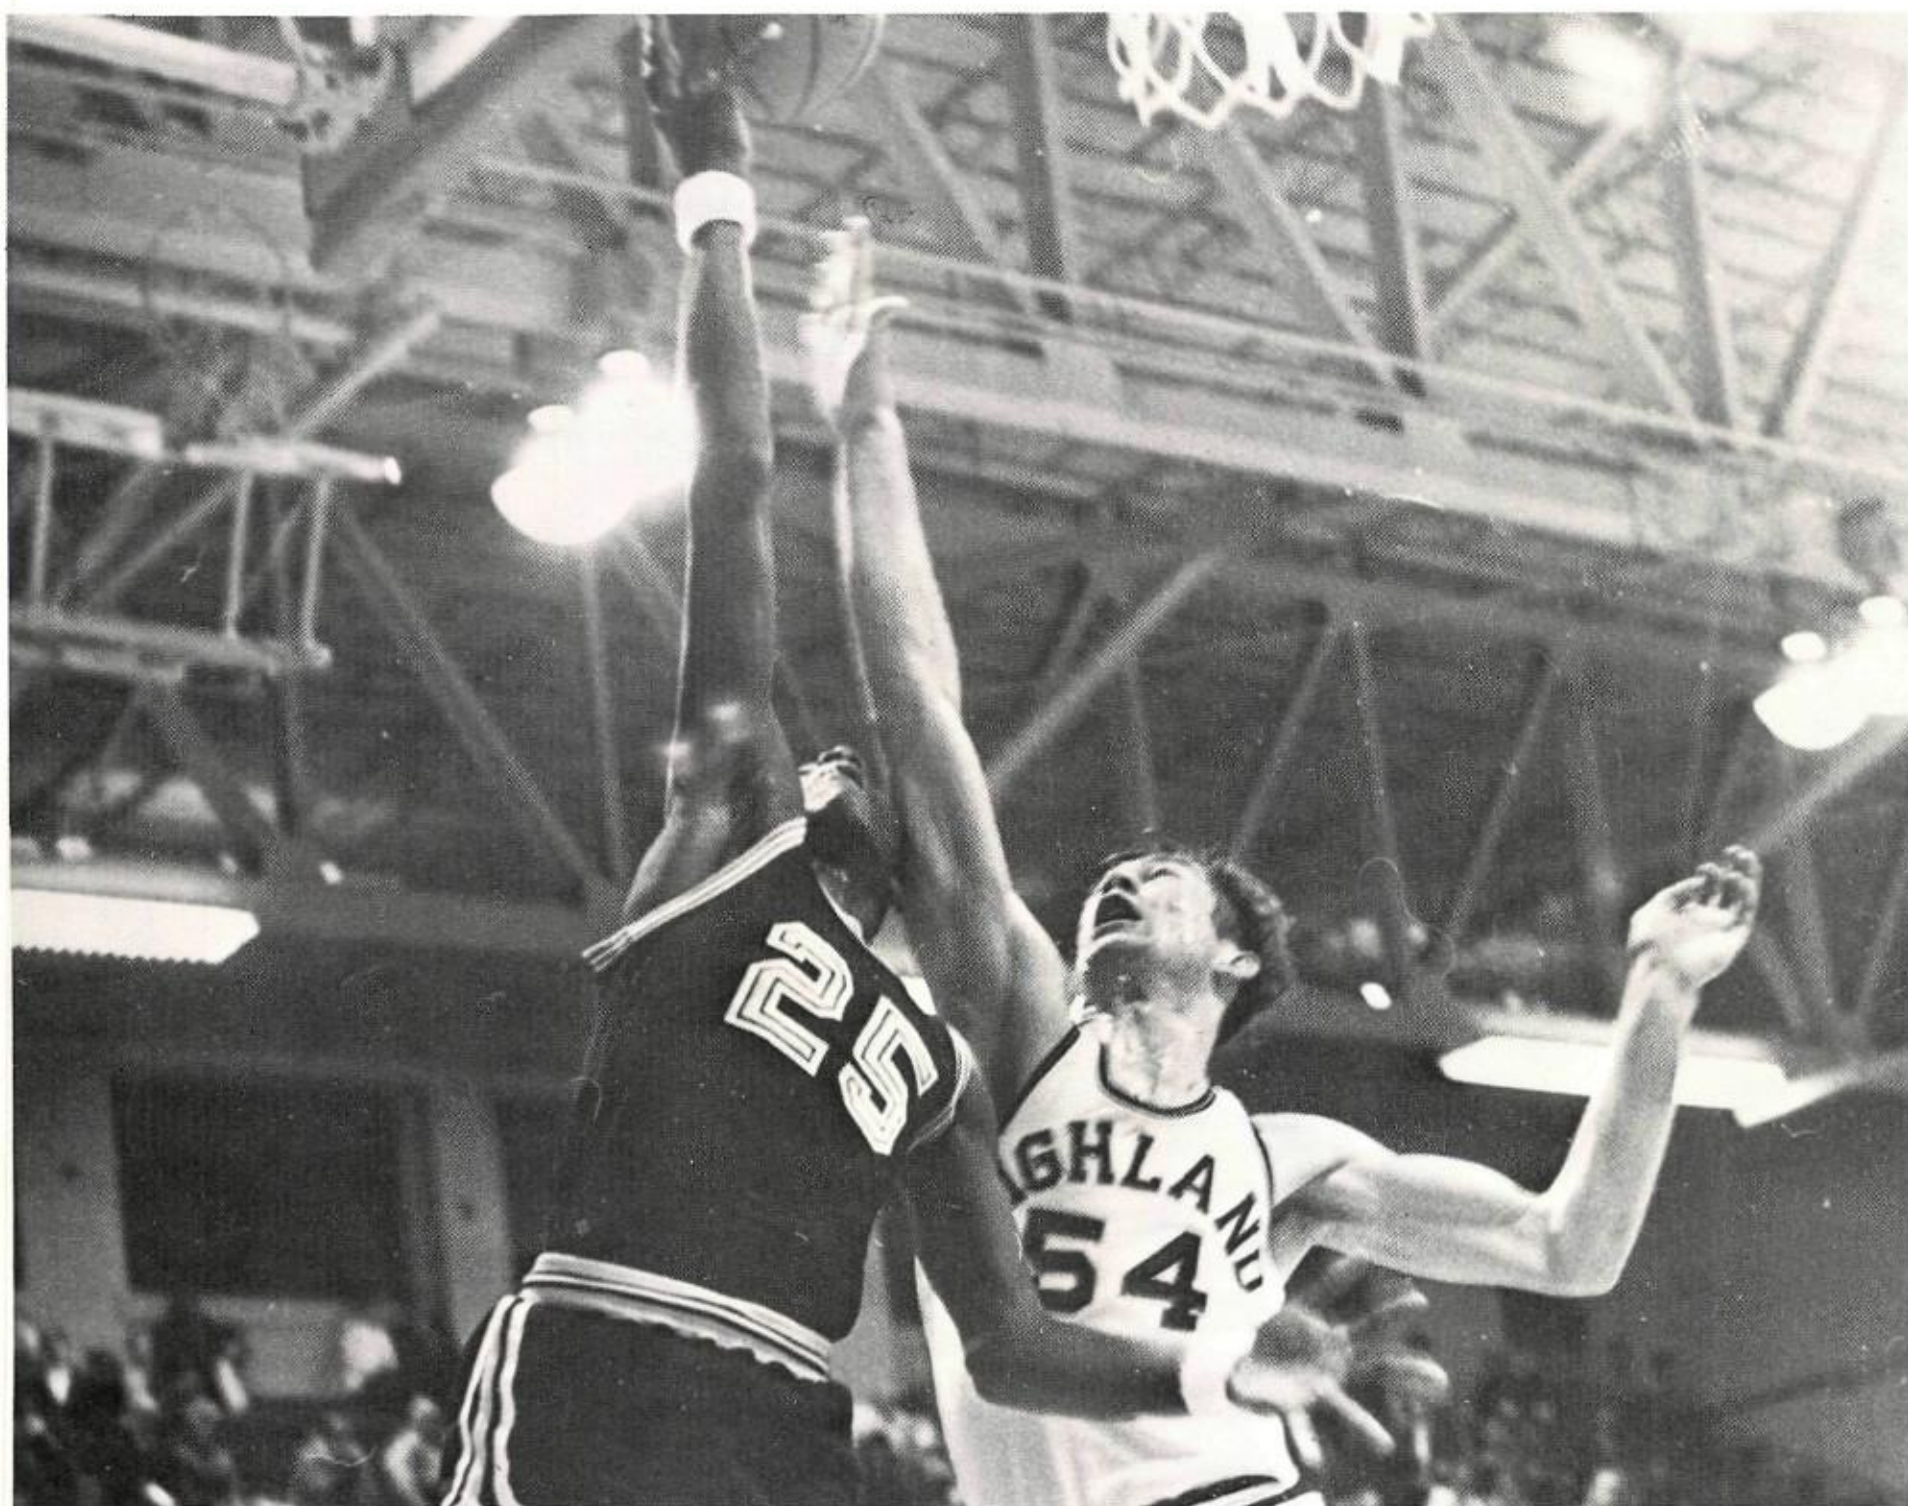

Capturing the first annual Highland Invitational was Los Alamos High School. The Hilltoppers advanced through their bracket by dropping St. Pius, Highland, and Bernalillo. Co-favorites Highland and Alamogordo fell the second day, HHS to Los Alamos and AHS to Bernalillo, the latter one of the most exciting games played in the entire year. Highland took third place over Alamogordo, and Los Alamos defeated Bernalillo for first. Alamogordo was fourth, Alb. Academy 5th, St. Pius 6th, St. Mikes 7th, and El Paso Tech 8th. The All-tournament team was: Emilio Corral, Tech; Ernie Jones, HHS; Lovard Coleman, Alamogordo; Pete Salazar, Bernalillo, and Jim Mosely, HHS. Pete Salazar of Bernalillo was given the tournament's most valuable player award.

Seasoned Vets Pace 1969 Baseball Team

A large number of returning lettermen gave Coach Bill Hayes' baseball team a good chance of having a fine season. Leading the returning lettermen were Terry Carr, John Zamouski, Ernie Jones, and Walter Burton, all seniors. Juniors Henry Garcia and Steve Abraham also figured to help out. The assistant coach was Mr. Jack Rushing.

As Usual, Hornet Netters Are Strong

This year's tennis team was no exception to the tradition of fine tennis teams that Highland High has. Led by returning lettermen Tim Russell, Robert Rehm, Tom Turbett, and Charles Gallagher, the Hornets were favored to take state again in 1969. After school the team usually practiced at Wilson tennis courts. HHS has won 14 out of 17 state tennis championships since 1952.

HHS Hornets Compile 7-2 Grid Record

Coach Bill Gentry's Highland Hornets were preseason picks for second place behind Sandia. Manzano and Del Norte also figured to place high in District 2AA where the principals voted to have all games count toward the district championship. Manzano and Highland both suffered as the Monarchs lost to Clovis and Roswell while Highland dropped a 10-6 game to Burges. Manzano fought back and defeated Sandia to help the Hornets' chances. Del Norte fell to the wayside as it dropped games to HHS, Sandia and Manzano. November 1st was the showdown between Highland and Sandia. A steady rain turned the field at University Stadium into a muddy mess which hampered Highland's running game. A fourth quarter surge gave the Matadors a 23-12 victory and virtually eliminated Highland. Sandia clobbered Santa Fe and Farmington on successive weekends and returned to Farmington the next week to gain the right to play Artesia on Thanksgiving Day. Highland and Manzano ended tied for second place in the district. Artesia smashed Sandia 40-0 for its third straight title.

HIGHLAND SEASON RESULTS

September 14—Highland 13, Austin 9

A third quarter touchdown by Bill Carter proved to be the difference in a hard fought victory over El Paso Austin.

September 20—Burgess 10, Highland 6

The Hornets' luck ran out as Burgess quarterback Phil Luckett scored the winning TD with a minute left to drop HHS.

September 27—Highland 28, Del Norte 14

Second half mistakes, including two bad snaps from center on punts, cost Del Norte in a loss to Highland. After a 14-14 first half, Robert Crawford scored and Mike Crawford fell on the ball after it sailed over the punter's head into the end zone to put the game away for the Hornets.

October 4—Highland 20, Carlsbad 13

Carlsbad's Cavemen paid a visit to Albuquerque, hoping to avenge the previous year's 20-13 defeat at the hands of HHS. But, they could do little better as the Hornets battled their way to a victory by the same score as the year before.

October 12—Highland 36, Rio Grande 0

Ernie Jones picked up 253 yards rushing in 23 carries and scored four touchdowns to lead Highland to an easy win.

October 25—Highland 12, Farmington 7

HHS defeated the Scorpions on their own field despite many second half mistakes.

November 1—Sandia 23, Highland 12

A soggy field at University Stadium, bad ball handling, and an alert Sandia defense proved to be Highland's undoing as Sandia defeated HHS for the second straight year. 12 fumbles, of which many were recovered by the Matadors, kept Highland in check. Bill Carter and Ernie Jones scored for HHS.

November 8—Highland 65, West Mesa 7

The Hornets' wrath fell upon West Mesa as Robert Crawford tied a city record set by Albuquerque High's Robert Lee Williams in 1967, as he scored seven times, two of them on passes from Ernie Jones. Highland's second unit, led by quarterback Jerry Smith, scored twice in the closing minutes, as HHS routed the Mustangs.

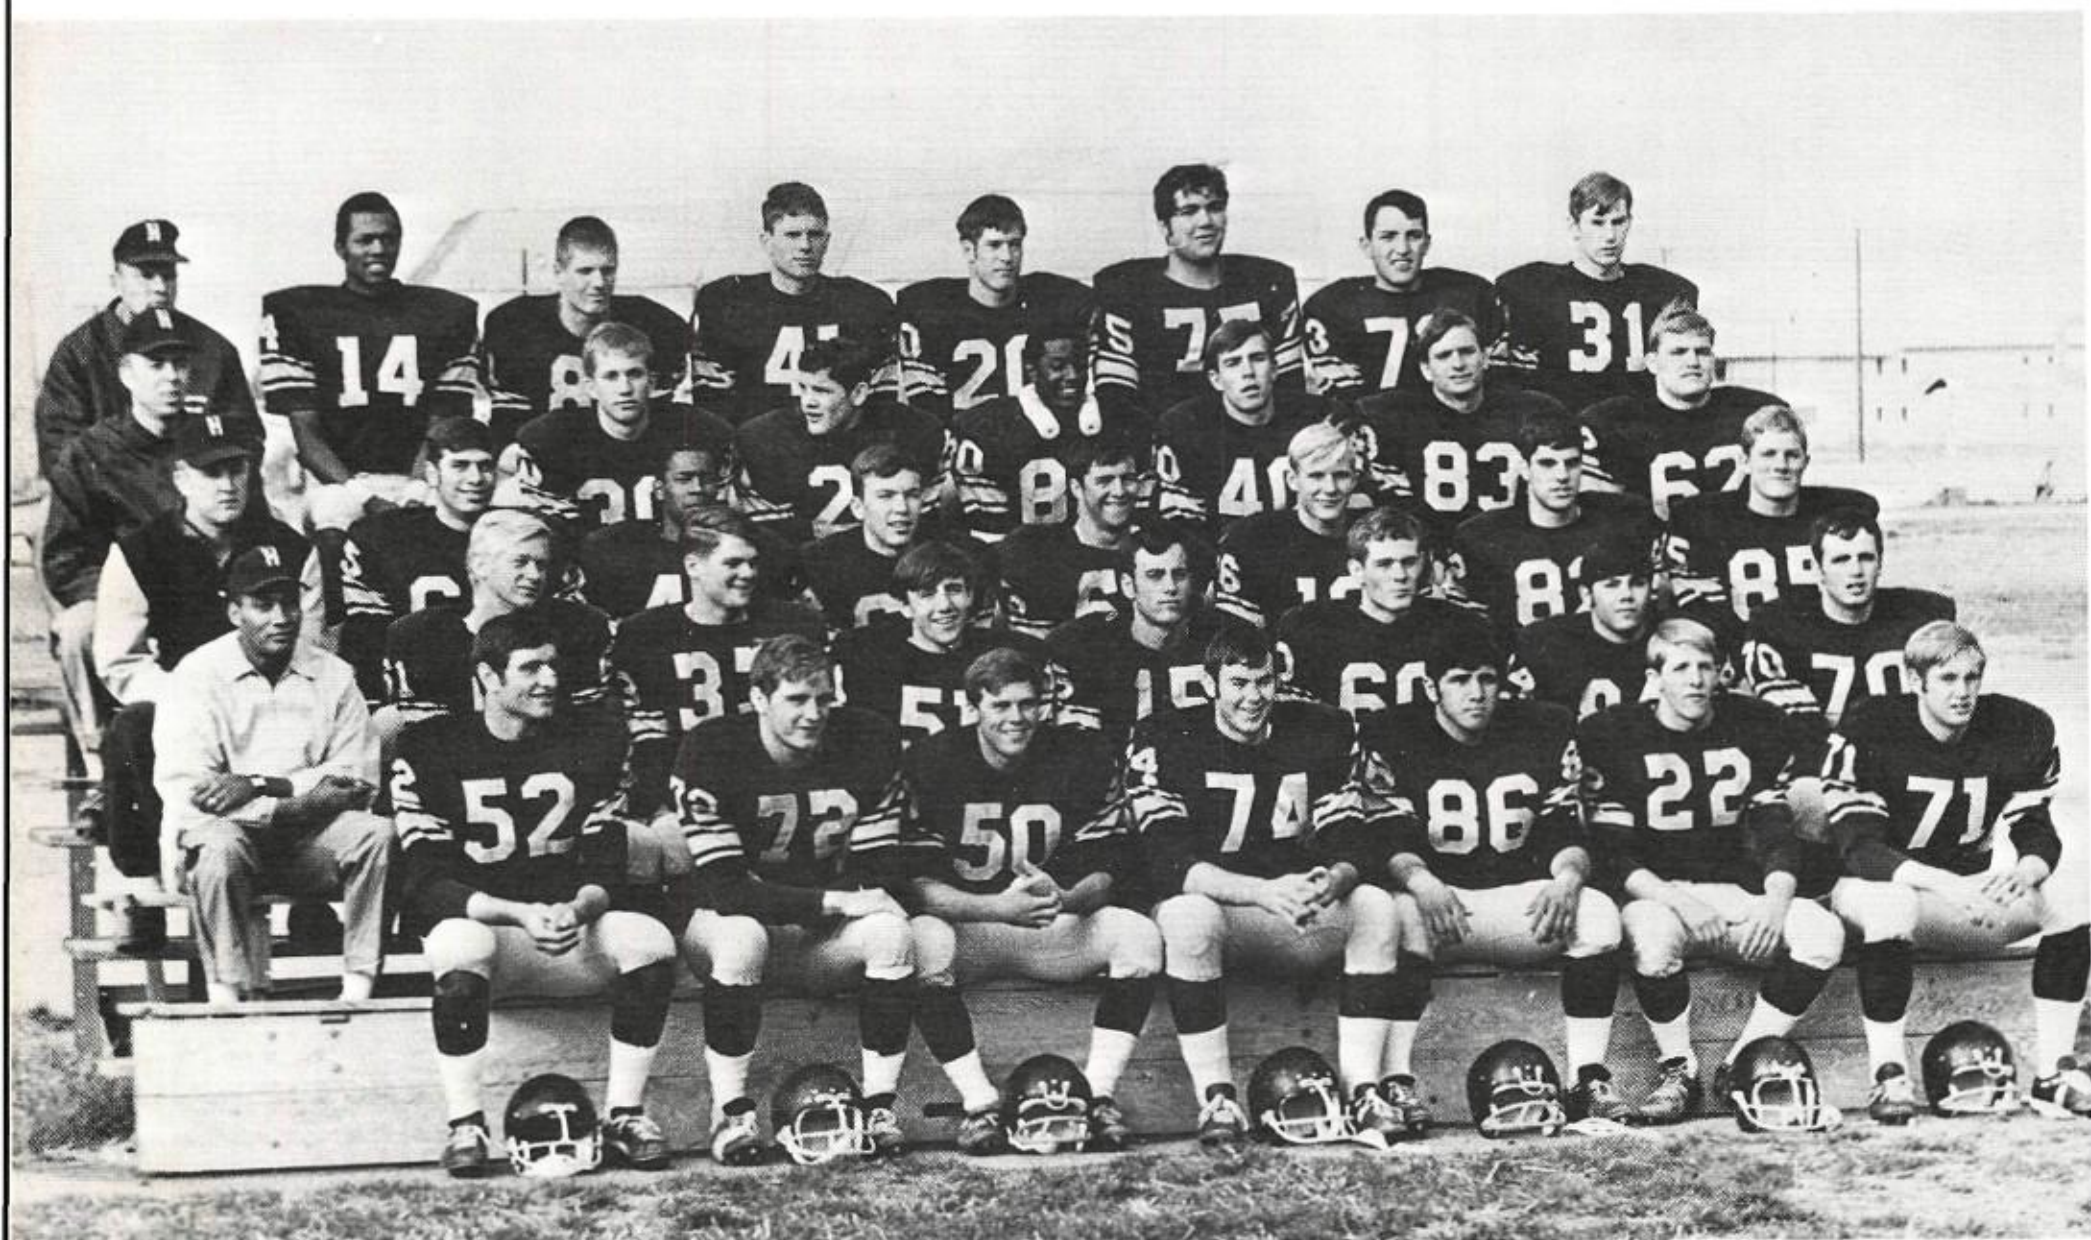

November 15—Highland 38, Santa Fe 0

In the final game for 19 seniors, HHS held Santa Fe to minus 25 yards rushing.

Coach Dave Church's Bees were undefeated for the 1968 season. Their eight victories and one tie kept their undefeated string alive at 16. Their last loss was to Manzano last year. This year they took the city championship behind the running of Dave Powdrell and Mike Gomez and the passing of Jerry Smith. Sandia finished second in the city with a 7-1-1 record.

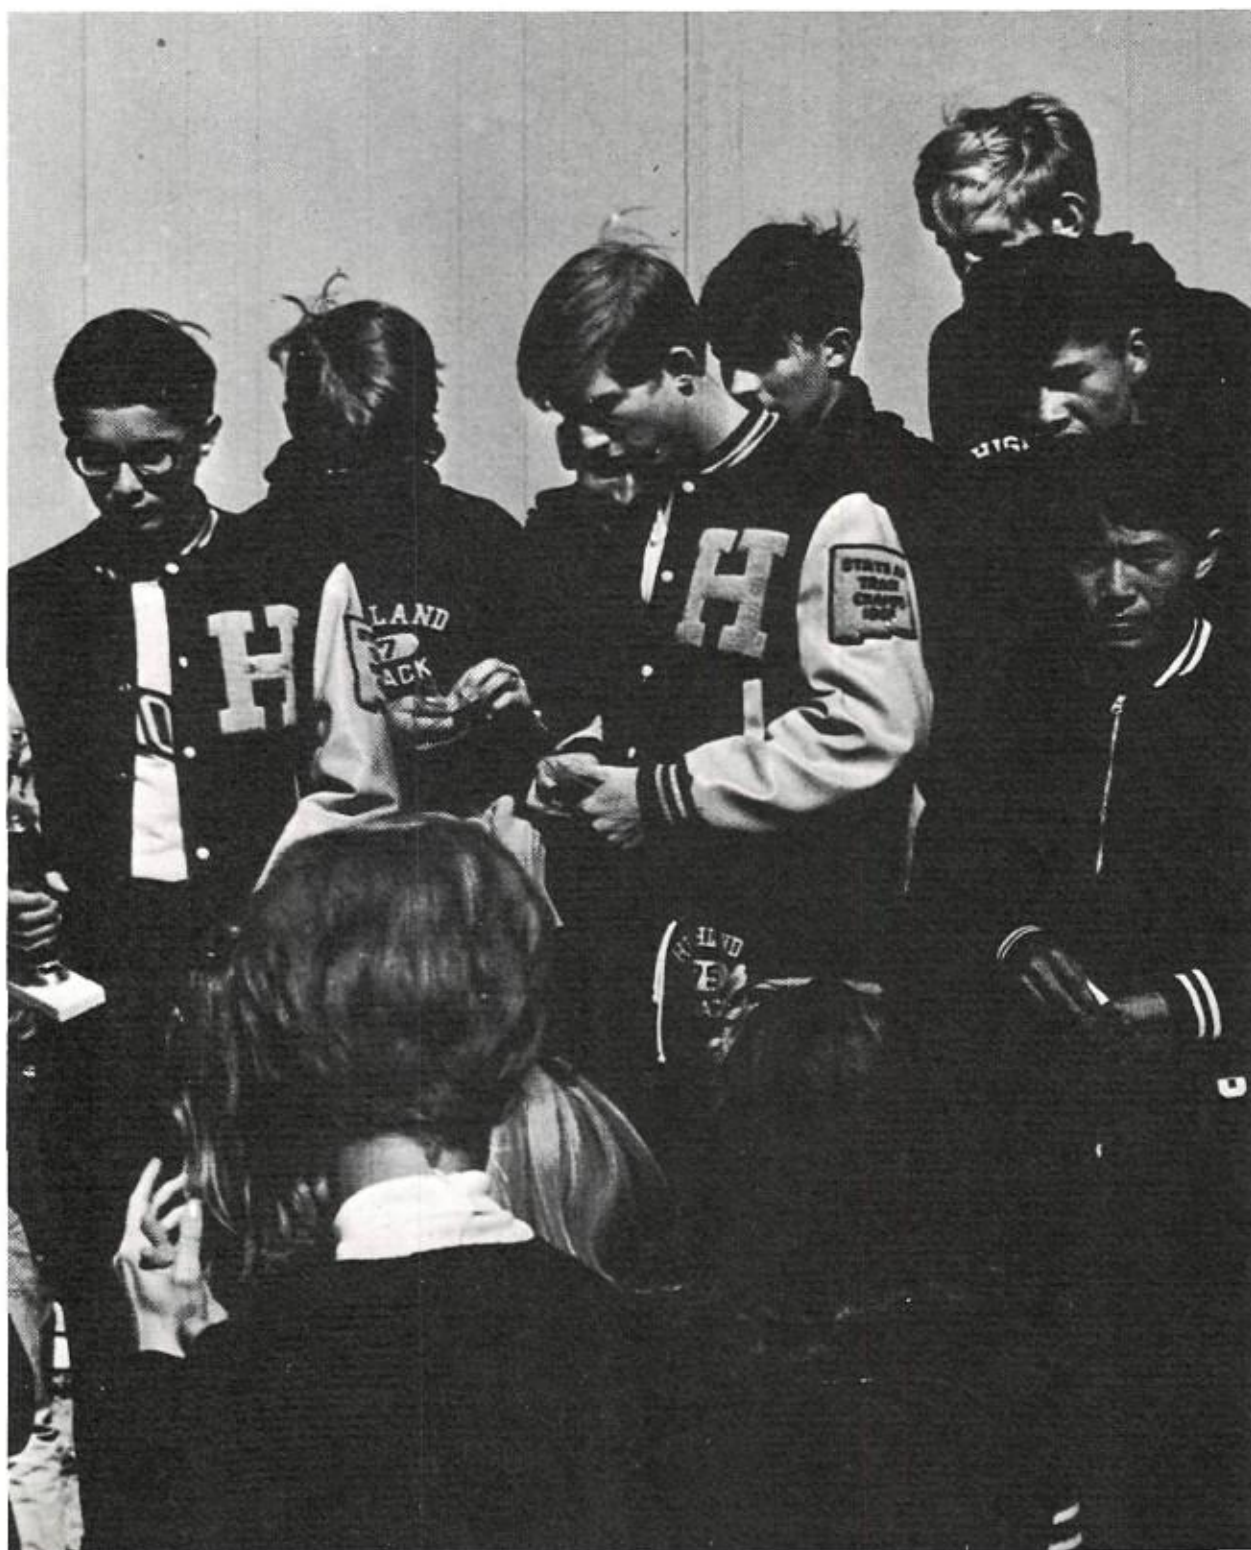

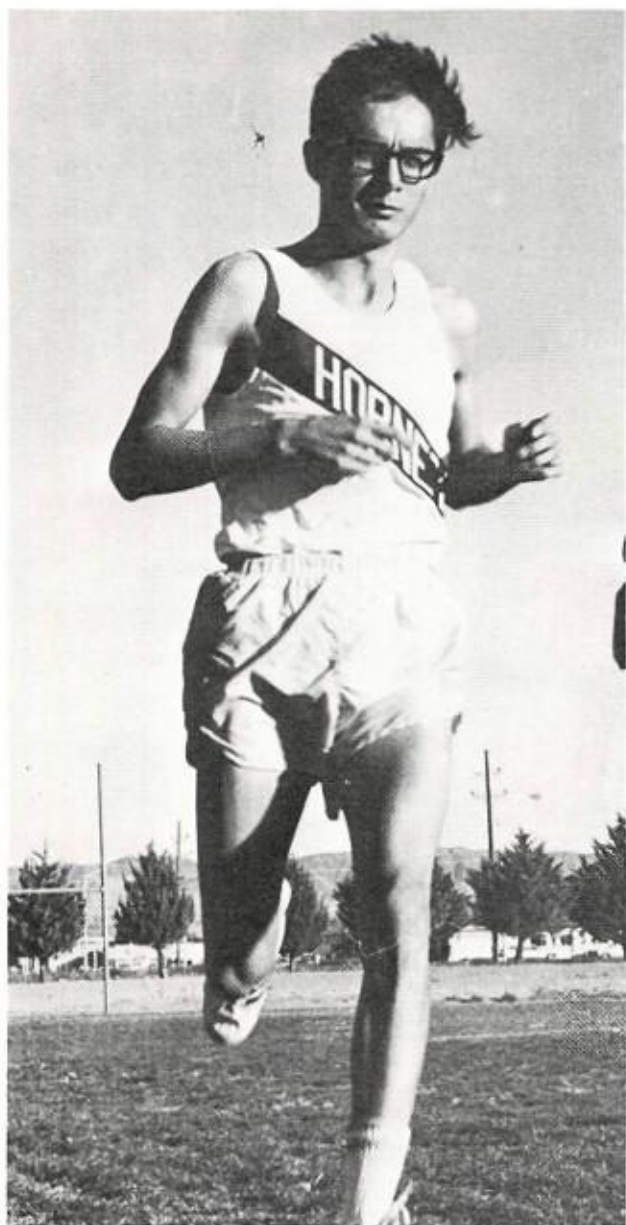

Coach Sanchez' Harriers Take AA Championship

Led by senior Steve Lynch, the Highland cross-country team captured the state championship on November 16, at Roswell. Lynch placed second in the state meet behind Rick Rojas of Los Alamos. Junior William Ayers took fourth, senior Ken Wilson ninth, junior Ernie Torrez tenth, and senior Jeff Wagner twentieth, as Highland outdistanced all competition. The Hornets won all but two meets this year and took the district championship over Del Norte and Albuquerque. It was the second straight state title for Highland.

HHS Golfers Are Tough Competitors

The Highland golf team coached by Tom Hogg and Lee Hubble faced considerable competition for the district and state championships from Del Norte and Sandia. Led by returning letterman Bill Griffin, the Hornets traveled daily to Los Altos golf course in almost all kinds of weather conditions. The long hours of practice paid off in the long run, however.

HHS Sports Another Fine Track Team

The defending state champ, Highland, was again expected to demonstrate its superiority in track and field. Coach Sanchez's tracksters, with a host of returning lettermen and a few new faces, stood a good chance of taking state again in 1969. Returnees Robert Crawford and Mike MacEachen were strong in the 440 and relays. With the help of lettermen Bernie Bowers, Allen Hisey, and Glen Anderson, the relays were in great shape. Hisey and speedster Robert Proctor handled the shorter dashes. Distance races were also strong points, with most of the varsity cross-country team taking care of that department. Senior Steve Ross specialized in shot put and discus, and Roger Ruvolo handled the javelin. Pole-vaulting again for Highland was junior Brad Winter.

Hornets Strong In Most Running Events

21-6 Season Record Carries HHS Into State Title Game

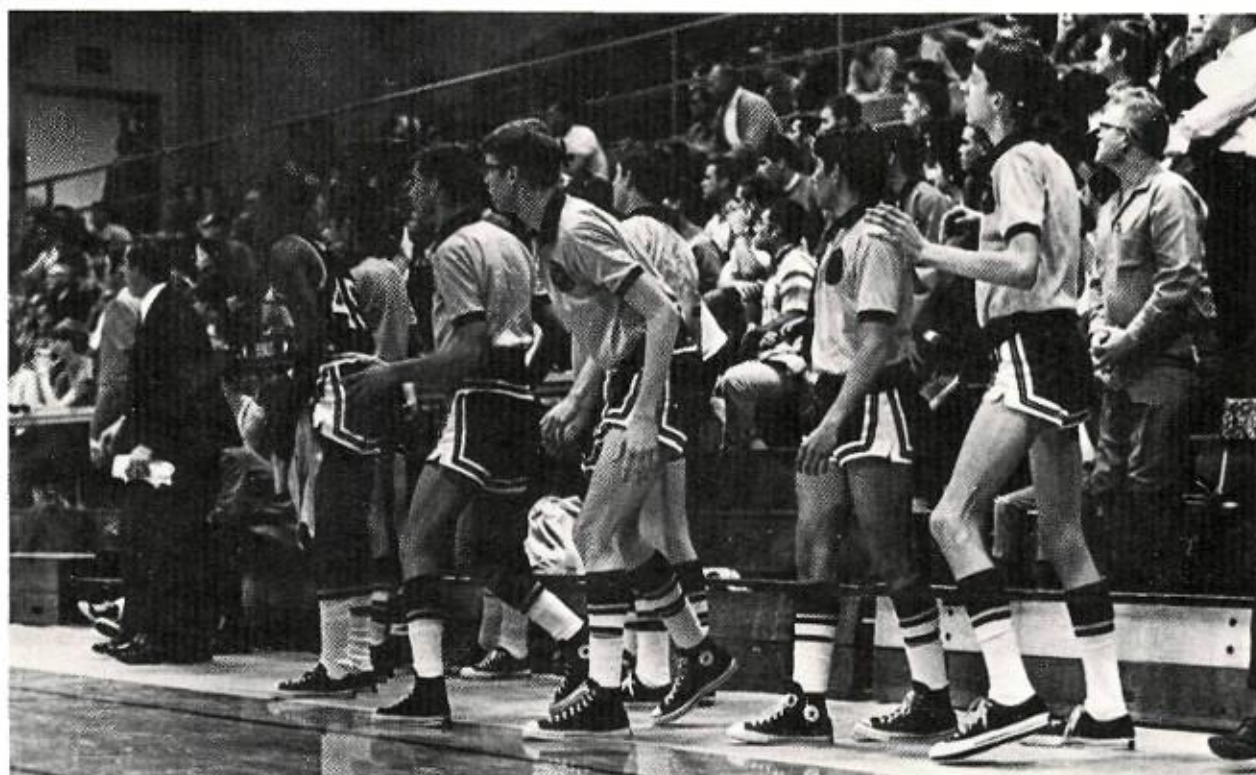

After a slow start, Highland finally turned into the contender it was supposed to be. A split with two Amarillo schools opened the season, and the following week the Hornets won their first home game over El Paso High. Following their third place finish in their own tournament, the Hornets ventured to Farmington where they were trounced, 98-66. The next night, Highland

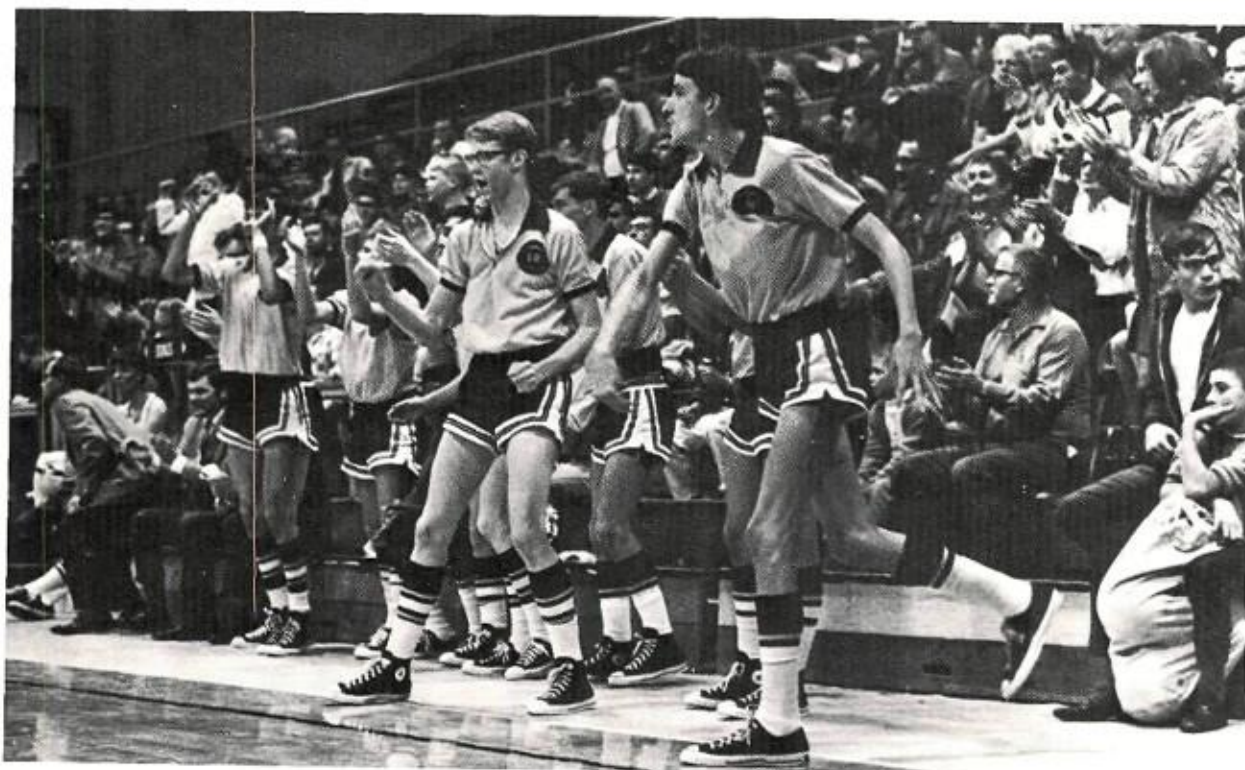

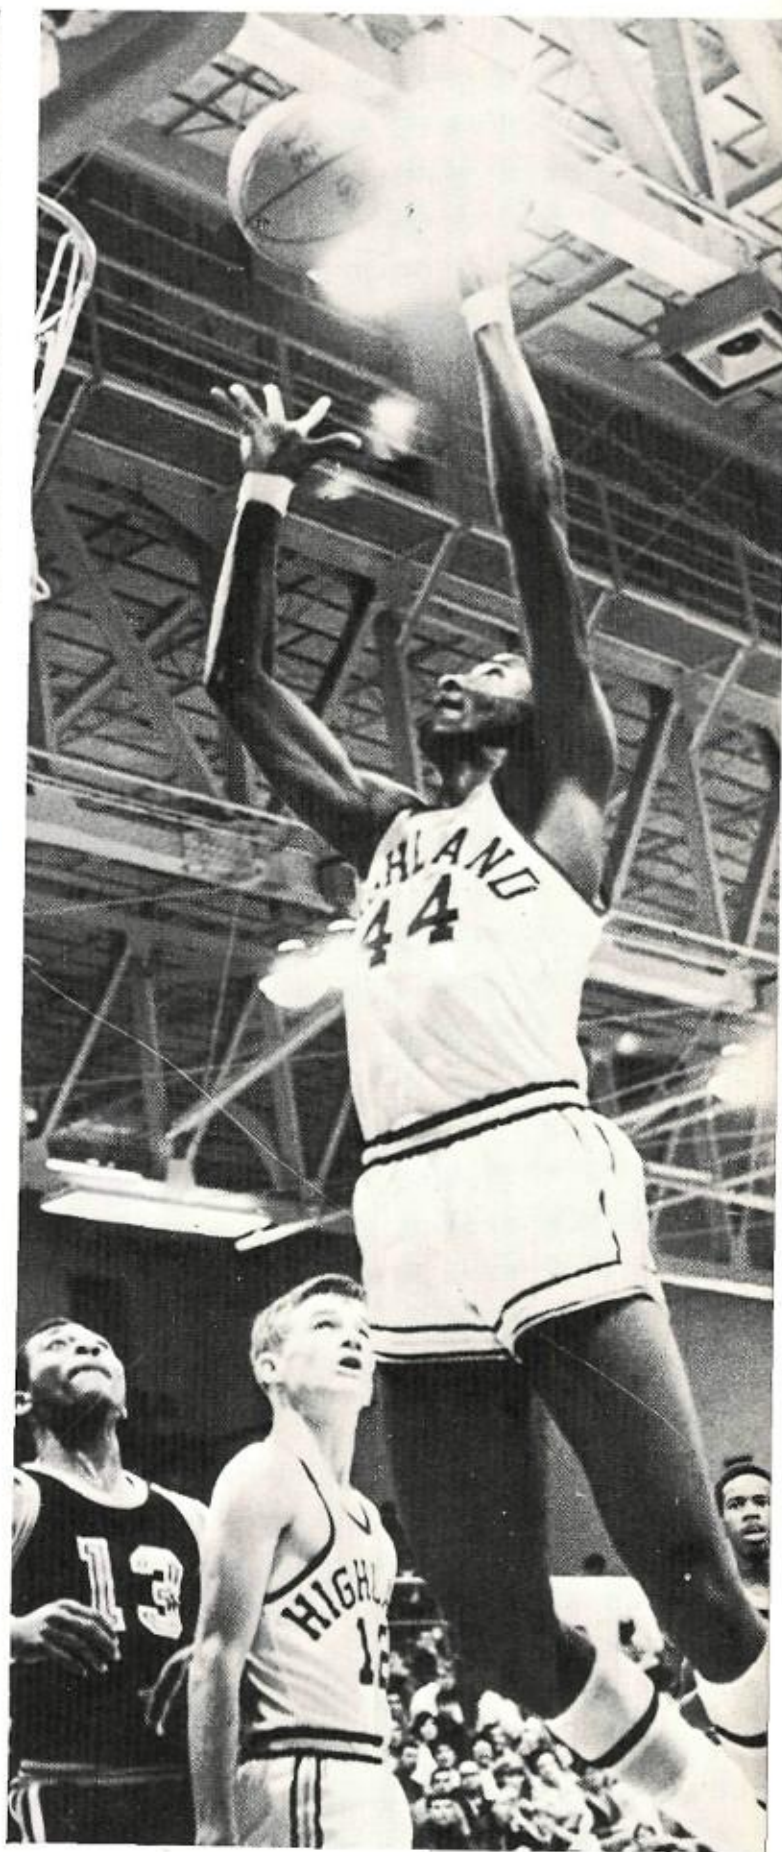

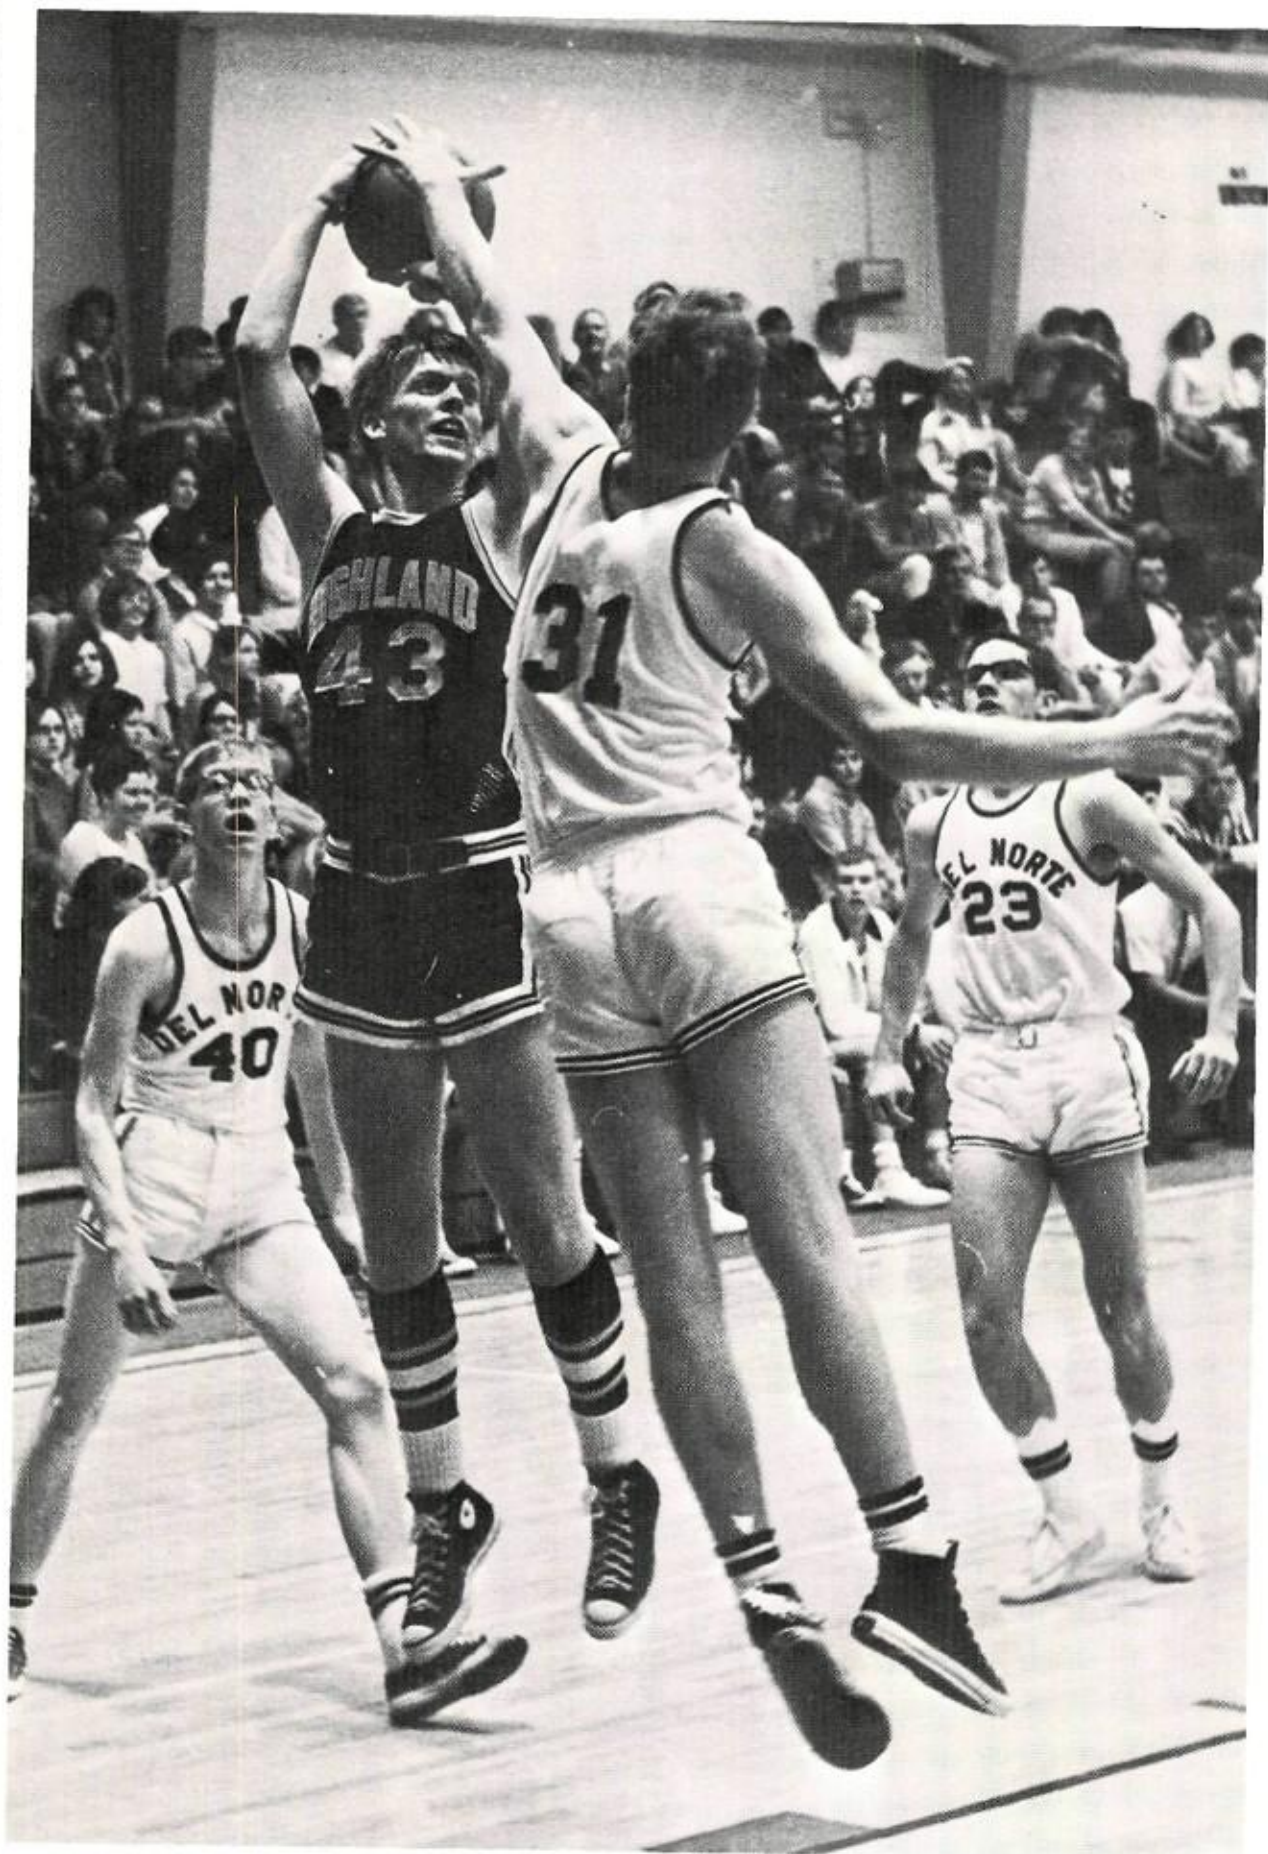

opened the Dist. 2AA season by beating Del Norte. Things began to move more smoothly as HHS took care of eight consecutive district opponents including two victories over Sandia. Highland began anticipating its two meetings with West Mesa High on February 14 and 21, perhaps too much, as they were knocked off by Manzano 54-52 on February 12. A crowd of 2,000 jammed itself into West Mesa's crackerbox gym to see the Mustangs shade HHS 58-56 in overtime in their first meeting. With sworn revenge, Highland dropped West Mesa's record to 17-2 by beating them 70-65 on February 21 at Highland before 4,000 fans. Highland finished the season by edging Albuquerque High and Valley. West Mesa and the Hornets ended in a tie. HHS lost the flip of the coin which gave them second seeding in the District 2AA tournament at Civic Auditorium. Albuquerque and Manzano finished third and fourth.

The Hornets romped over Del Norte, Albuquerque High, and West Mesa for the district title. In the state tournament, Jim Moseley's 19 assists led HHS to an easy 70-51 win over Roswell. It was Moseley again the following day who was the man of the hour, as he sank a high arching, last-second shot to shock Farmington, 68-67, sending HHS into the finals against high-scoring Hobbs. The Eagles took an early lead only to see Highland roar back to grab a 28-27 advantage. The rest of the game belonged to Hobbs, as their fullcourt press took its toll and, along with it, the state championship.

3rd Straight Championship For Bees

With a veteran team, Coach Bobby Gibbs' Highland Bees took the city championship for the third consecutive year. Leading the Bees in scoring this year was John Goodwin who averaged about 16 points per game. Also high in scoring were Henry Garcia and Brian Zamora. Rebounding leaders were John Goodwin, Jon Christenson, and Dan Wegmann. The Bees with a 17-4 season record lost games only to Del Norte, Bernalillo, West Mesa, and Albuquerque. Seeded first in the B-team tournament held at Valley High on March 3, 4, and 5, the Bees advanced to the finals by beating Santa Fe and Manzano. In the championship game, the Bees defeated Sandia, bringing them their third straight championship.

Coach Hughes' Sophomores Fare Well

Highland's sophomore team, the Wasps, posted a 12-8 record this year. They placed fourth in a sophomore team tournament held at St. Pius High School, in December. Sophs Harold Clopton, Keith Holden and Ed Lopez played both sophomore ball and on the B-team. Leading scorer for the Wasps was Harold Clopton, who averaged over 12 points a game. Other high scorers were Keith Holden and Frank Gentry. The high rebounders were Harold Clopton and Ed Lopez. Up until this year, the Wasps played between 13 and 15 games a season, but this year a twenty game season was played, including the sophomore tournament. Many players showed great potential for future Bee and varsity basketball teams.

Tim Russell, Terry Carr, Sportsman Runners-Up

On the tennis court, very few people could compare with Tim Russell. Tim lettered in his sophomore year for Coach Al Kaplan's Highland netters. In his junior year under Coach Ken Burnam, he dominated the city play, as he triumphed in district and was the state singles champion in leading HHS to the championship. This year, Coach Richard Ness was expecting another fine performance from a great competitor, Tim Russell.

A tough competitor, Terry Carr has shown great desire in football and baseball. In his sophomore year, he played B-team football and baseball, and soph basketball. Terry lettered in football in his junior year and was the ace pitcher on Coach Hayes' baseball team. This year, he earned a starting spot at end on the football team and was expected to be the top hurler again for the baseball squad. Highland can be justly proud of Terry Carr.

Sportsman Of The Year — Bryan Charlton

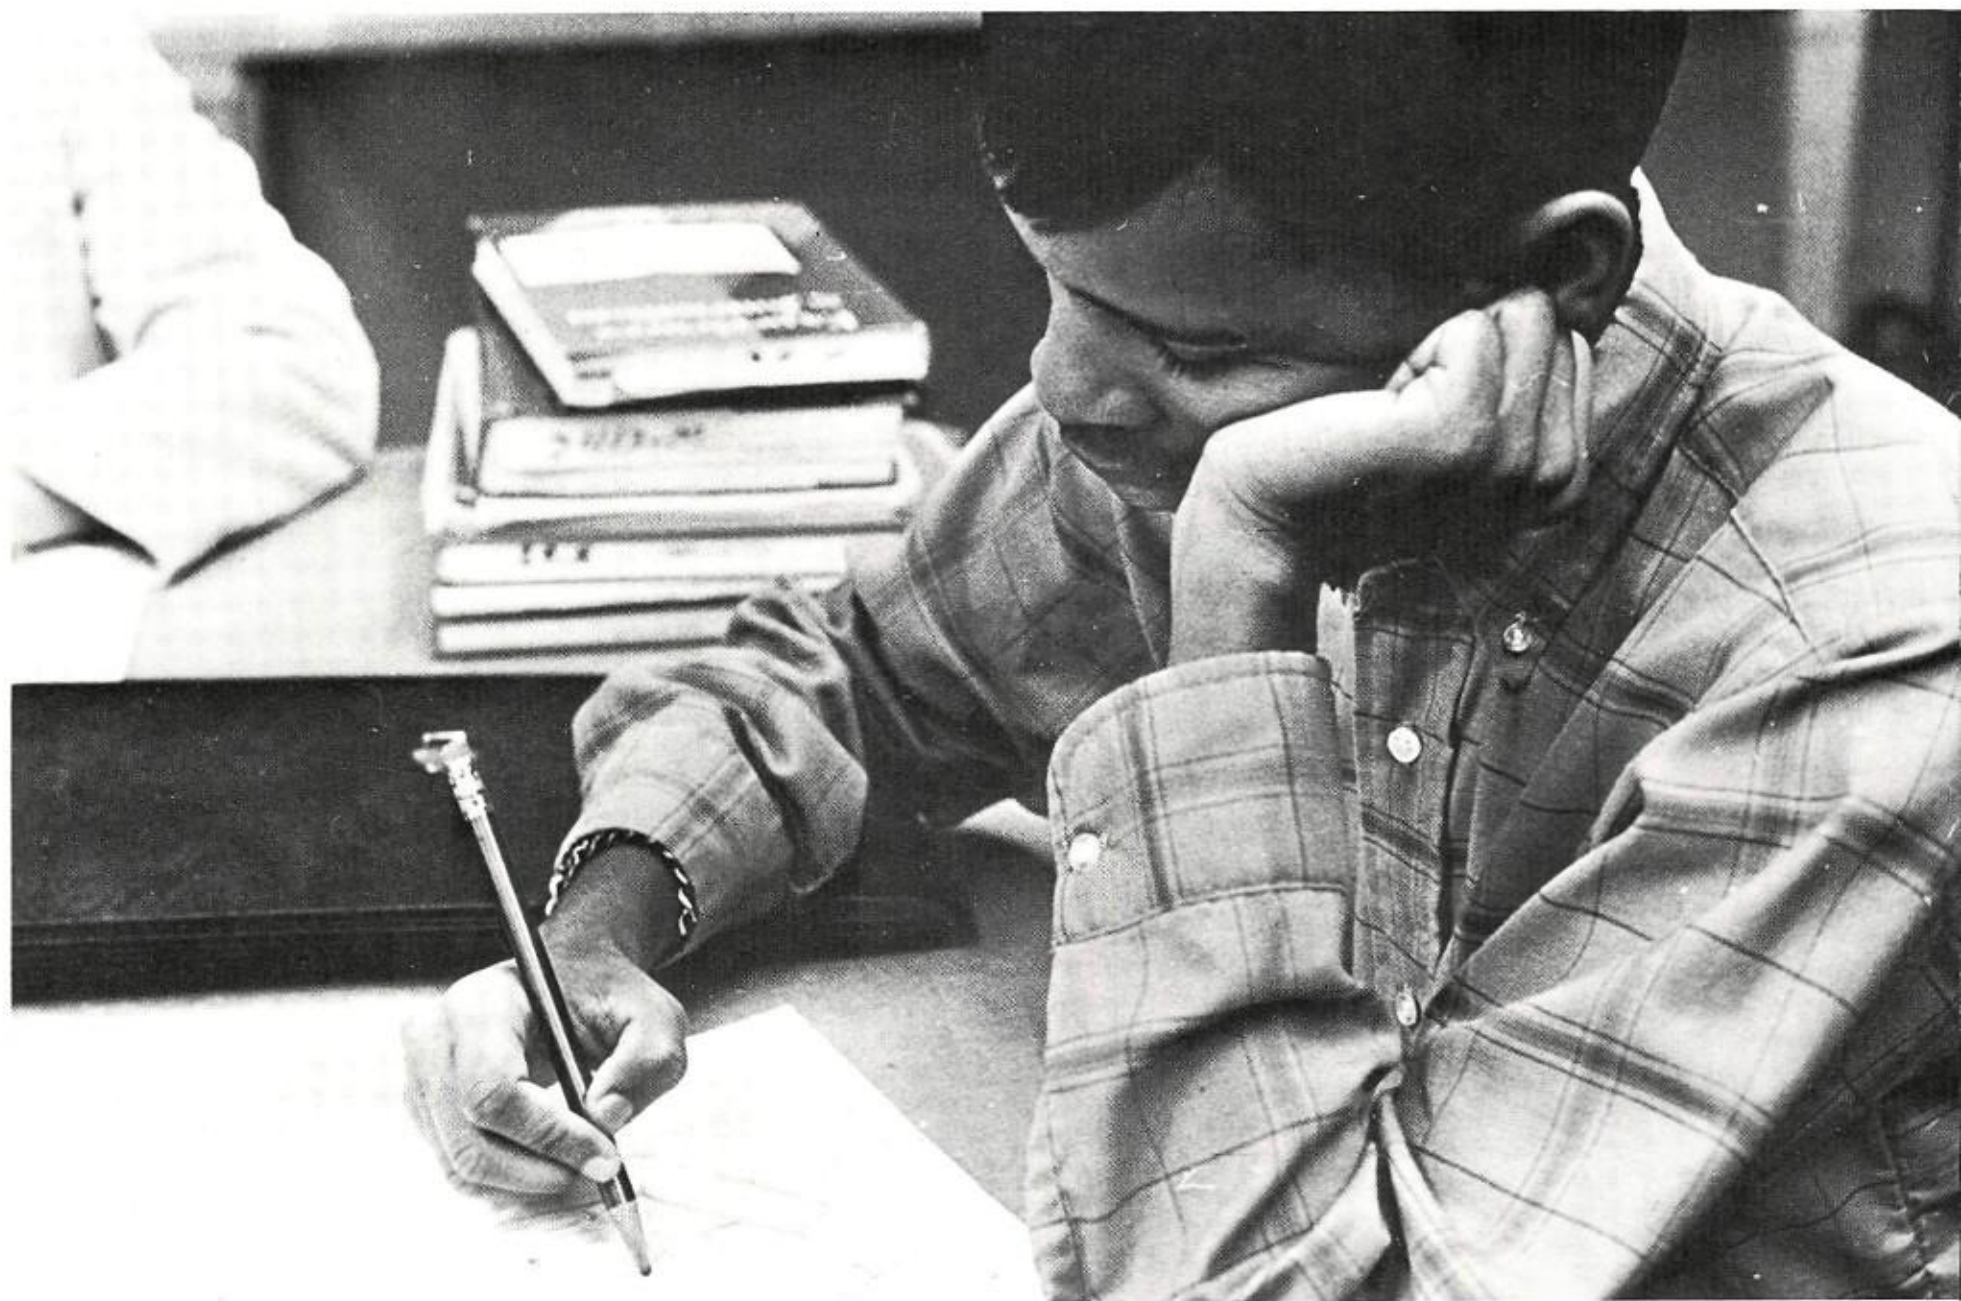

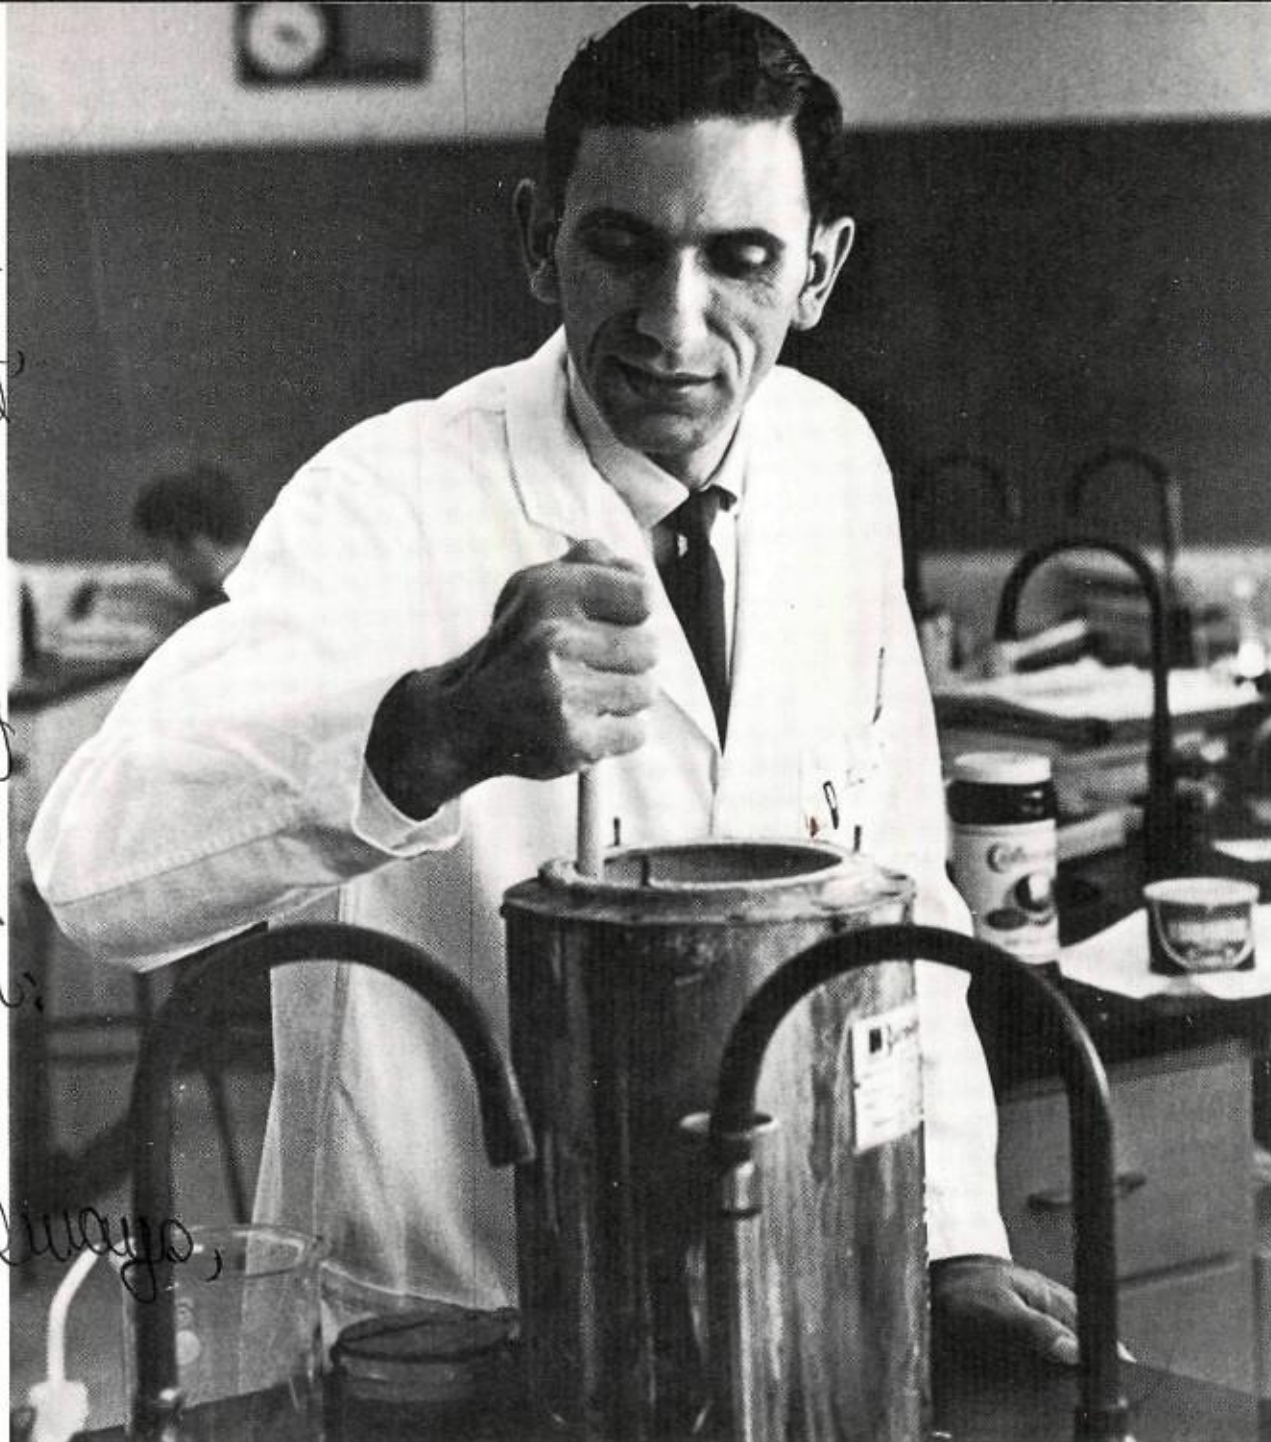

A wrestler and a football player, Bryan Charlton was one of Highland's finest athletes in 1968-69. A member of the Bees in his sophomore year, and the varsity last year, Bryan was a starting end for Coach Gentry's football team this year. A back injury sidelined him midway through the wrestling season, but he returned to the mat later on to capture third place in district and fourth in state, a fine showing by a true sportsman, Bryan Charlton.

"Interim Year" Problems Beset HHS Administrators In '68-'69

The mail trays are quickly emptied by the principal, Mr. Krumm, during a normal day's work at Highland. Here he thoughtfully studies a letter which may affect the fate of some aspect of Highland High School over which he is in charge.

The year 1968-69 has been designated by school officials as an "interim year." Highland's chief administrators, A. D. Krumm and LaRoma Thompson, were faced with the problem of maintaining a complete schedule of classes with an increased enrollment and a staff reduction of ten teachers from last year.

Mr. Krumm's office was primarily responsible for policy development and program planning. Mrs. Thompson was responsible for the implementation of these programs and policies at Highland.

Mr. Krumm, principal of Highland High School, studies a report connected with his job of running one of Albuquerque's largest schools.

With more than 500 students each to assist with registration, college applications, testing programs, and personal problems, counselors are necessarily limited to the time they can spend with each student.

The staff, headed by Mr. James Walker, is composed of Mr. Jack Steck, Mrs. Anna Ulrich, Mrs. Jo Ann Krueger, and Mrs. Mary Caccamise. The counselors endeavor to make themselves available to all students when they are needed.

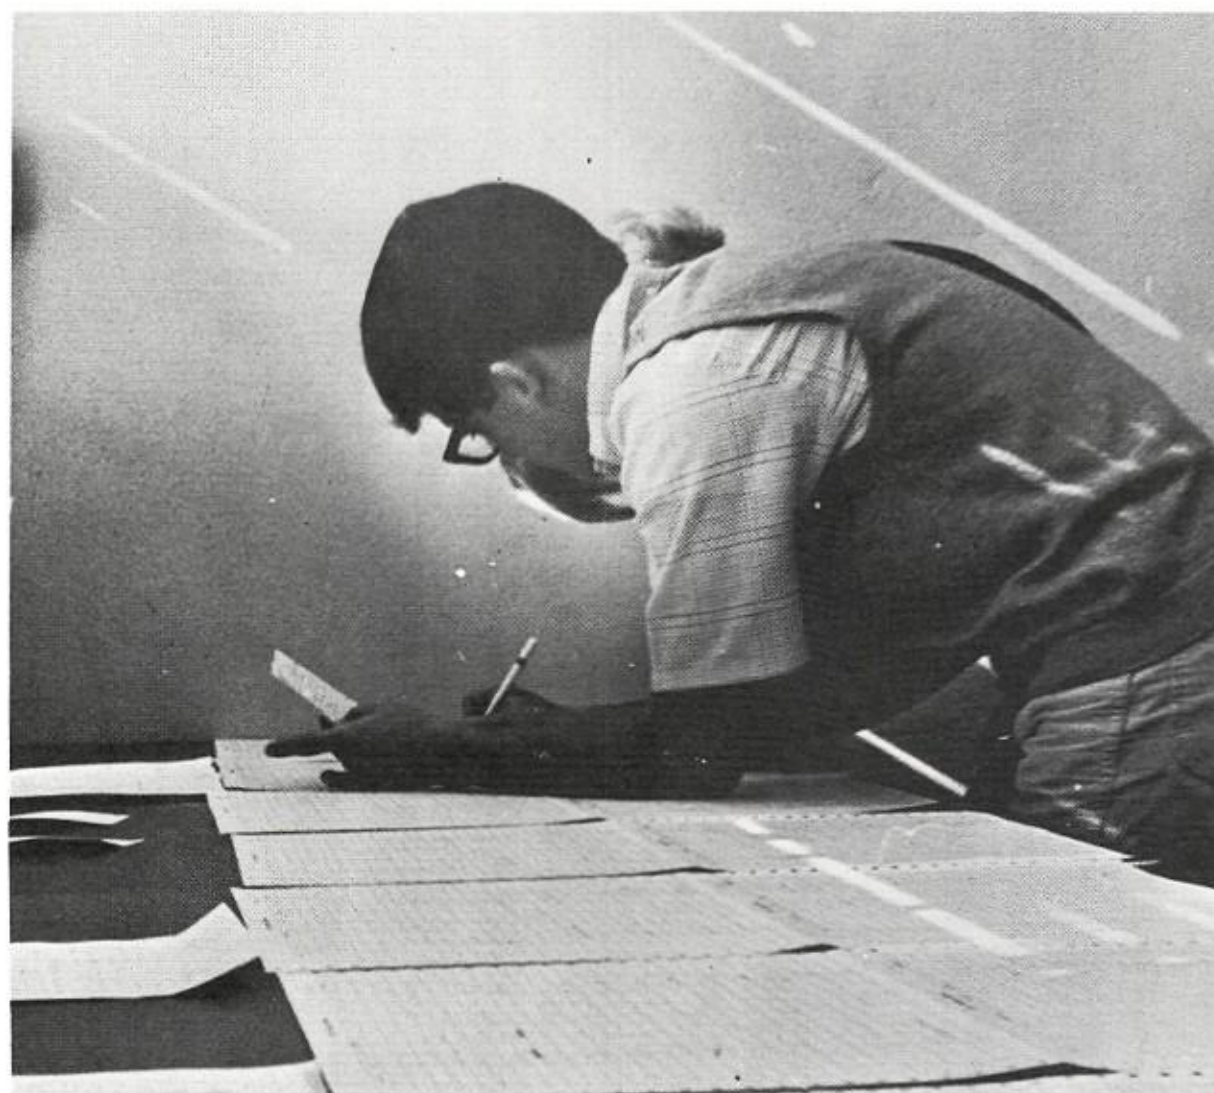

Much of the testing program which was formerly provided by APS was discontinued this year because of the lack of funds.

Mr. Mickey Miller, Attendance Director, runs one of the most popular offices at Highland. Each morning students stand in line to get their admit slips for the previous day from Mrs. Parmley or Mrs. Sikich. The attendance clerks make many phone calls a day checking on the absences of students. In December, we began to operate through the use of data processing machinery for attendance records.

An innovation in the area of janitorial service was made at Highland this year, when the responsibility for cleaning the buildings was placed in the hands of a commercial janitorial service. Three custodians were retained to serve throughout the school hours. Dan Lucero remained in charge and was aided by Waldo Sanchez and Alfonso Calderone.

Personnel changes and equipment acquisitions were the major changes within the Business Education Department. Arnold Blech, who had served as Department Head for 11 years resigned that position and was replaced by Bill Manire.

Distributive Education was dropped from the department's curriculum as a casualty of the school's austerity program. Two shorthand rooms were equipped with individual listening stations which aided in the development of skill.

McDaniel Retires At Year's End

Highland High School and the Albuquerque Public Schools loses one of its fine teachers this year when Mr. Earl C. McDaniel retires from teaching.

Born in Oklahoma, but reared in New Mexico, Mr. McDaniel has served the public schools of this state for 43 years as a teacher, principal and superintendent. He came to Highland when it opened and served as Head of the Science Department until he resigned that position in 1968.

Holder of three college degrees—BS, MS, and MA—Mr. McDaniel studied at New Mexico A&M College, University of Michigan and the University of New Mexico. He has taught all grades from elementary through high school, college classes, adult classes and night school. He served as Superintendent of Schools at Mosquero, Logan, and San Jon, New Mexico.

"Mr. Mc" has been active in the NMEA, NEA, and ACTA—professional organizations for teachers. He is a retired Captain in the United States Air Force.

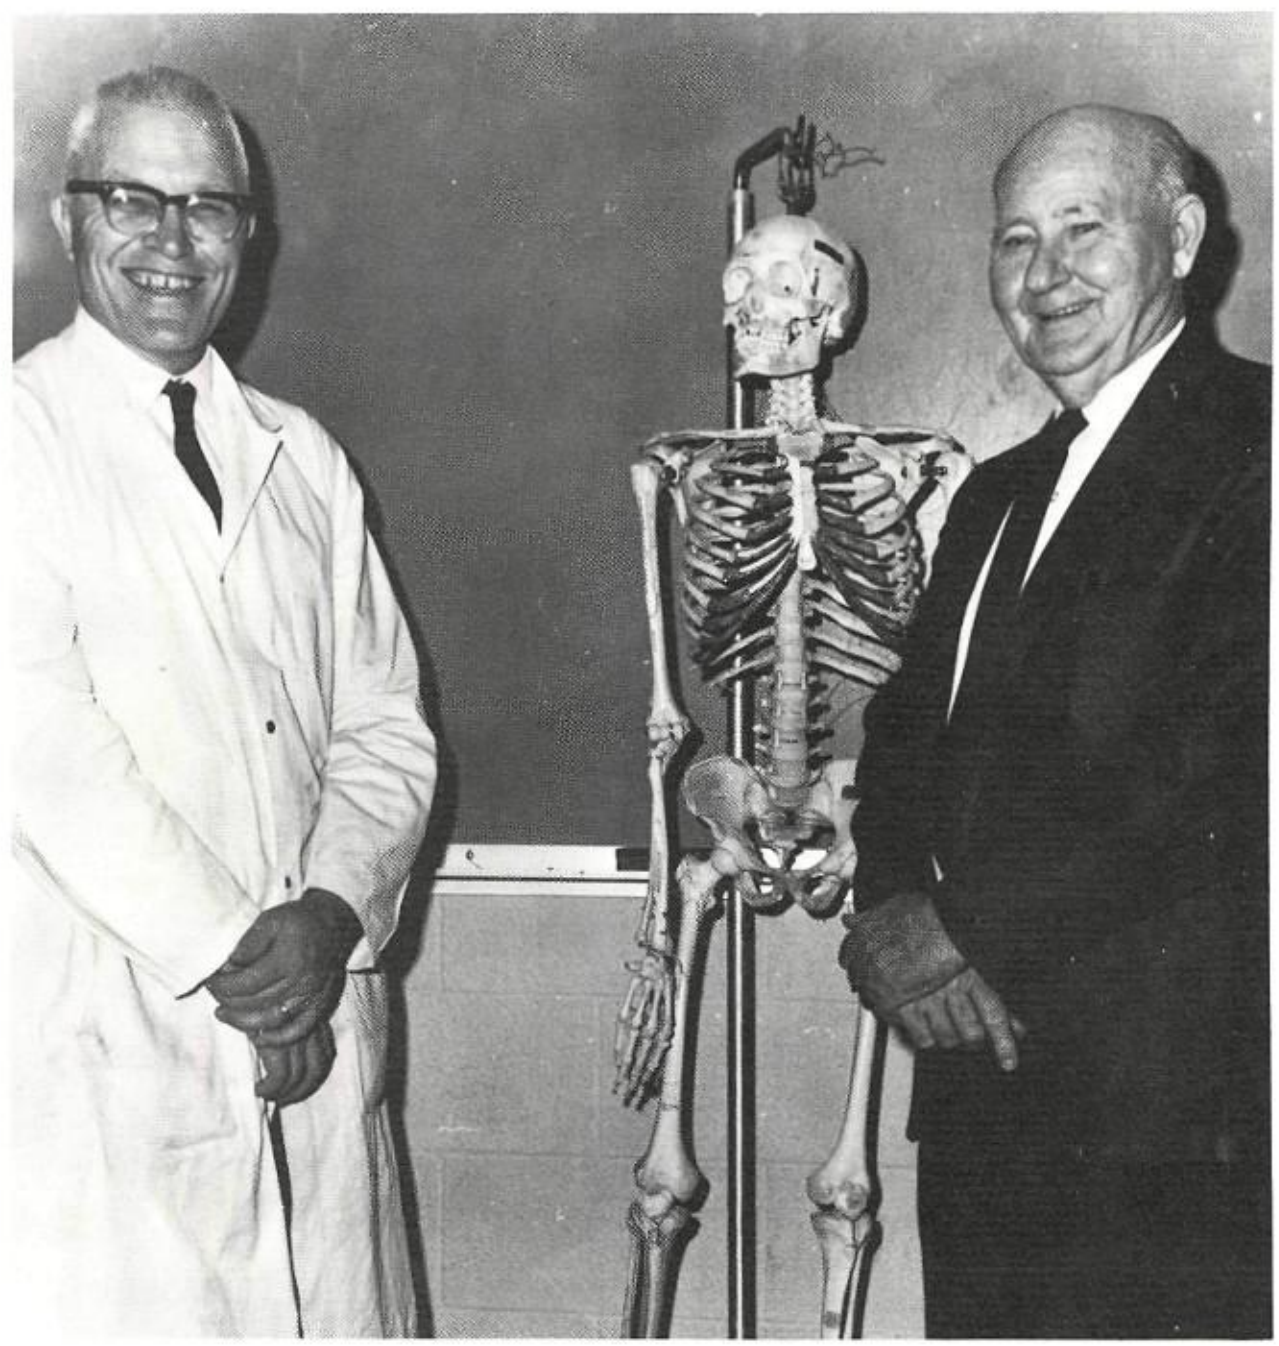

Held in high regard by his colleagues, Mr. McDaniel will be missed when school opens again in the fall.

Overcrowded classes is probably the most accurate description of the Science Department this year. Two teachers were lost from the department and not replaced due to the school's financial woes. Marshall Floyd was appointed to succeed Earl McDaniel who resigned last year as Head of the Science Department.

Psychology was added to the listings of this department after being moved from the History Department for administrative reasons. Chuck Roberts was added to the staff.

Naval Junior Reserve Officer Training Corps Commissioned At Impressive Ceremonies

Formally commissioned at an impressive ceremony on November 4 in the gymnasium, the Highland Company of the Naval Junior Reserve Officer Training Corps became the second such organization in New Mexico.

Commanded by Commander Hughes, the organization is comprised of approximately 145 boys at all three grade levels. Chief McFall assists Commander Hughes in the instructional program.

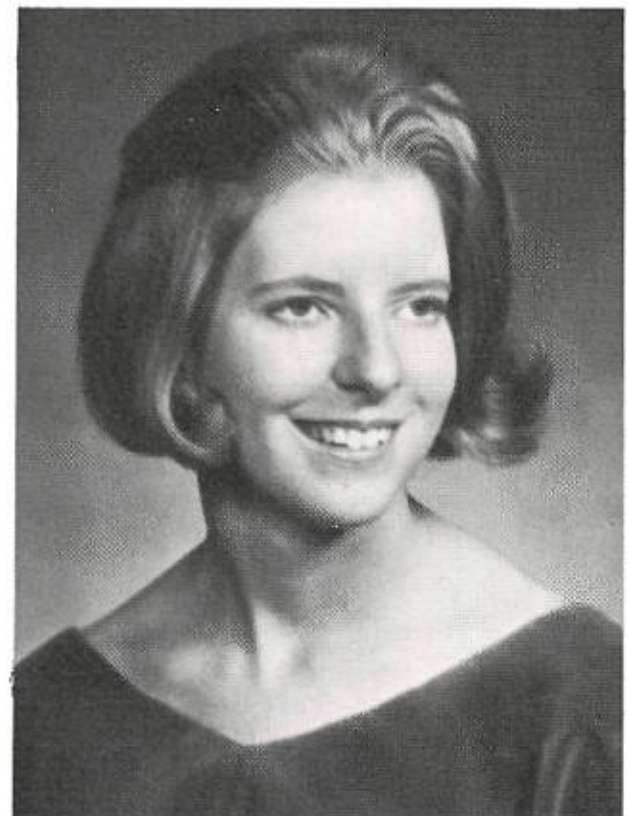

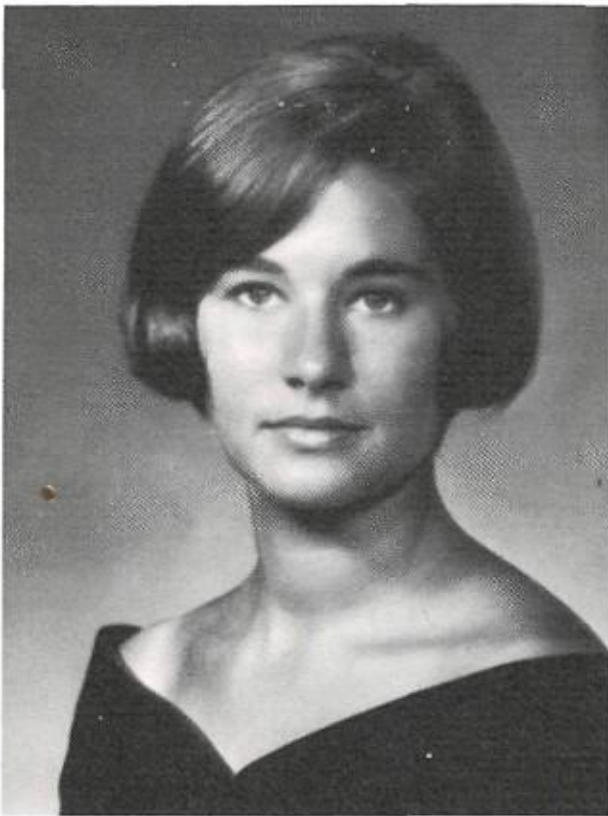

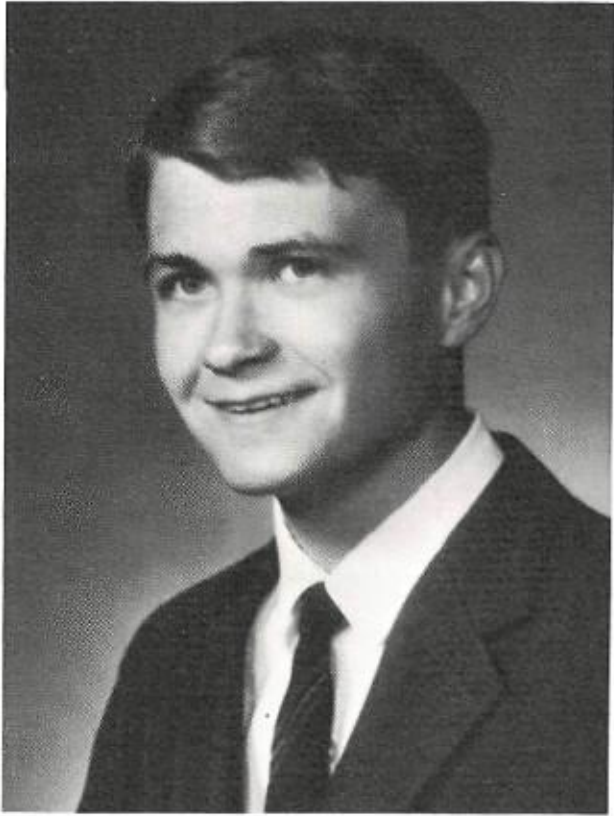

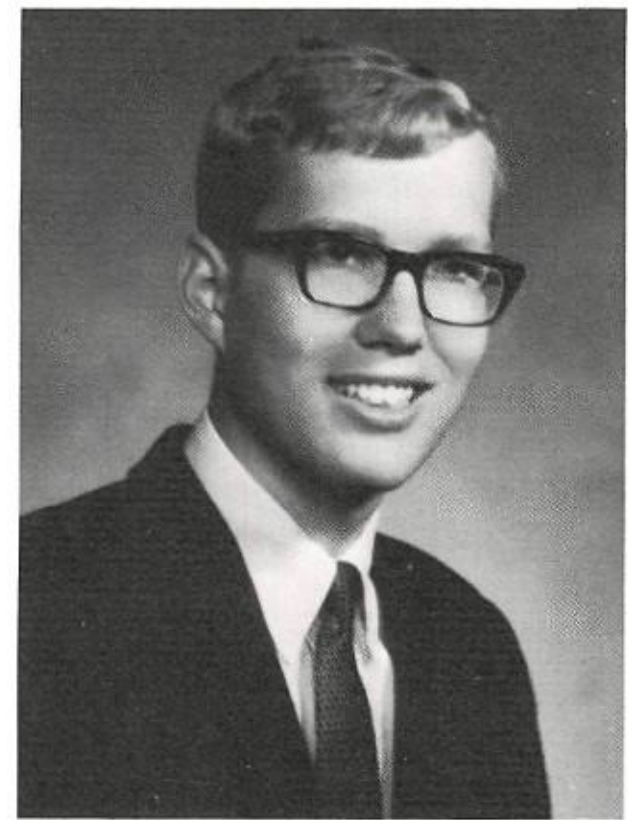

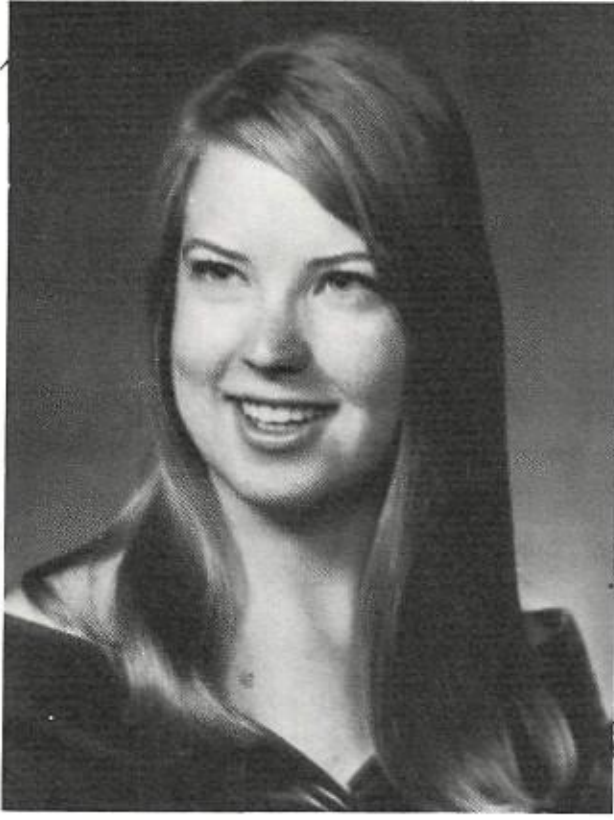

During their classtime, the cadets learn military courtesy, close—order drill, manual of arms, and visit military installations in the area. Uniforms were worn to school on Thursdays of each week.

Eight Students Named Nat'l. Merit Finalists

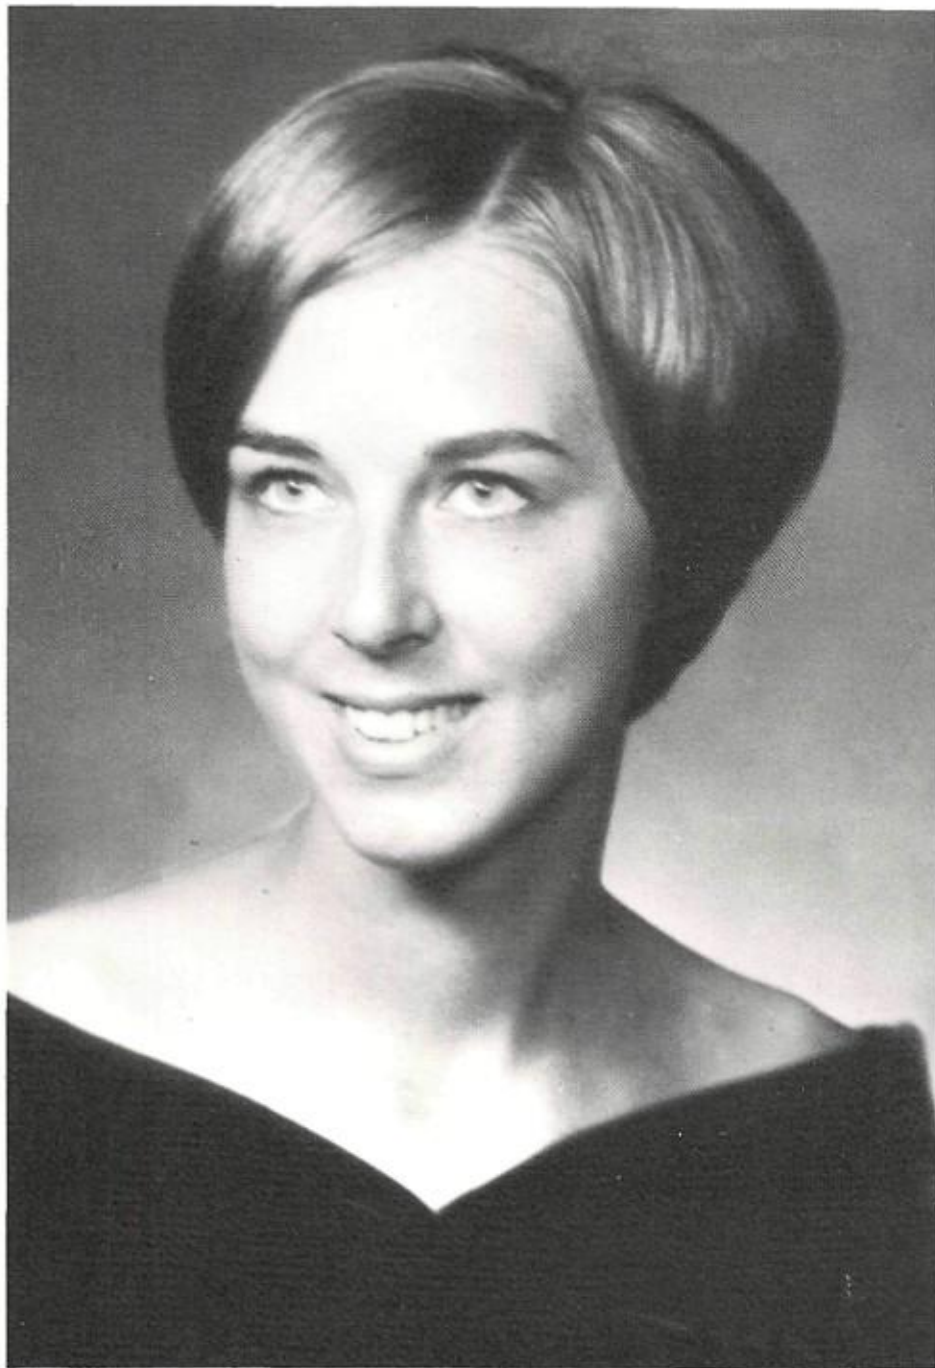

National Merit Scholarship Finalists, *Top:* Elizabeth Cunningham, Anthony Davis, John DuBois. *Center:* John Howard, Sally Hunt, Phyllis Montgomery. *Right:* Cheryl Wise, Steve Yeich.

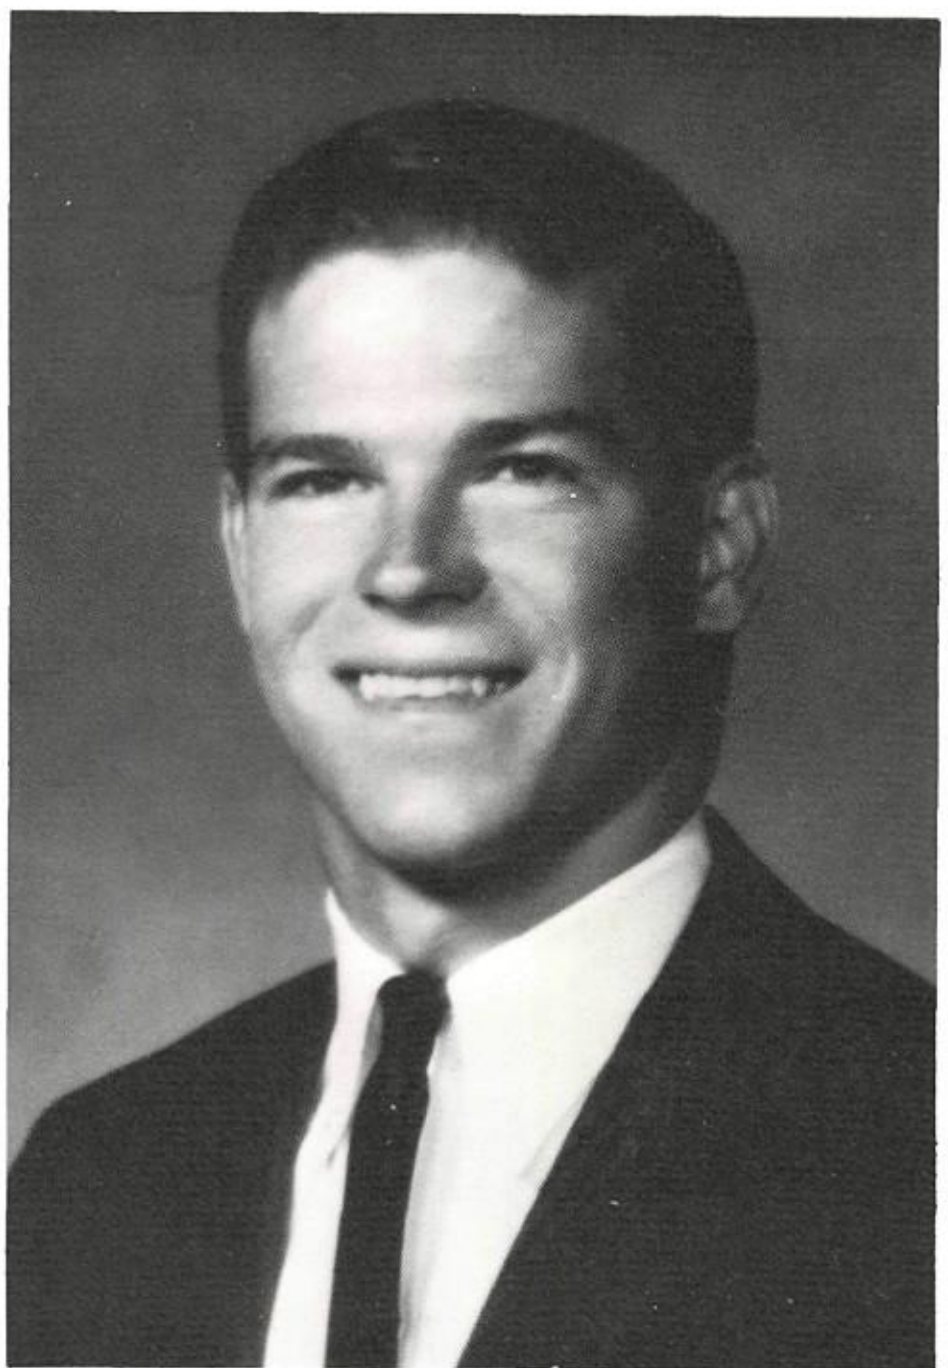

Each year approximately 50,000 students from across the United States take a series of tests known as the National Merit Scholarship Tests. From these thousands of students are selected those who rank high in each state. Highland, in years past, has produced more National Merit Finalists than any other high school in New Mexico. This year it also led all New Mexico schools with a total of eight nationally recognized students.

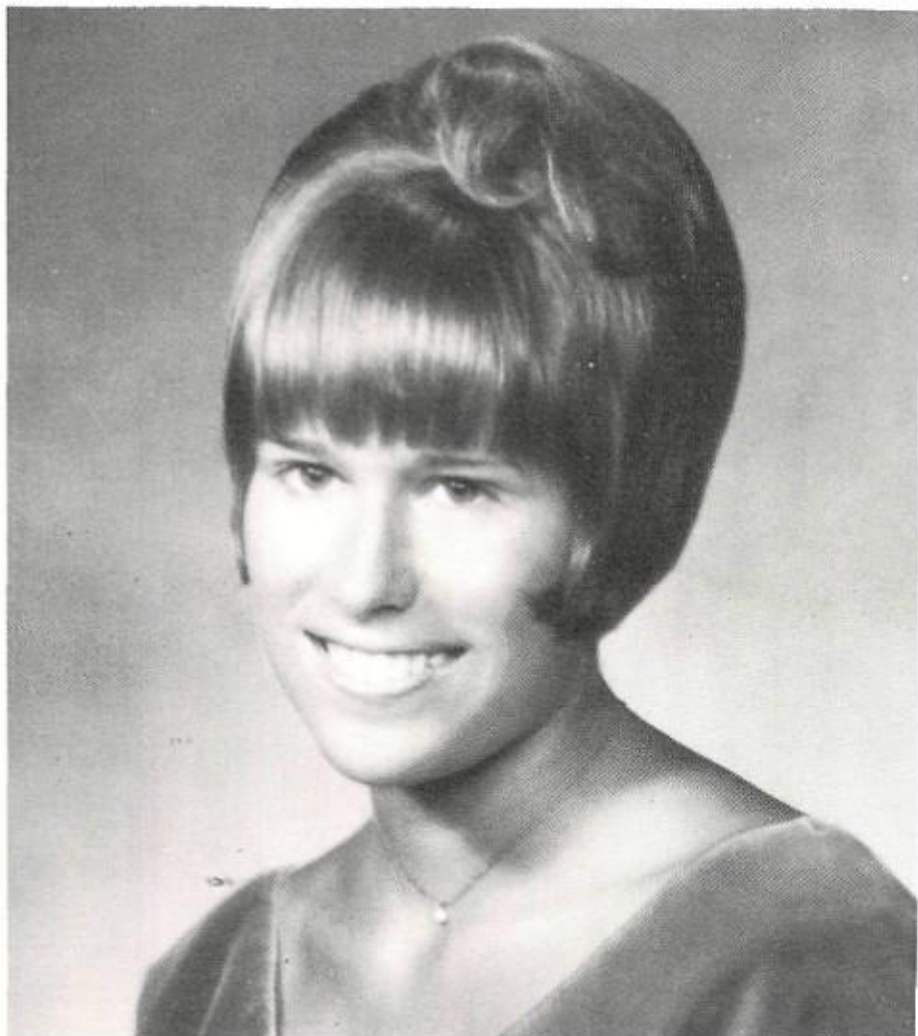

1969 Students Of The Year

DONNA BRYANT

ALLAN HISEY

STUDENTS OF THE YEAR

Highland High School Students of the Year for 1968-69 are seniors Donna Bryant and Allan Hisey. The recipients of this honor are chosen by the administration with the assistance of the counselors. Students of the Year are chosen on the basis of scholarship, citizenship, attitude, and involvement in extracurricular affairs at Highland High School.

DONNA BRYANT—Future Teachers of America District President, Chapter President ... National Honor Society ... Tutoring Program ... Student of the Month ... Albuquerque Youth Council ... Student Council ... National Science Foundation Math Institute ... 3.94 grade average.

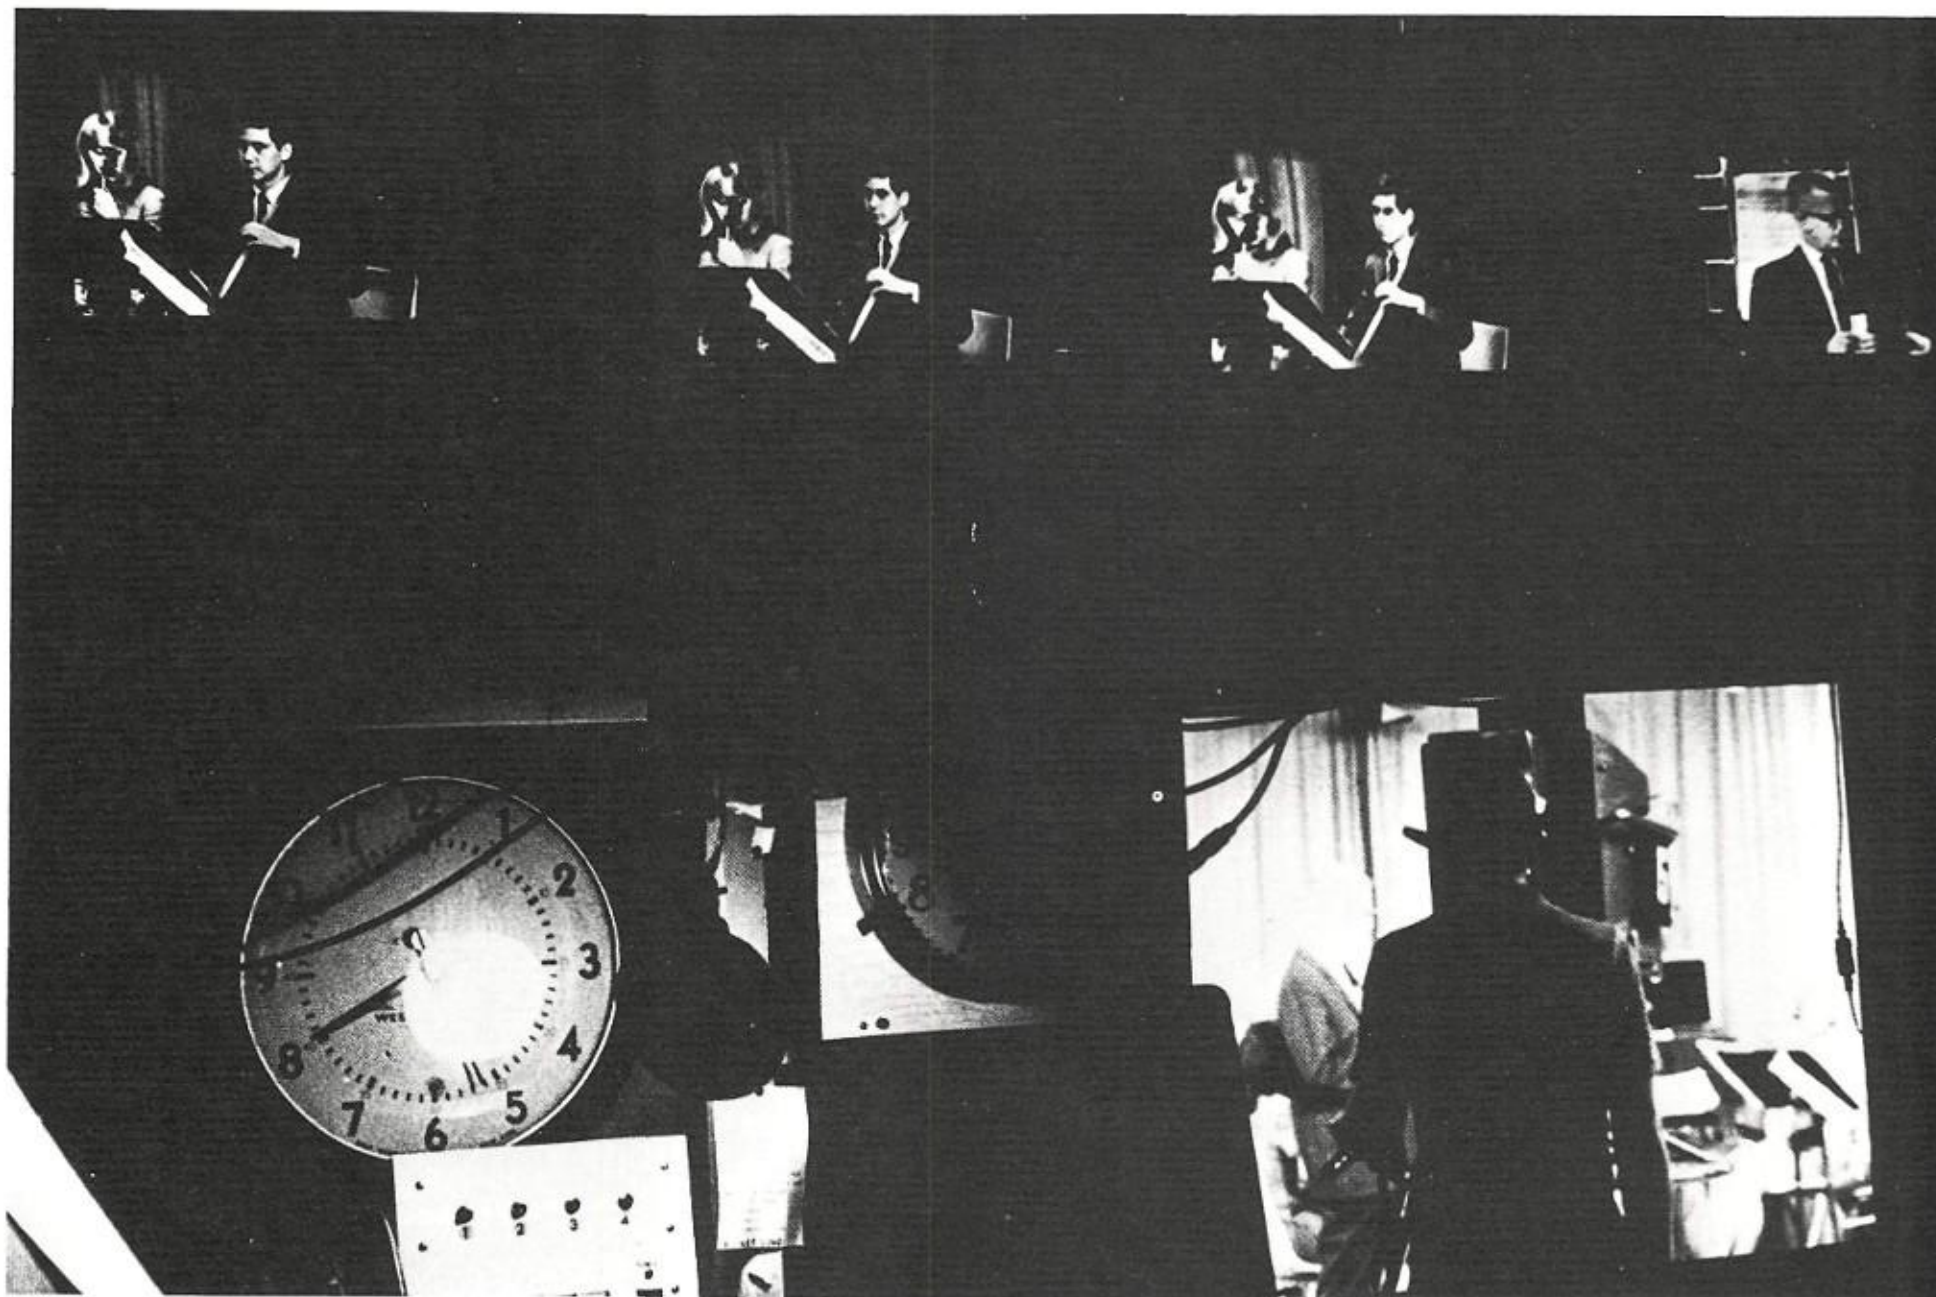

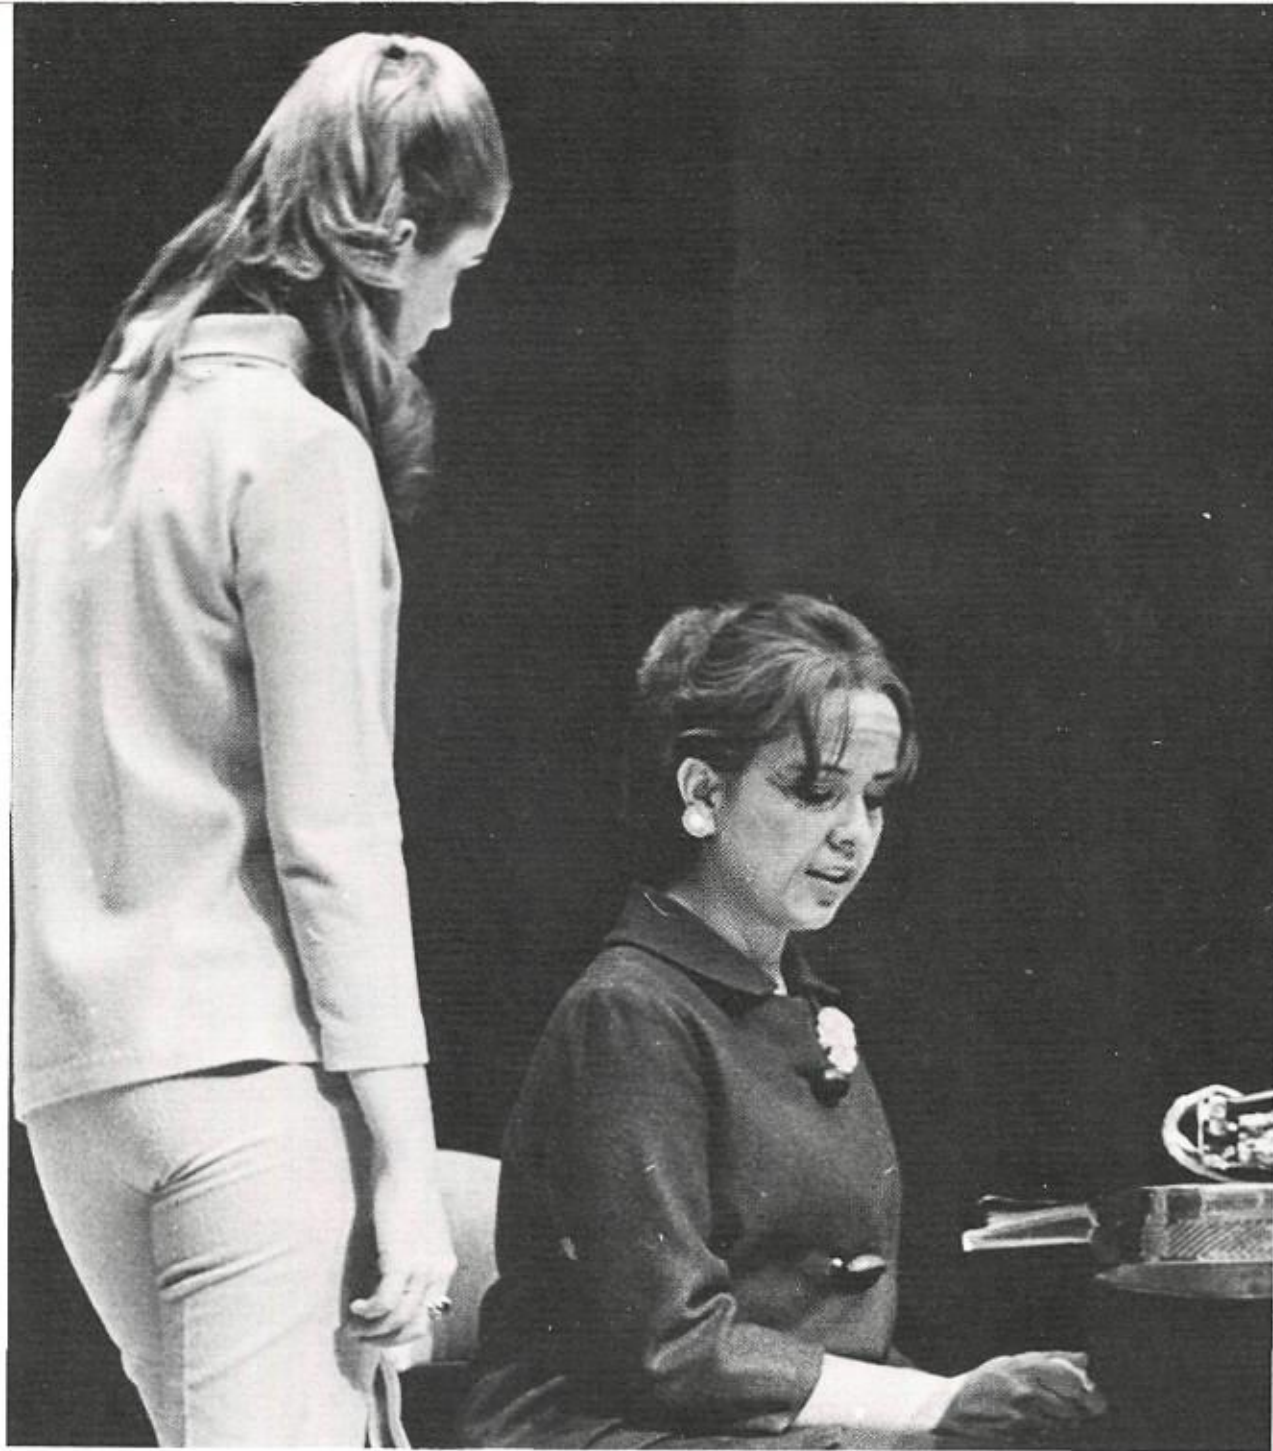

ALLAN HISEY—Student Body and Student Council President ... National Honor Society ... Key Club ... H-Club ... Track Letterman ... Boys' State ... Nominee for West Point Leadership Award ... 3.5 grade average.

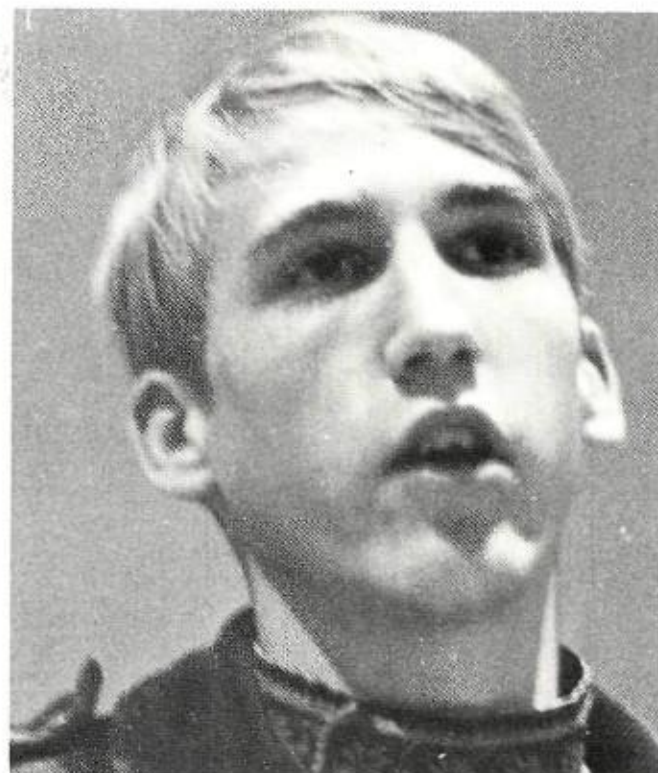

DAR GOOD CITIZEN

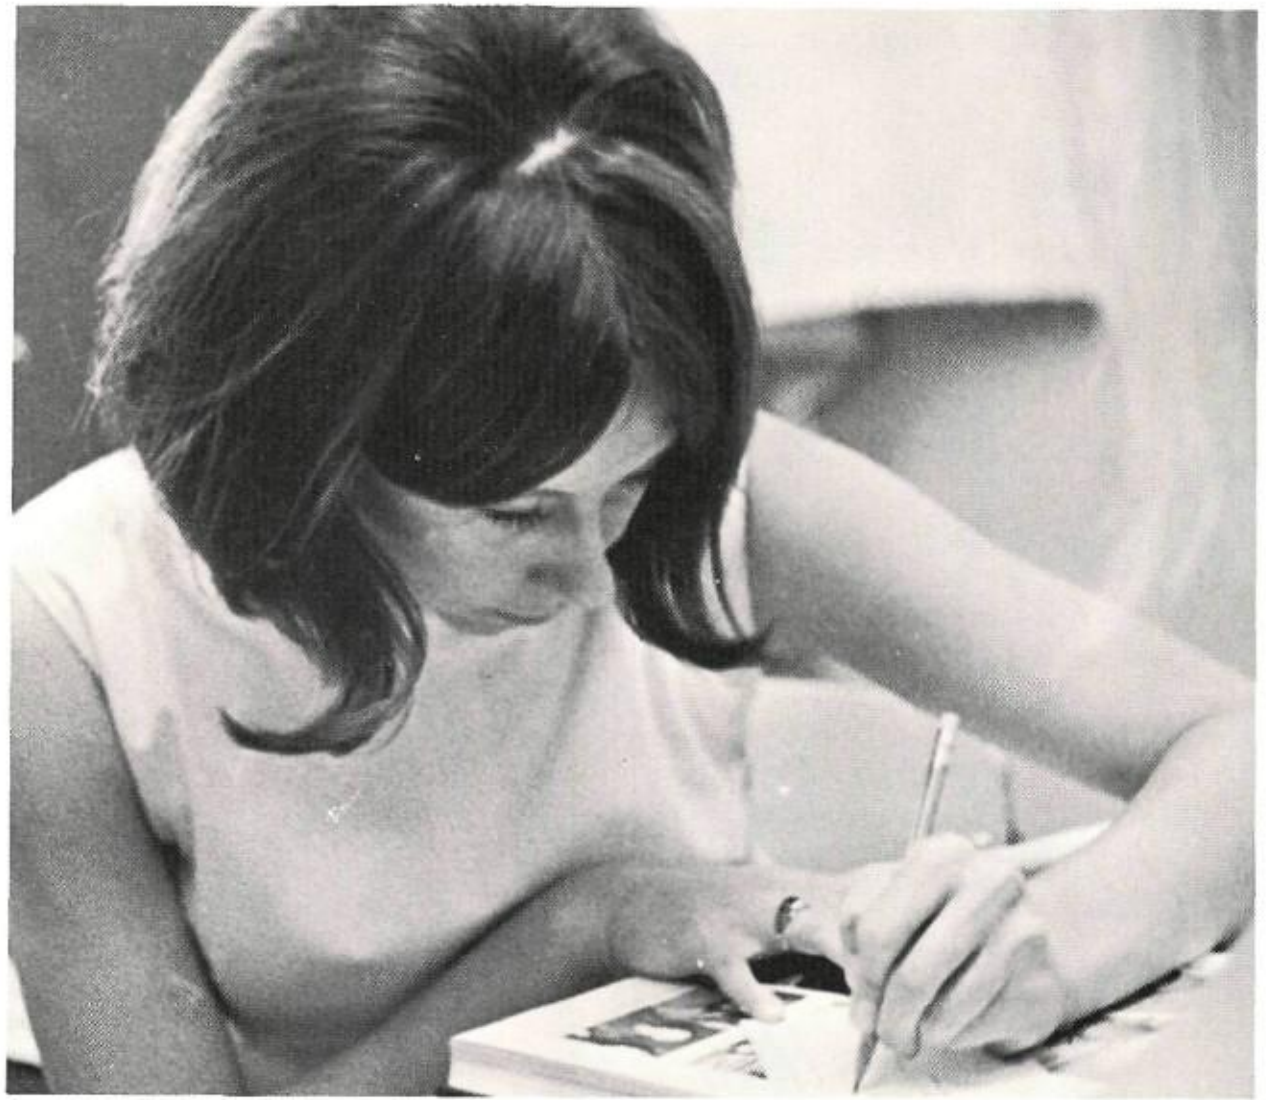

The recipient of the annual DAR Good Citizen Award is selected by the counseling staff. The Good Citizen is then automatically entered in competition for national scholarships awarded by the Daughters of the American Revolution.

PAM PEWE—National Honor Society ... Student Council ... Girls' State ... B-Team Cheerleaders ... Ski Club.

Yearbook Staffers Work Long Hours Compiling Book

New layout and more pages constitute the main changes in the '69 *Highlander*. Others include a new paper stock, a comprehensive index, and the increase in color pictures.

Staff members and photographers, under the direction of Mr. Bill Manire, worked 5th periods, Saturdays, and after school to meet the March 5 deadline. A banquet and a picture sale were held at the year's end.

Newspaper Boasts All-American Awards

It is a big job to publish a school newspaper the size and quality of the *Highlight*, which is a winner of All-American awards, but Miss Betty Chowning's staff has done an outstanding job during 1968-69.

The newspaper boasts its own darkroom

facilities and a staff of student photographers. Changes in 1968-69 included a new type of paper and page arrangement.

Near the end of the summer, members attend an institute devoted to the teaching of high school journalistic skills.

Photographs Introduced To 1969 *Image*

Highland's literary magazine, the IMAGE, provides a means of publishing the literary and artistic efforts of Highland students.

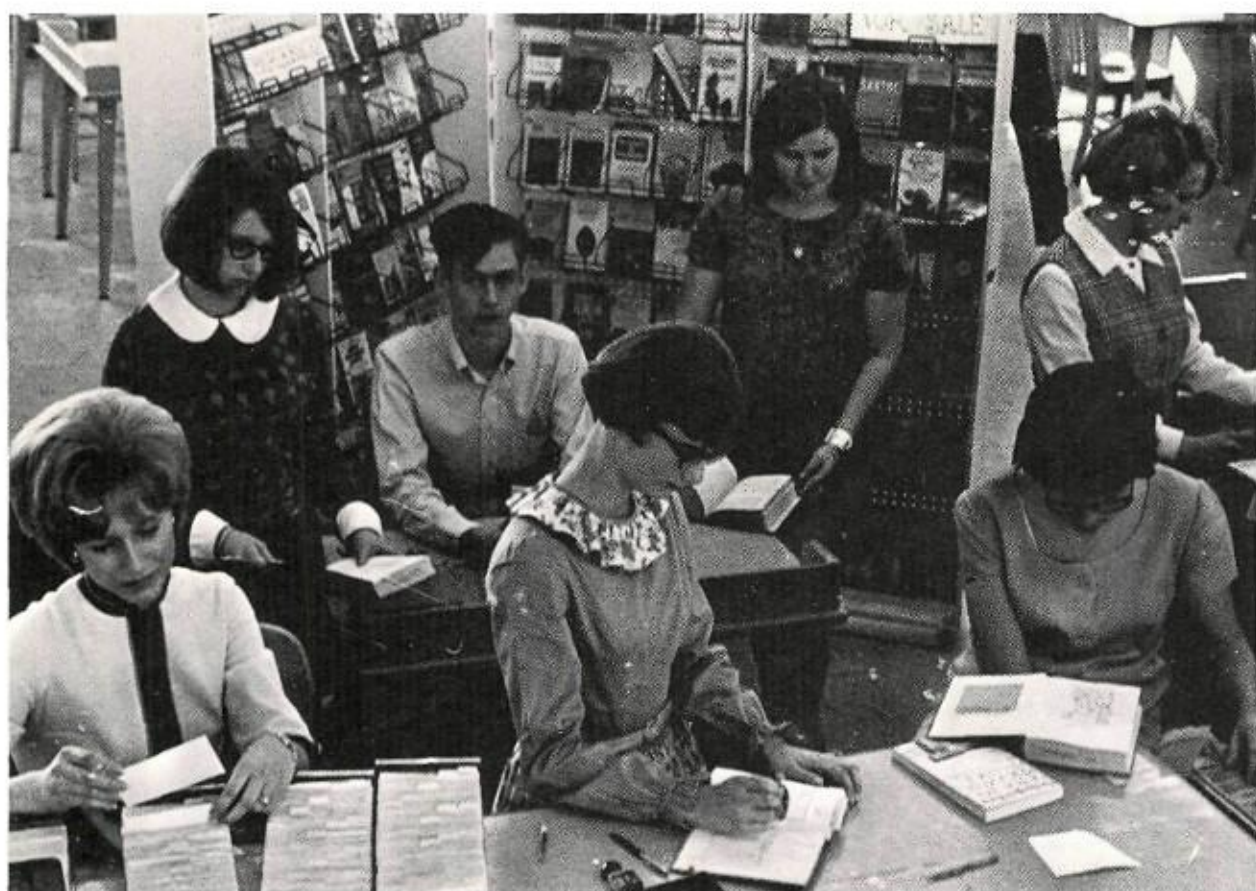

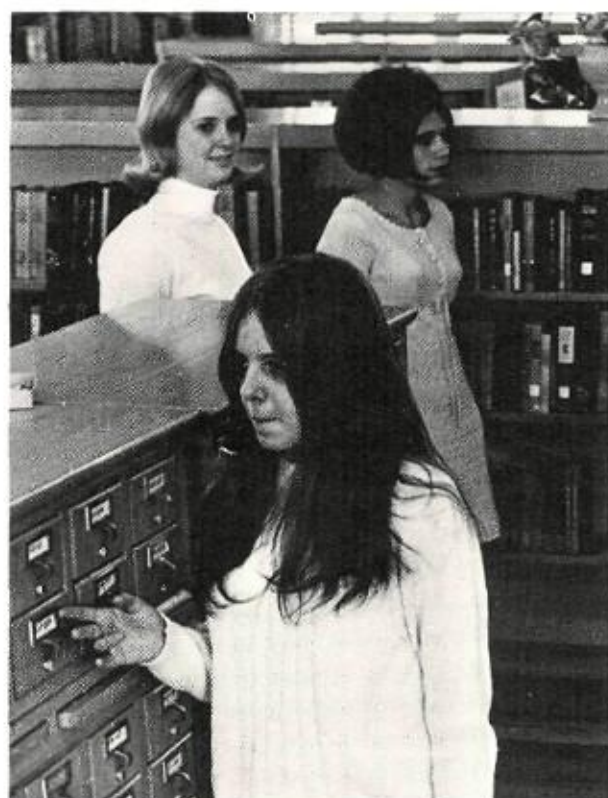

The scholarly contributions are screened by a staff headed by Mr. Dick Ness. Mr. Frank McColloch is director of the art staff for the fine arts publication.

Selections in the IMAGE include short stories, artwork, poems, and photography, which was added to the Spring publication.

IMAGE staff: Sara Oseason, Miles Cigolle, John DuBois, Mr. Ness, and Becky Warder.

Librarians Give Up Study Halls To Help HHS

Learning to catalog new books and doing the many tasks that are inherent in the operation of a large school library are tasks of the school librarians.

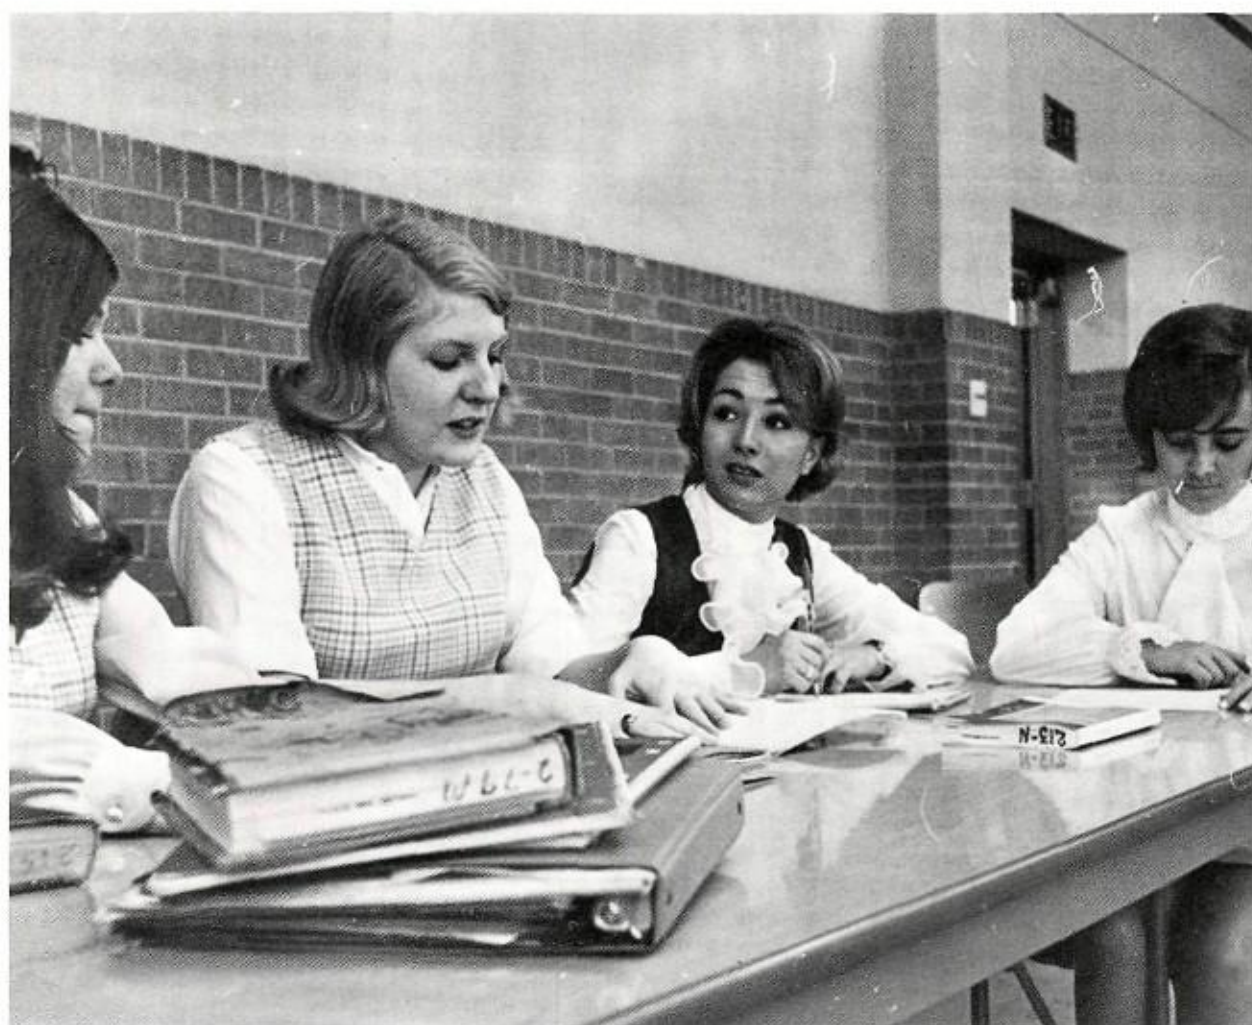

Members worked in the library under the direction of Miss Nancy Trammell during their study hall periods. Various social activities were held during the year by the librarians, including a tea. They also had weekly meetings.

All of us should feel indebted to these Highland High students.

American Field Service Brings Leonor To HHS

Because of its nature, the American Field Service is not as well known as others on the school scene. Members of the AFS have the responsibility of raising money to bring foreign exchange students to HHS and locate suitable families who will let them live in their homes during the year.

The organization held various money-raising projects during the year and was sponsored by Mrs. Ann Connelly.

Science Club Sells Periodic Charts Of Elements

Field trips to scientific installations at Sandia Base, Kirtland, and other areas in the vicinity highlighted the year for members of the Science Club. Mr. Torres met with the club each Tuesday, and in addition to the trips, the club participated in discussions, saw demonstrations, and listened to guest speakers. They also sold periodic charts of the elements.

"Oktoberfest" Begins German Club's Year

Beginning its year's activities with a traditional "Oktoberfest," the German Club got off to a swinging start under the leadership of Miss Jahns. Meeting twice a month on Wednesdays after school, members planned and carried out such club projects as German Christmas Caroling, celebrations of German traditions, folk dancing, and heard speakers and saw films pertaining to Germanic nations.

Humanities: New Club At Highland

Humanities is the subject and name of one of Highland's new clubs. The Humanities Club was formed by a group of students wishing to get information in all fields of fine arts and humanities and pass it on to other people. Its purpose, simply stated, is absorption and expression. Mrs. Saunders, a librarian, sponsored the club.

Lectures on all phases of fine arts and humanities took up time at the meetings. Subjects included existentialism, film making, art and music appreciation.

A magazine and a movie were produced by the Humanities Club toward the end of the 1968-1969 school year.

Humanities Club officers were, in foreground: Martha Taylor, secretary; Allen Ayers, president; Leonard Natkin, vice president.

Members of the Humanities Club were, *Back Row:* B. Logan; R. Amorous, R. Rutherford, J. Skelton. *Second Row:* G. Chandler, J. Salat, T. Szerlip, L. Colvett, M. Brake, M. Roth, K. Hasenkamp, L. One of the most prestigious organizations on the campus is the Student Council, which is a student government organization.

Composed of sixteen senior, fifteen sophomore and junior delegates, the Council meets daily during the sixth period in the theater. Regular business meetings are conducted every Tuesday and Thursday. Committee meetings are on Mondays and Wednesdays. One night meeting for all students to attend is held each month.

34 Seniors Are Members Of Honor Society

Membership in the Highland chapter of the National Honor Society is limited to those students who have at least a 3.5 average and who have been recommended by members of the faculty.

Activities for the 1968-69 school year included a bake sale during each semester, caroling during the Christmas season, the selling of Valentine's Day telegrams in home rooms, and an end-of-the-year banquet.

The Highland chapter of the National Honor Society is sponsored by Mr. Dave Morris and Mrs. Roberta Redding. An initiation of new members is held in the spring after first semester grades come out.

Senior members of Honor Society were, *Top Row:* John Allen, Susan Arnold, Laura Banks, Sheri Benischek. *Second Row:* Kathleen Brown, Ronald Bronitsky, Donna Bryant, Stewart Chapman. *Third Row:* Miles Cigolle, Betsy Cunningham, John DuBois, Dan Eglinton. *Fourth Row:* Erica Enyart, Robert Espinosa, Nancy Friedman, Diane Goodwin. *Fifth Row:* Alice Groesbeeck, Craig Hayenga, Allan Hisey, John Howard. *Sixth Row:* Sally Hunt, Lucy Johnston, Kathy Karnowsky, Phyllis Montgomery. *Seventh Row:* Sally Mount, Joanne Moyers, Virginia Nunez, Judy Paschall. *Eighth Row:* Jane Perovich, Pam Pewe, Becky Timmons, Tom Turbett. *Not Pictured* are Bill Goilfoyle and Susan Jacobi.

A steak fry at the end of the year, a "69" shirt sale, and a sale of "Highland" shirts were three of the activities in a busy year for the H-Club, sponsored by Mr. Bobby Gibbs, a history teacher and football coach.

Funds earned by the club members helped pay for a coaches' dinner during the High-

land Invitational Basketball Tournament. During this tournament in December, members served as parking lot attendants and awarded coaches with champion shirts.

To be eligible for membership in the H-Club, boys must have lettered in some sport at Highland High School.

Girls' Staters were, *Top:* LuAnn Smith, Pam Pewe, Becky Timmons, Kathy Robens. *Bottom:* Susan Higdon, April Franklin, Gale McNamara.

Justustaters is the name adopted by the organization of boys and girls who have attended Boys' and Girls' State Conventions.

These people are chosen by the faculty and student body on the basis of scholarship, character, and contributions to the school. Ten boys and seven girls were chosen for the 1968 summer conventions.

The Boys' State met at the New Mexico Military Institute in Roswell during the month of June. Later in the summer, the Girls' State had their convention at UNM.

The Girls' Staters were successful in being elected to several offices. April Franklin, Susan Higdon, LuAnn Smith, and Becky Timmons were elected to offices; April and Susan had two awards.

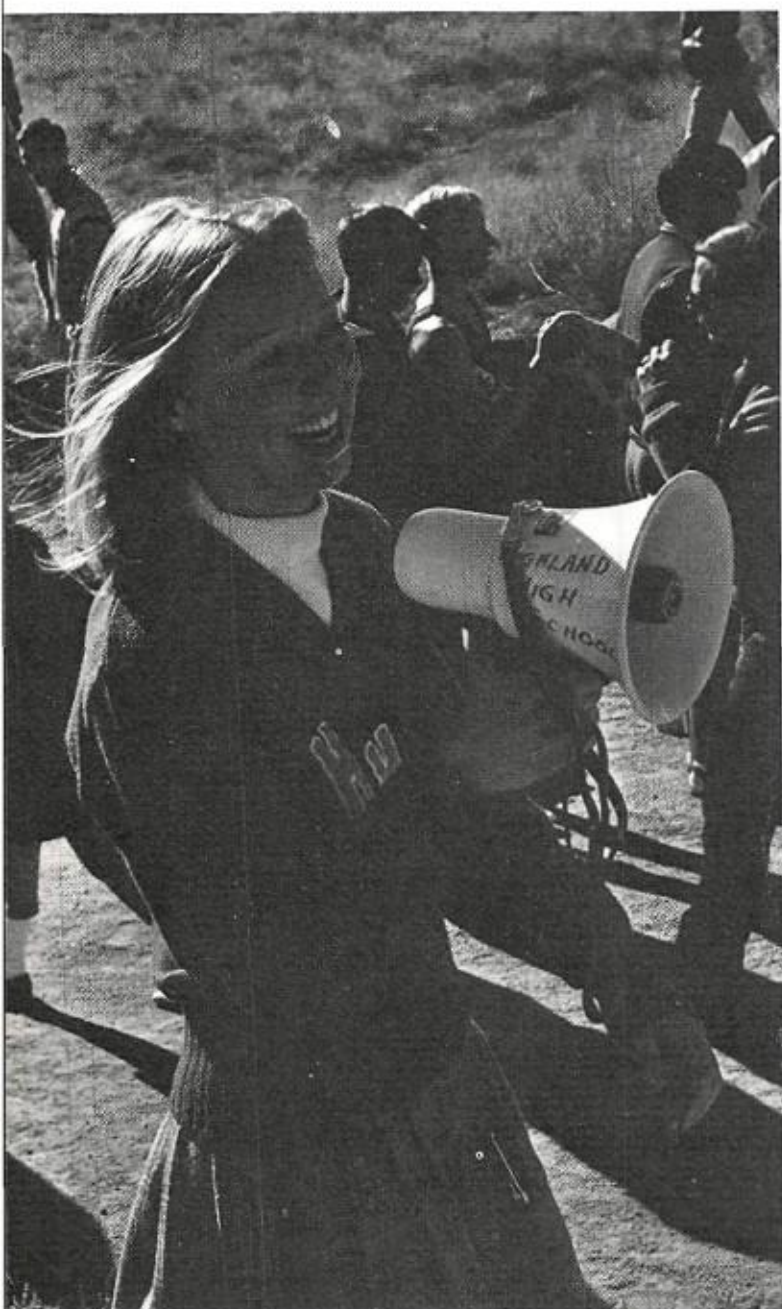

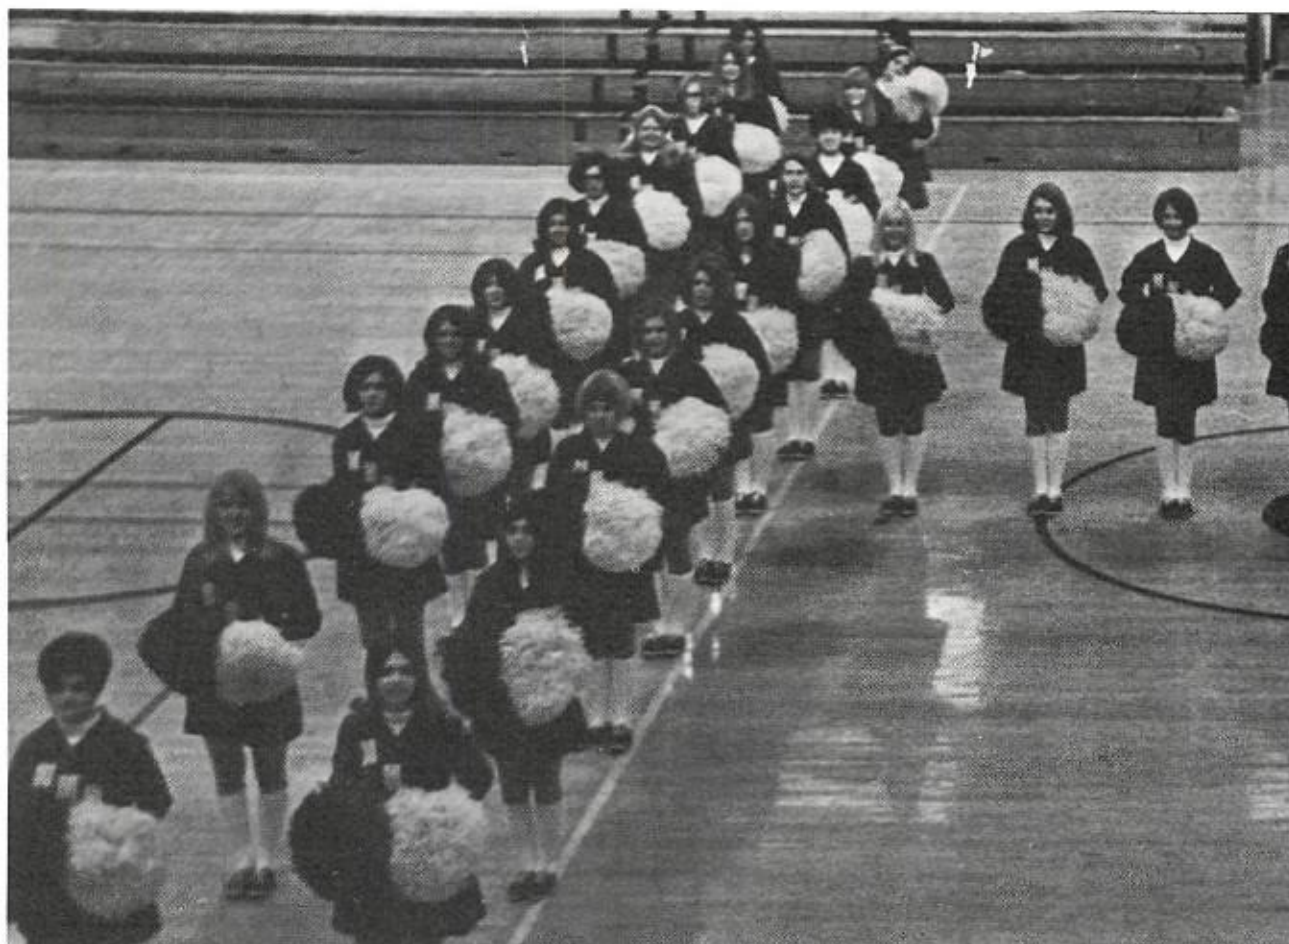

Meeting every two weeks with the sponsorship of Mr. Randell Cain, the Justustaters—with the cooperation of Boys' and Girls' State delegates from other high schools—planned and carried out Freedom Week. In the spring, they had a fortune cookie sale.

Perform For Student Body

The wearing of kilts on Fridays and their tremendously active schedule combine to make the Highlanders one of the best known organizations at school. Sponsored by Miss Van Court and Mrs. Johnston, the club met on first and third Mondays of each month. The drill team participants met for practice on Tuesday and Thursday mornings.

Substantiating their claim to be an active and contributing organization, the Highlanders performed in the stands at all football games, participated with the band at halftime at the Homecoming game, and held a reception honoring football players, their parents, and the football coaches.

The girls also helped distribute toys for tots at Christmas and contributed forty-five dollars for the purchase of new toys for tots. The members supported all sports by attendance, preparation of posters, and decorating the stadium for games.

Spring activities included a club picnic and a reception honoring Spring sports.

Club members were, *Bottom Row:* M. Montoya, Jr. V. Pres., C. Blue, D. Bronner, D. Barker, C. Gaarder, C. Gallagher, S. Pierce, M. Cone, S. Wilson, C. Junghans. *Second Row:* V. Henley, S. NJROTC Added To HHS Curriculum

Naval Junior Reserve Officer Training Corps became a part of Highland's curriculum in September 1968. In charge of the program are two retired Naval personnel—Commander Hughes and Chief McFall.

The Highland Company was formally commissioned at an impressive ceremony held in the Highland gymnasium on Nov. 4. Rear Admiral Robert MacPherson—an Albuquerque native himself—attended the ceremonies and spoke to the assembly.

Cadets enrolled in this program number 145. They learn rudiments of close-order drill, military courtesy, manual of arms, Naval Orientation, Naval History and other related activities in this class.

The Company made several field trips to military installations in the area and hoped to visit some West Coast (San Diego vicinity) bases during the year.

Highland High School is fortunate to have been selected as one of the nation's schools to participate in this program.

Officers of NJROTC are posed here with their guest, Rear Admiral McPherson. They are Ens. Douglas Woods, Lt. JG Mike Lente, Lt. CMD John Patterson, and Lt. David Martin.

The naval weapons evaluation facilities at Kirtland Air Force Base were toured by Hingland's NJROTC members. This was one of the field trips taken by the Navy-affiliated class.

Key Club Posts Fire Escape Routes

Meeting in the evenings twice a month, the Key Club continued its reputation as one of the most active clubs at Highland. Operating as a sponsorship of Kiwanis International, the local club is advised by Mr. Bill Robertson, English teacher.

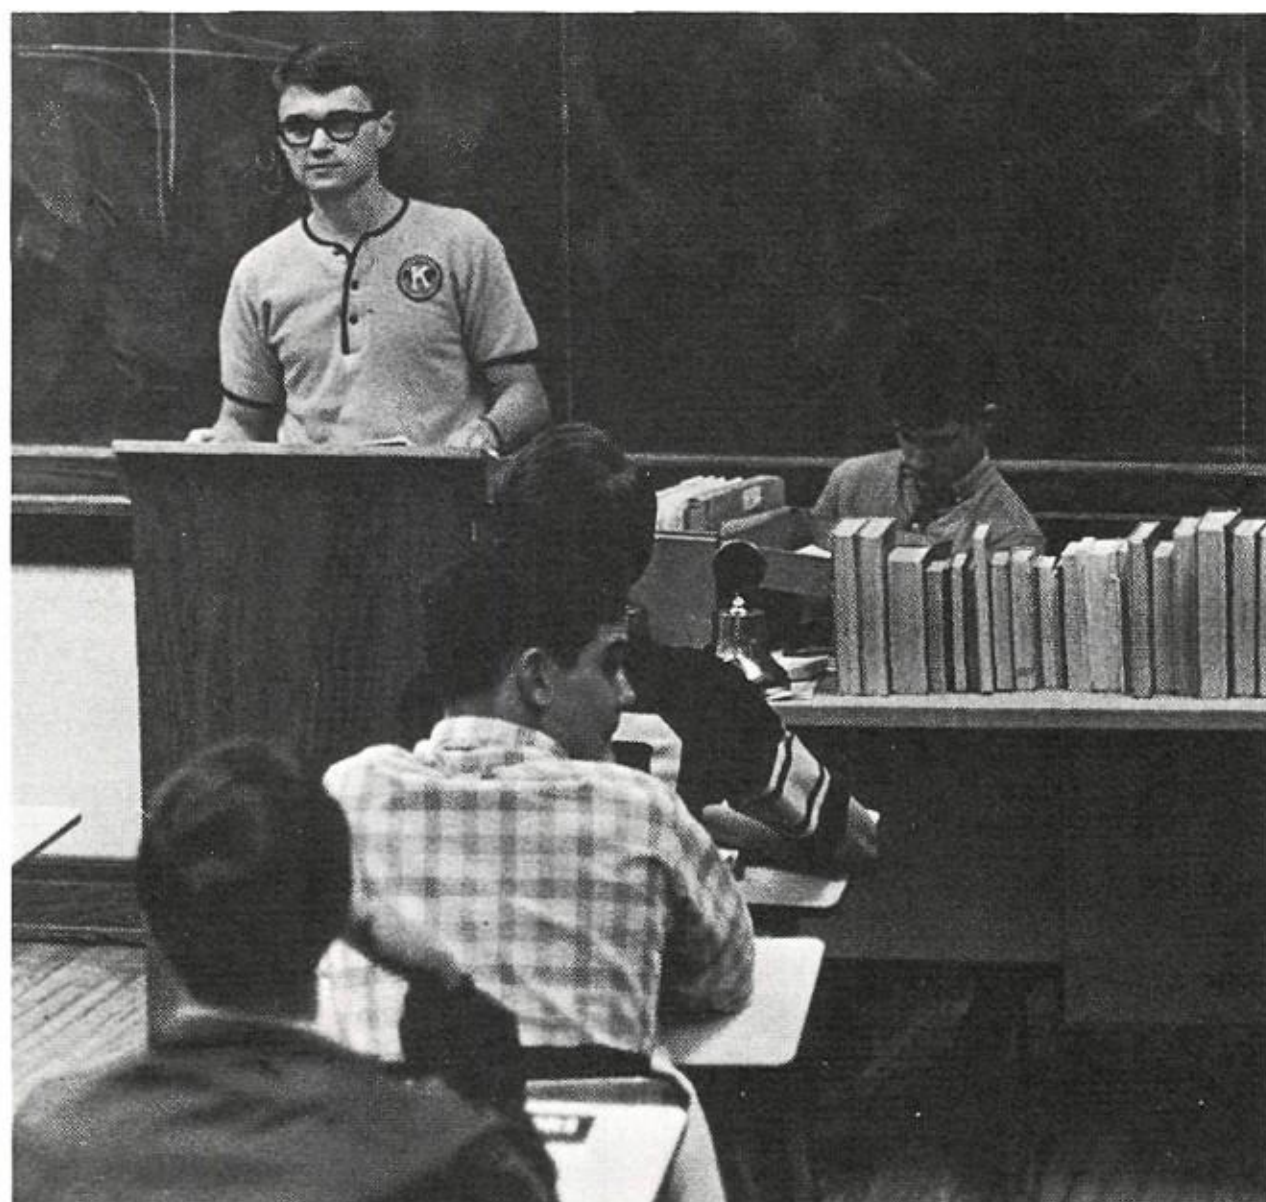

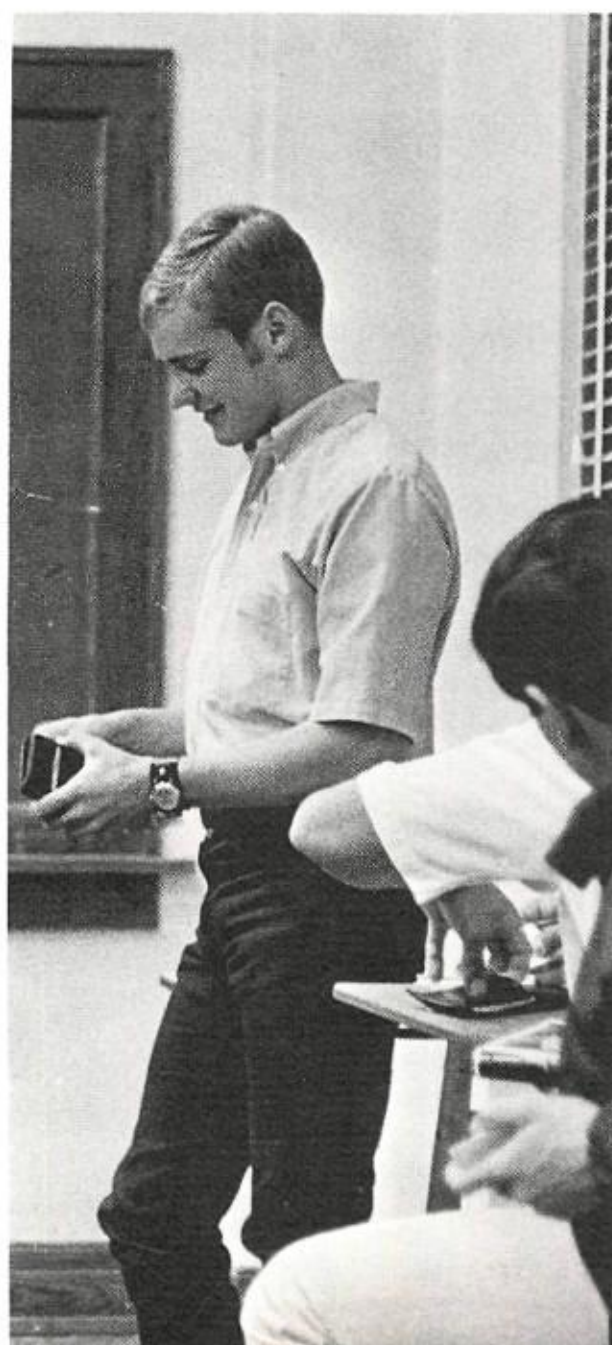

Members raised money during the year through several projects: Painting house numbers on curbs, holding a car wash, and showing a movie for students to see during study hall periods.

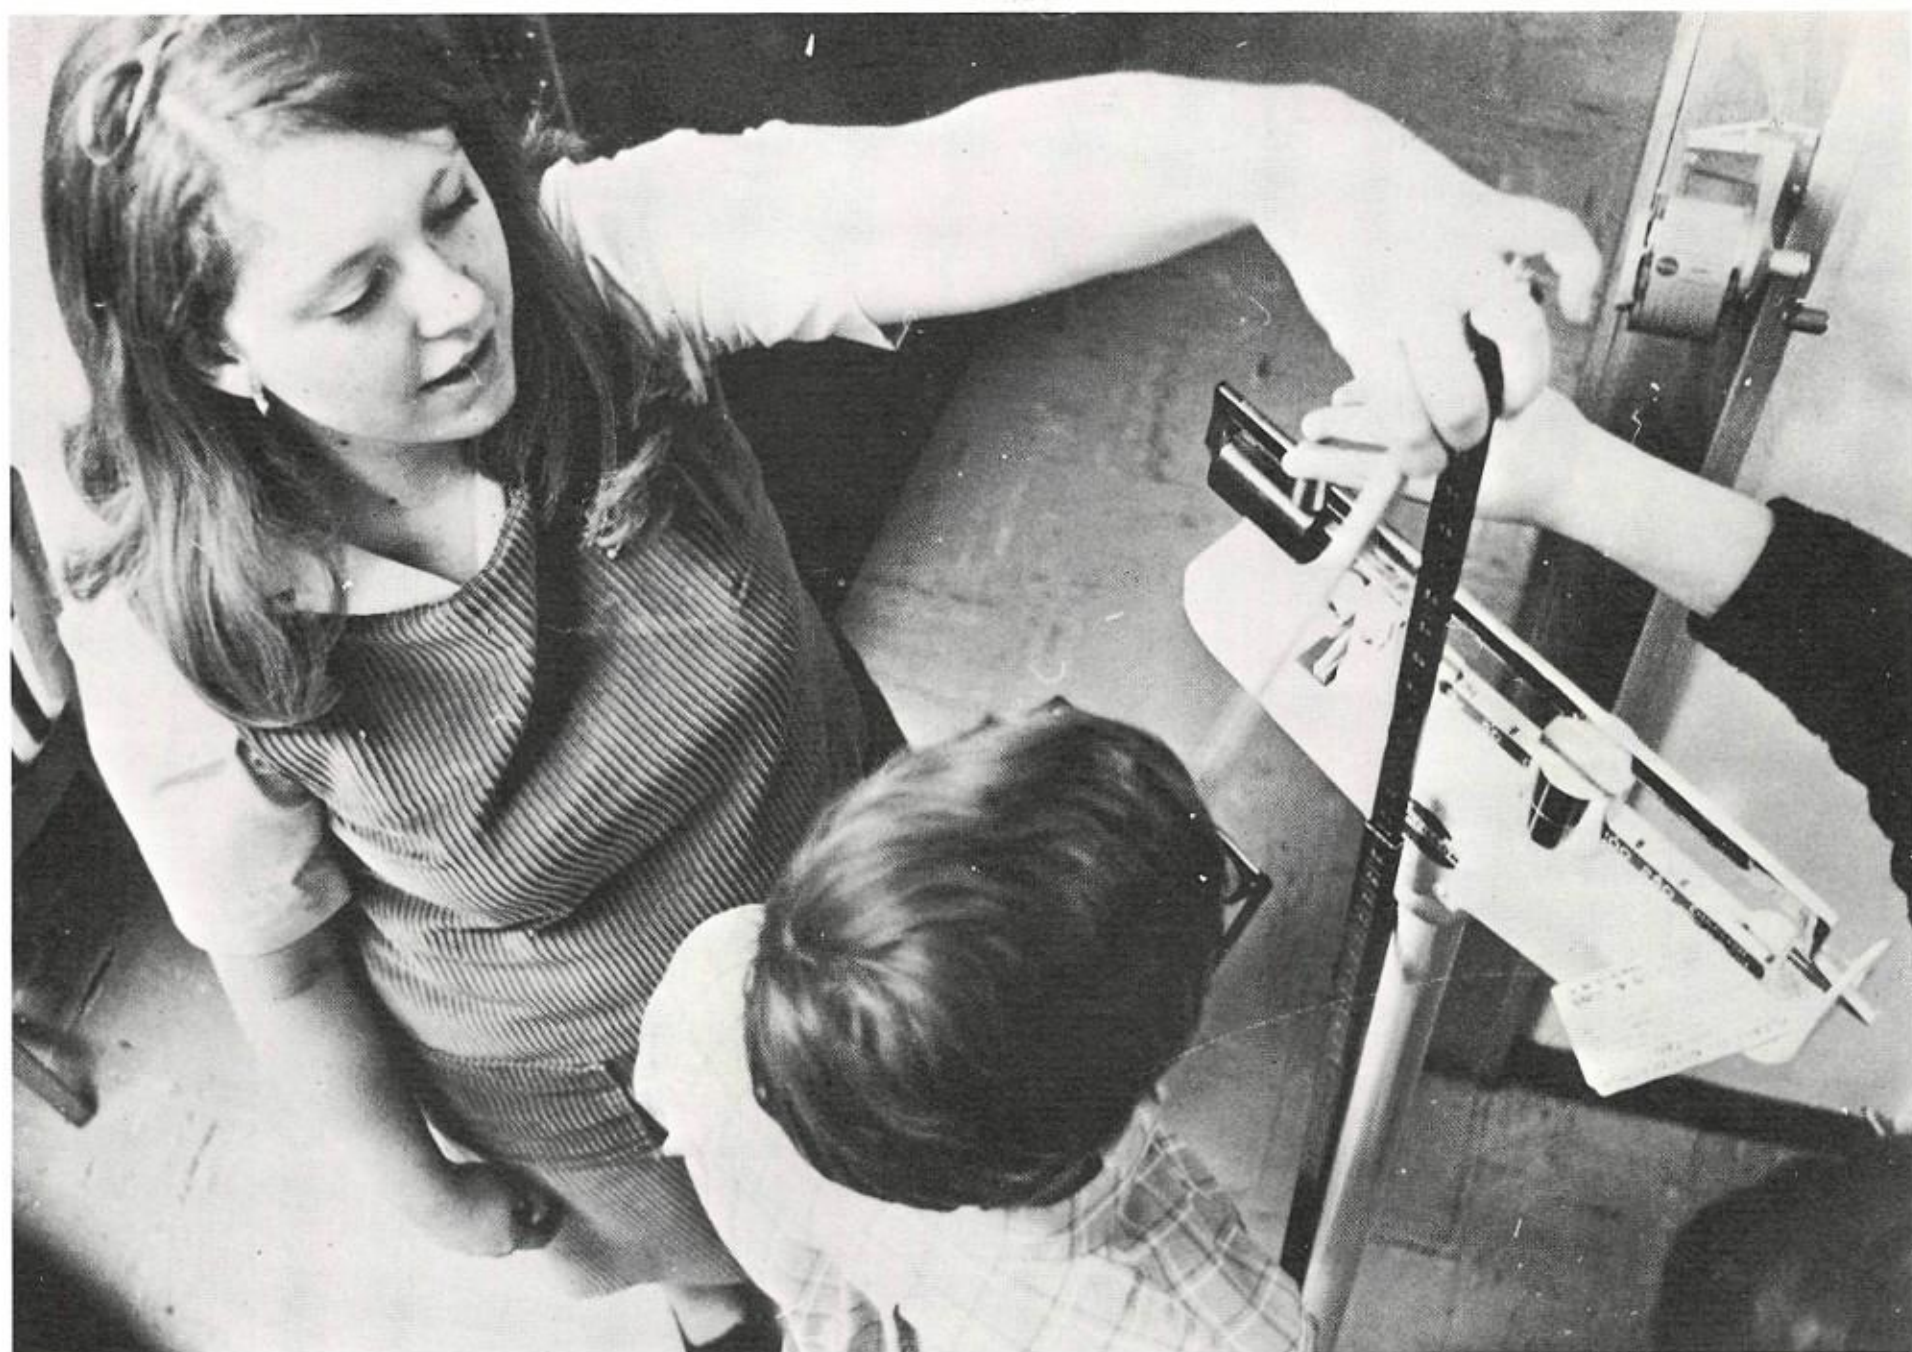

The Key Club was active also as a service organization. Members prepared and posted fire escape plans in each classroom of the school, presented charms to the Homecoming Queen and Princesses, drove the Homecoming court at the football game parade, rang the victory bell at most home sports games, cleaned up the school grounds, made a float for Homecoming, drove foreign educators to Highland from UNM for the R.O.T.C. assembly, drove voters to the polls on Election Day, distributed advertising for Kiwanis sponsored Marine Band performance, and ushered UNM "Travel Adventure" lectures.

FDA Members Give Services To Nursing Home

Members of the Future Doctors of America investigated areas of activities relating to the field of medicine. In the past the club has centered its attention on the technical and medical aspects of being a doctor. This year they were more involved in studying the human side of medicine.

Members donated their services to the Ridgecrest Nursing Home. Their duties consisted of befriending and comforting the patients with conversation and helping them with tasks they could not do for themselves.

Other activities of the FDA members, led by Mrs. Mary Caccamise, were visits to the Radiation and Los Alamos Laboratories, and the UNM School of Medicine.

While developing an appreciation for and an interest in the teaching profession, the members of the local FTA chapter were active participants in Highland life.

Included in the activities in which members participated were tutoring grade school children, bake sales, a reception for the teachers during National Education Week, the preparation of a Christmas basket, and attending a pot luck dinner.

During Teacher Career Week in April, each member taught one of her classes for a day. Members attended the State Convention in Las Cruces in April. Two District officers were from Highland: Donna Bryant was District President and Laura Banks was District Secretary. The Highland chapter hosted a workshop and the Annual District Convention.

Two Purgatory Trips For Ski Club In '69

Highlighting the Ski Club activities during 1968 and 1969 were the two trips to Purgatory Ski Basin, near Durango, Colorado. The trips, made in the latter parts of January and February, were made on rented buses. Mr. Pipkin, sponsor of the club, and Mrs. Connelly sponsored the first trip, while Miss Jahns and Mr. Hughes went along with Mr. Pipkin on the second trip.

The club viewed movies on skiing and made trips to surrounding ski areas, such as Sandia Peak Ski Basin.

Officers of the club for 1968-69 were Jim Hasencamp, president; Maggie Shecuk, vice president; and Toddy Szerlip, treasurer.

Bowlers Compete Against Other Schools

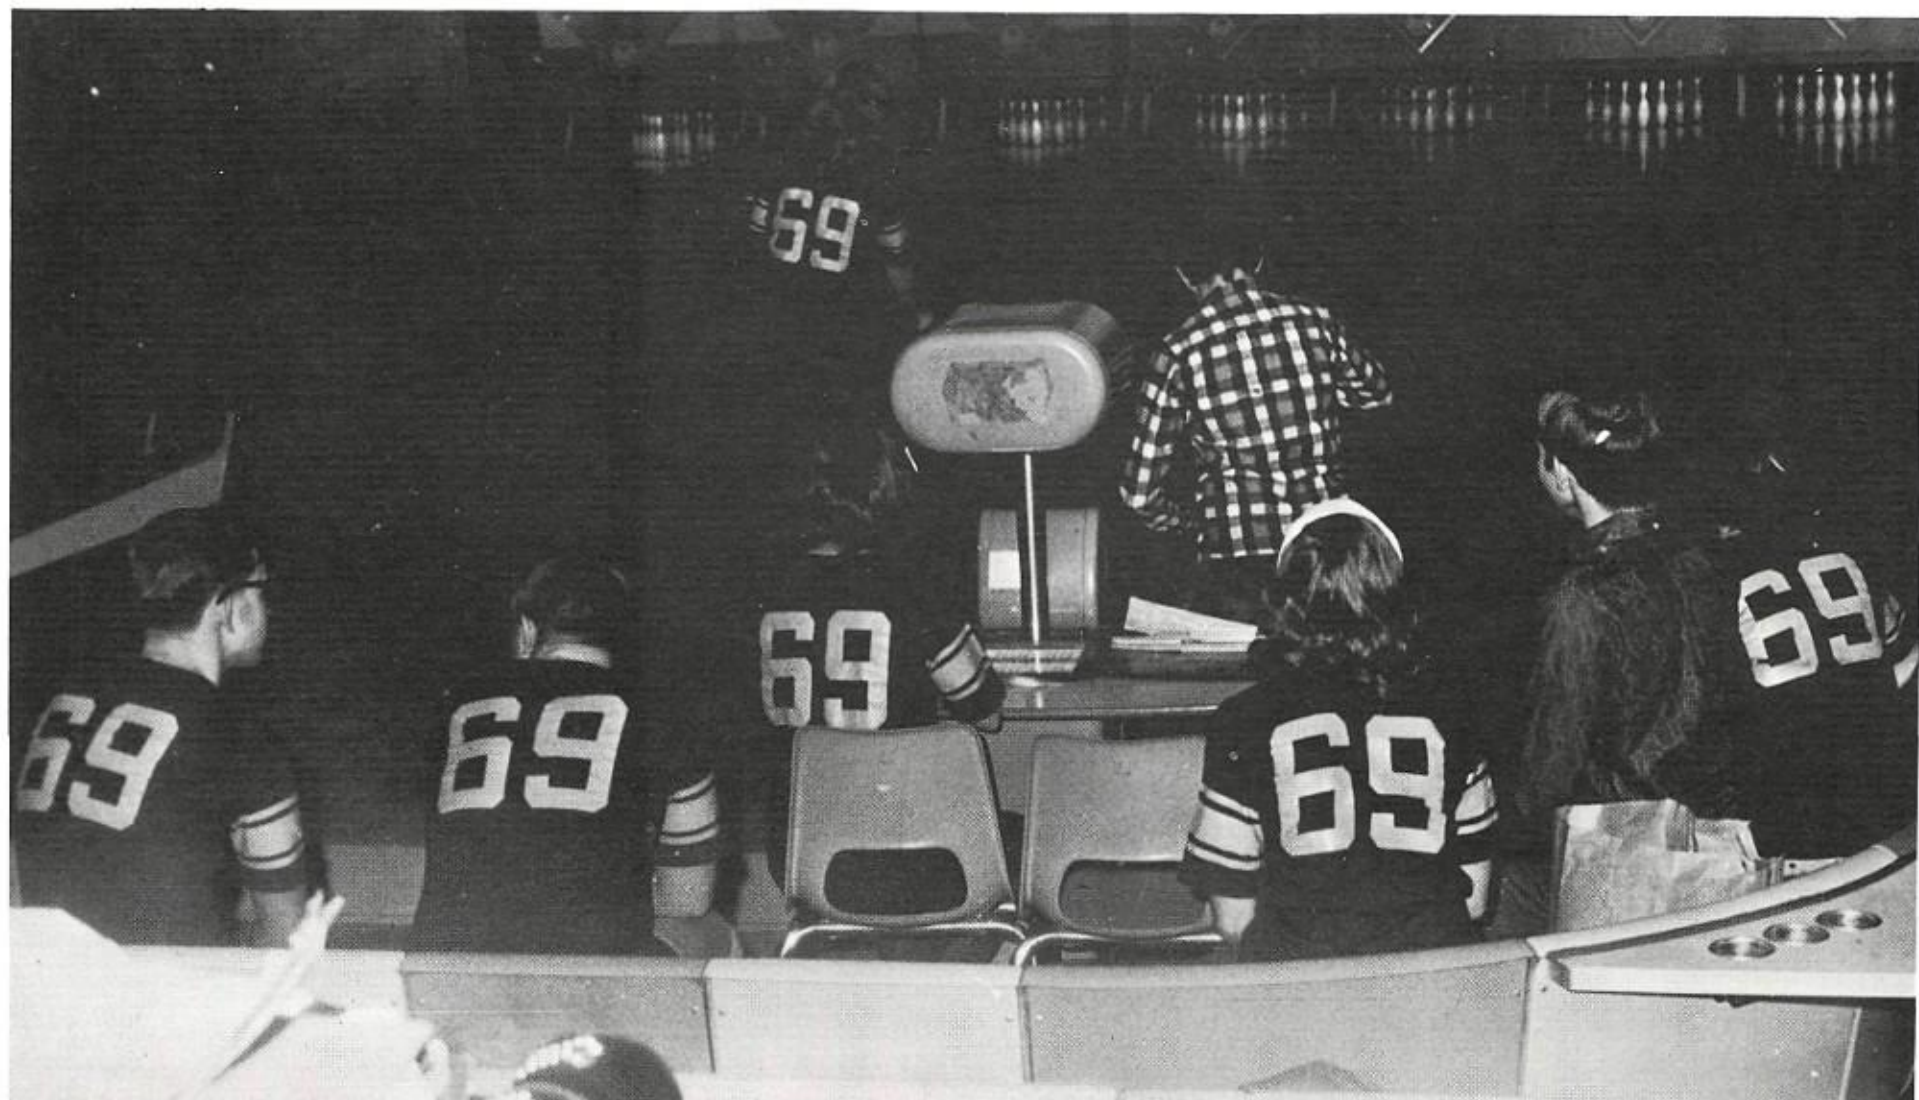

The sounds of rolling balls, falling pins, and groans of disgust or cheers of delight resound throughout the lanes of Hiland Bowl every Thursday afternoon as Mistery Floyd and Ferguson lead their bowling club in inter-club competition.

Members have formed their own league within the club and during the year bowled against teams from other schools in the city.

Finances Cut Thespian Plays To One

Because of the cutback in school finances, Thespians were able to sponsor only one play during the 1968-69 school year. The play, entitled "Leading Lady," took place in the fall. In December, after the play, an initiation was held for those who had earned enough points to be eligible.

In January, volunteer Thespians collected for the March of Dimes, and a few were shown in the news on television. Members attended the state drama convention in the spring, and performed a skit for other conventioners. The year ended with a banquet to which all Thespians were invited.

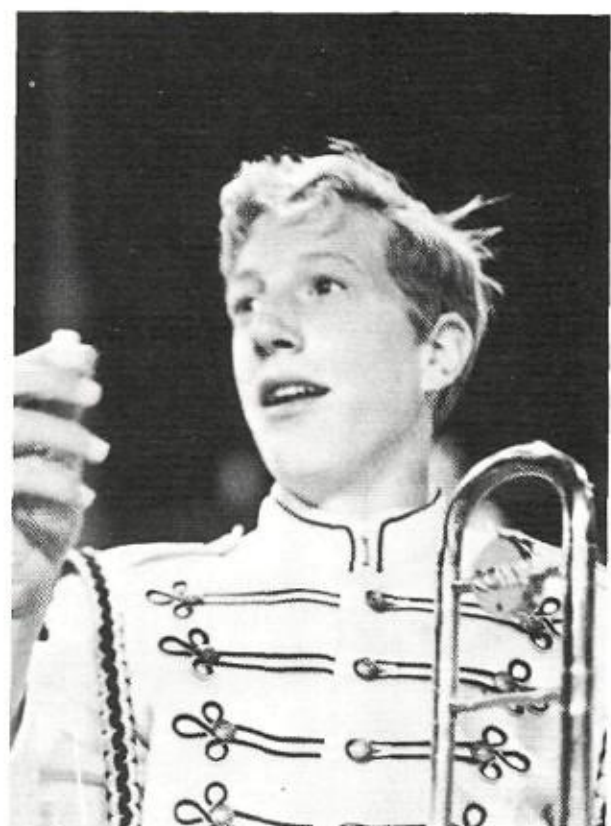

Requirements for initiation are ten points earned through some type of work in school or other theatrical productions.

Band members supplemented their performances with a variety of activities. Members attended a picnic in the fall and spring and a bake sale was held early in March. They closed out the year with a swimming party held in late May.

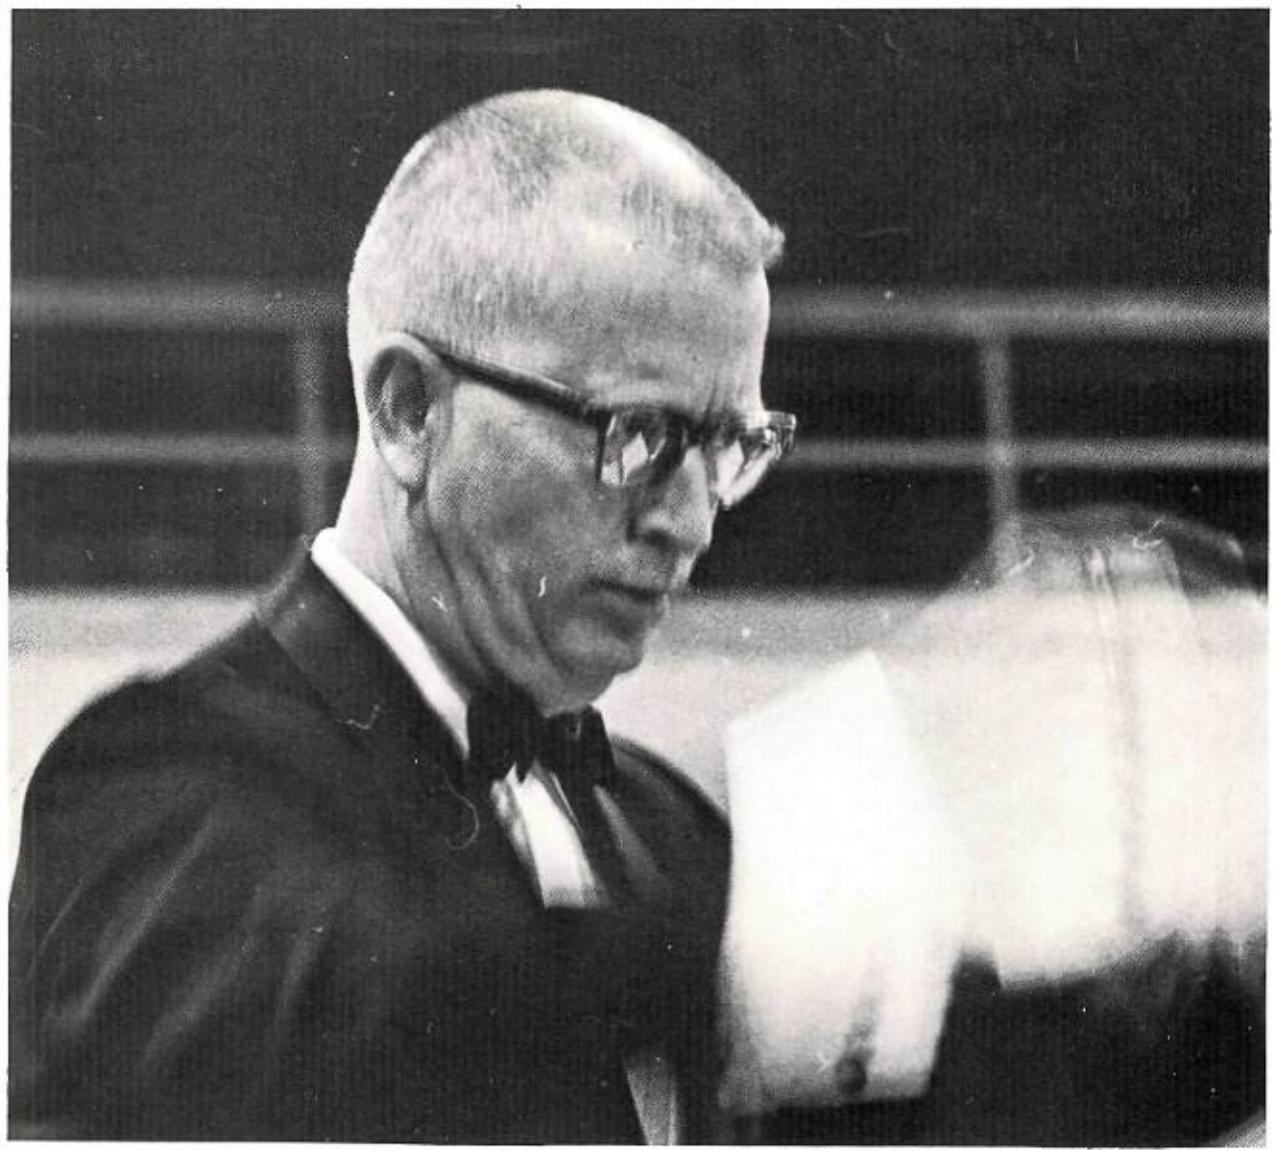

The band performed at football games and assemblies under the direction of Mr. Wallace Cleaveland. Members also attended a concert festival at the University of New Mexico early in the month of March.

Through participation in the orchestra, the students increase their musical talents and further their music appreciation.

Mr. Arthur Loy, Director of Highland's vocal music program, led the choruses through a successful year during which they participated in more than six concerts.

The choruses performed at the following: Christmas Concert, All-City Choral Festival in February, Music Department Concert at Popejoy Concert Hall in April, and concerts at various junior high schools in the area.

Girls' Chorus and Beginning Mixed Chorus presented a Spring Concert and the Advanced Mixed Concert presented a Christmas Concert at Cornado Center.

All-stars: Rosalind Morrow, Harper Kilian, Steve Singleton, Julie Van Buskirk.

Chess Players Race Clock In Inter-School Competition

Cries of "Checkmate" echo up and down the halls of Highland one afternoon each week as members meet to compete.

HHS chessmen competed in local and area contests during the year. They have been successful in their competition against other schools and the club provides an opportunity for those interested to learn how to play the game.

Field Trips Include Visit To Artists' Studios

Guest speakers, tours to art galleries, and professional artists' studios, and the viewing and discussing of slides and original paintings of the members contributed much to the knowledge and appreciation of art of the students in the Art Club.

The small, enthusiastic group formed of art students was sponsored by Mr. McCulloch, one of Highland's art teachers. The club met twice a month, and more often for the field trips in which they participated.

Members of the Art Club for 1968-69 were Mark Roth, Cheryl Wise, Sam Pillsberry, Chris Abbott, Joe Manns, Rebecca Warder, and Gary Chandler.

Latin Club Explores Ancient Customs

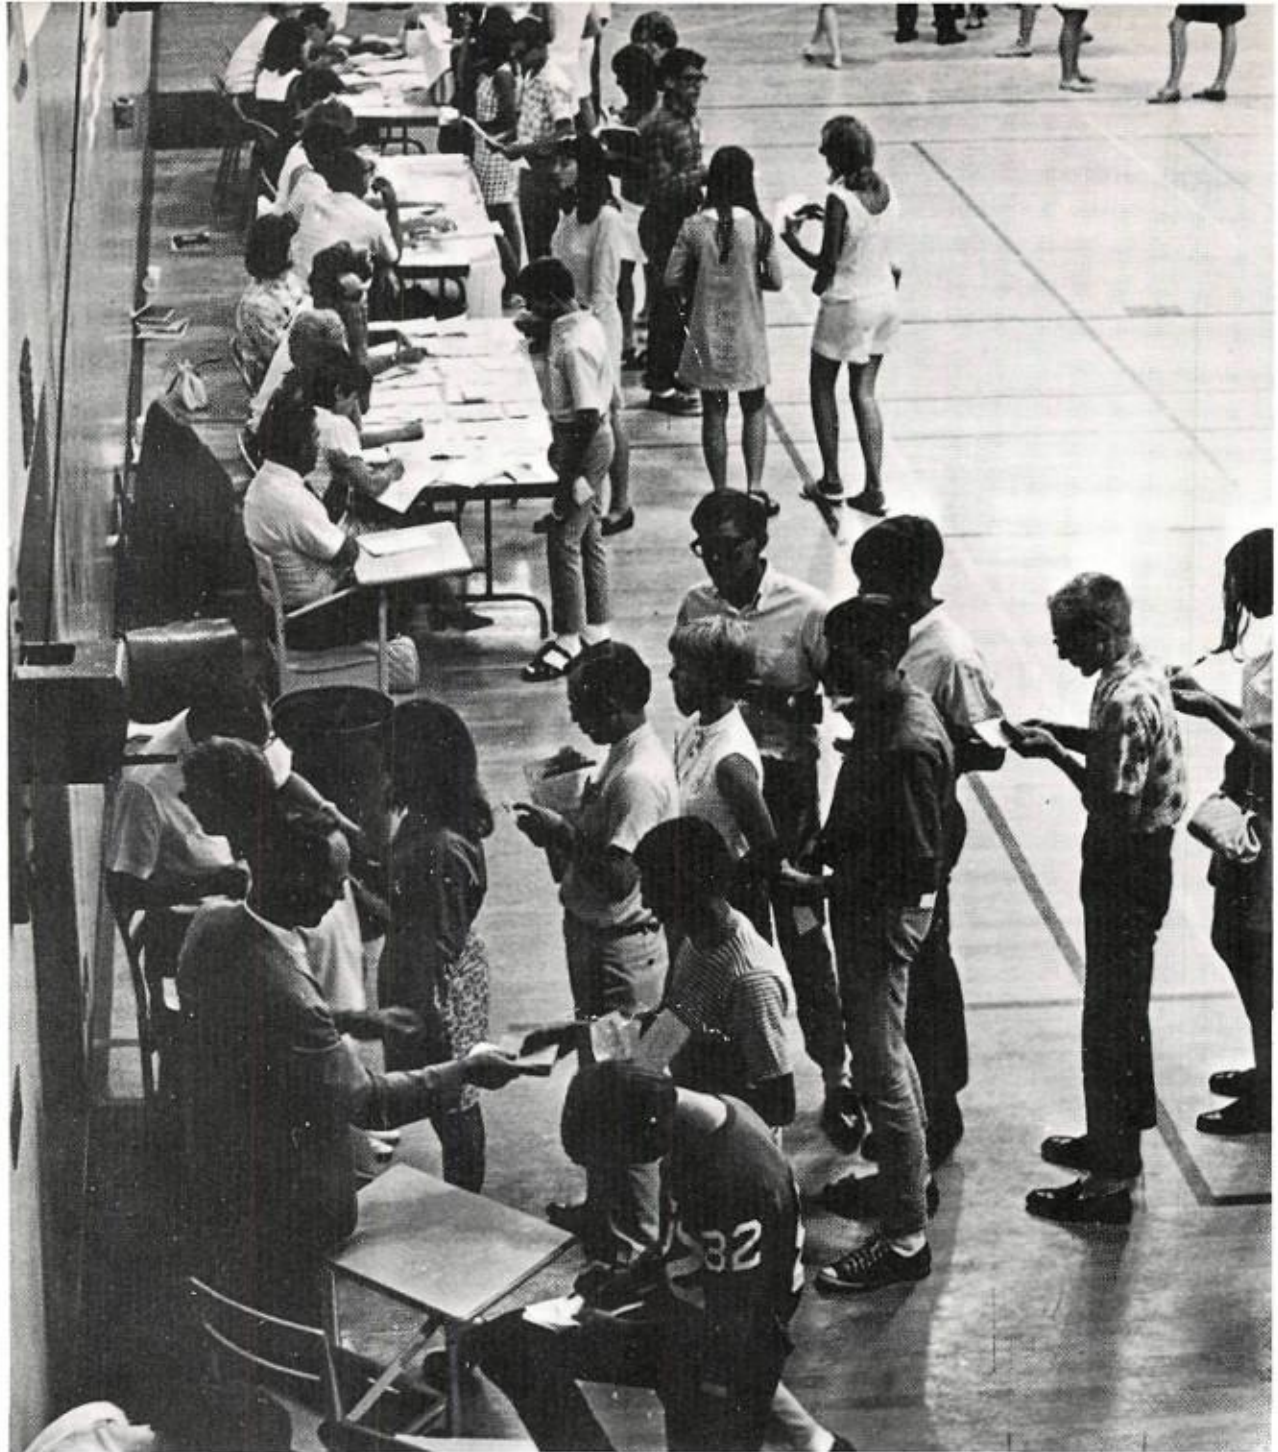

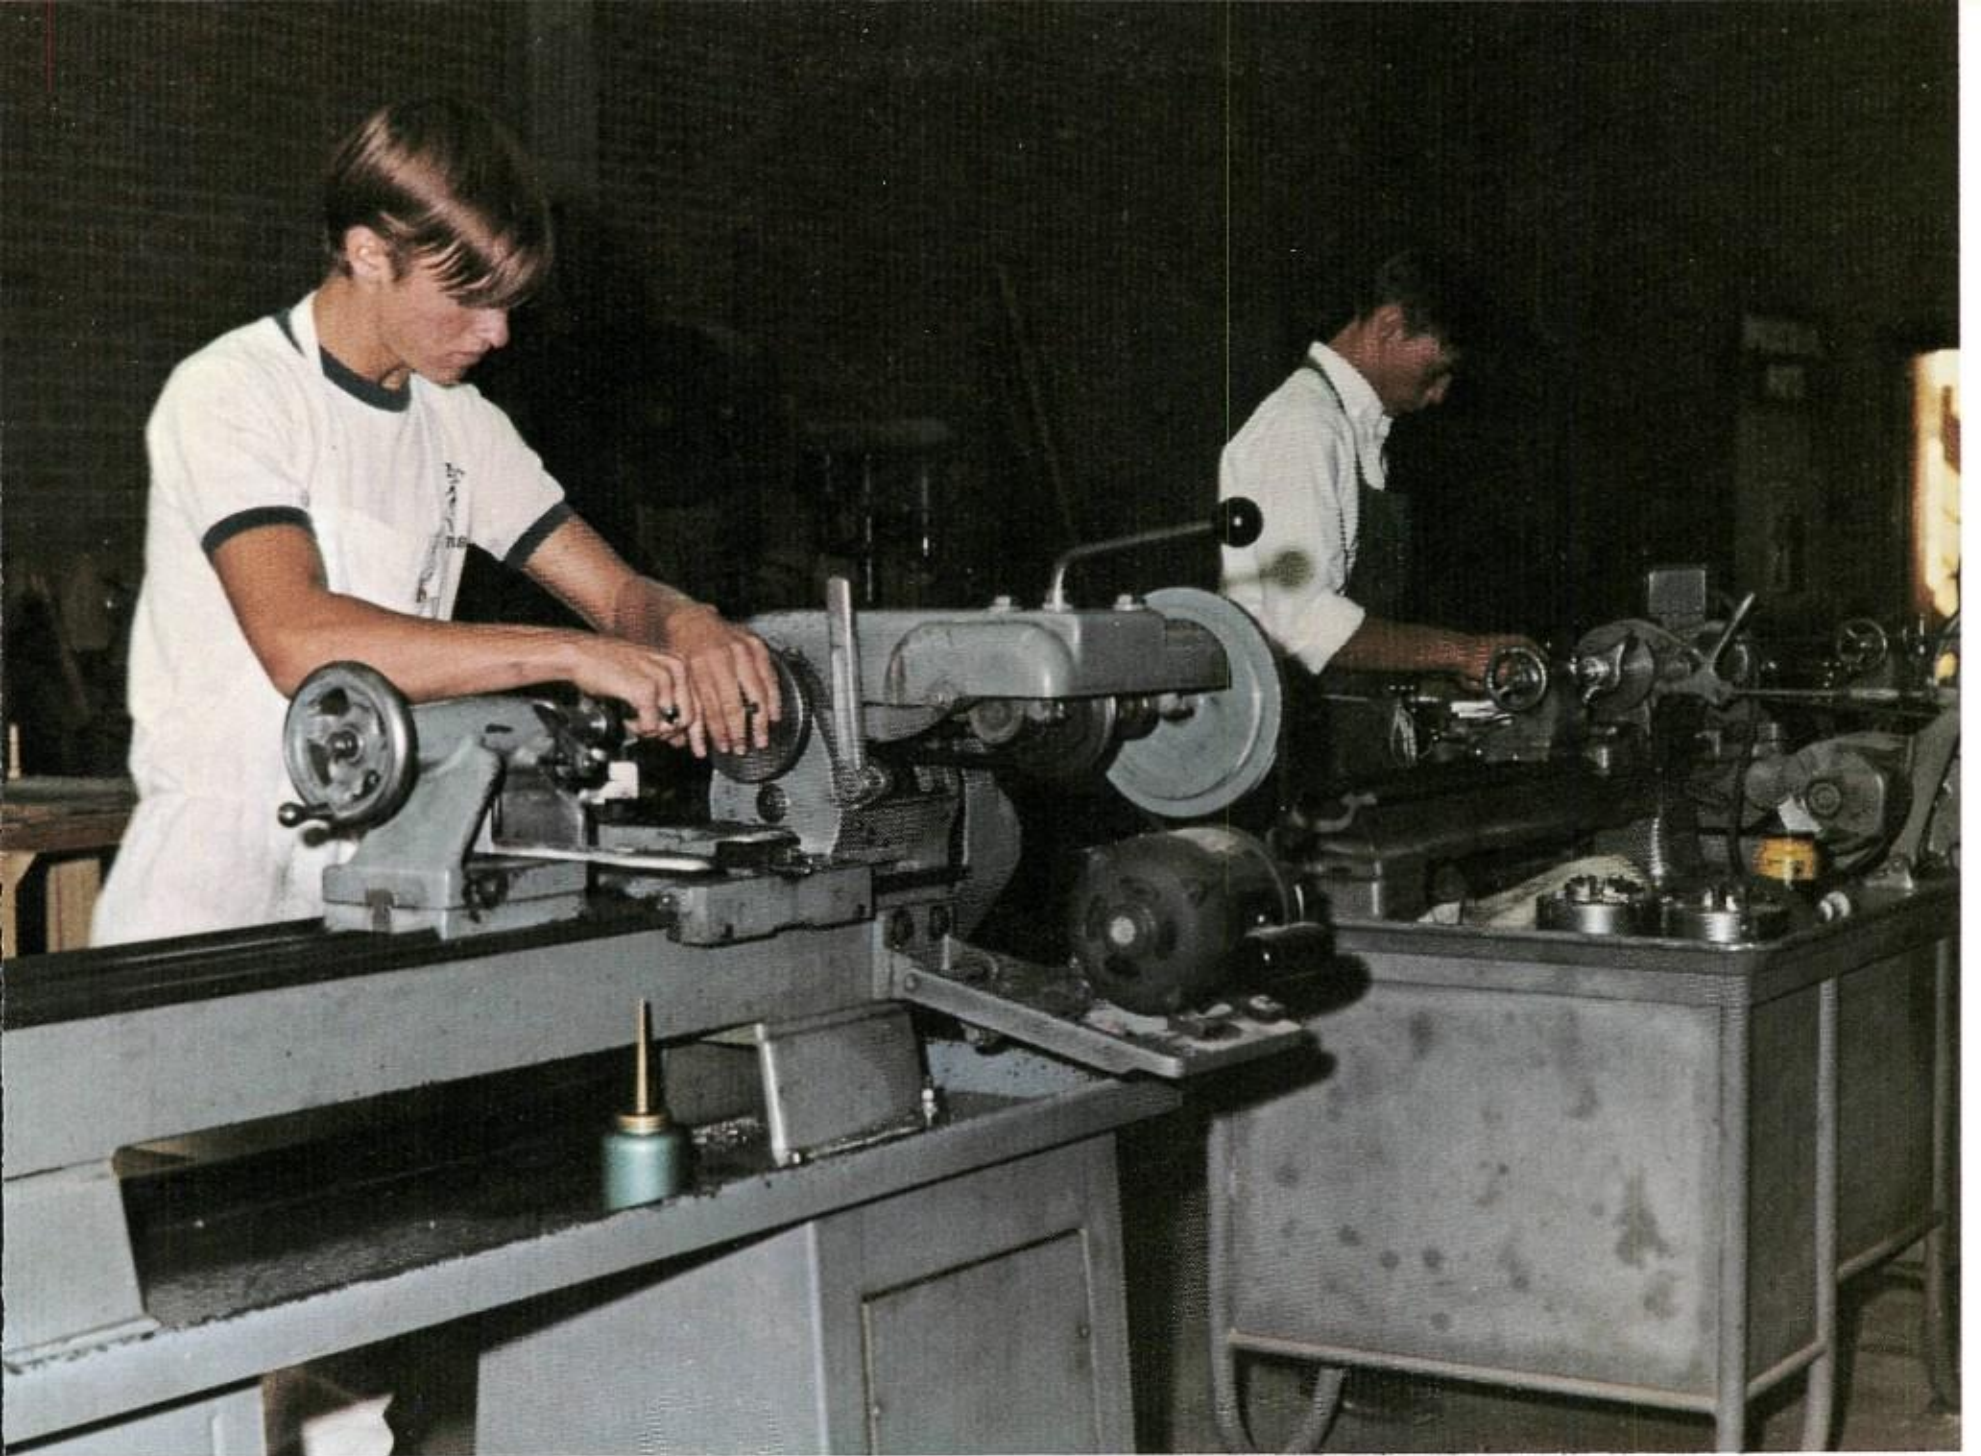

The Latin Club students continue their pursuit of knowledge and understanding of the customs of the ancients during after-school hours twice a month.

Membership in this organization is composed of students who have taken or are taking Latin. Their sponsor is Mr. Aguirre.

Leonard Tsosie and Emerson Notah stand before their homeroom's prize-winning Christmas door.

Students expressed their originality and creativity with Christmas decorations. Above: a drawing advertising the 1968 Christmas dance. Top: Mr. Miller sends cheery greetings to students from inside a Santa suit.

Left: Highland's gym was severely in need of repair toward the end of 1968, as is shown.

Below left: Confusion was evident during the second semester registration in the gymnasium.

Below: Mr. James Walker, counselor, discusses registration with some students in the gym.

AGENDUM

i looked out today—
from dirty socks
and horrible grades
and the pangs of young love
and saw the Tide.

The one that moves us all—
from Bach to the Beatles
from Rembrandt to Picasso
from gowns to mini-skirts
from Model A's to Mustangs.

And the Tide rolls on—
princes to presidents
gay times to depressions
trenches to the Bomb
Peace to War.

And the Tide rolls on—
Youth?! Will the tide move us
Or us the Tide?

And the Tide rolls on—
To where?

Observe, question, analyze and learn,
And the Tide rolls on—
Find your direction.
Then act.

Gary,
 Good luck next year
 in football & wrestling.
 Hope you get out of high school.
 Be serious & you'll do O.K.

Good luck,

Gary,

It's been great fun
 being in English class
 this year. Without you
 and Bone, Pop. Novels would
 have been a bore. However,
 it was still a waste.

Best of luck next year.

Richard Weldon

Gary,
 Well couldn't ob-
 serve the same funny
 it been your really
 in out geometry with (?)
 jokes. I've meeting
 enjoyed your laughs like
 you face on fire
 & my was put out
 and was a track
 what! a good year
 luck next year
 & ya hope to see

Gary -

It's really been an
experience knowing
you. (I won't say what
kind, though). Have a
great summer & with
any luck (?) I'll see
you next year.
Hathy

Don't ever forget to be
happy no matter what
happens. You'll find
whatever way in
our ya always
